7.B. Superintendent Report

During this month's board update, Superintendent Scott Cline provided a financial overview of the district's current funds and shared concerns regarding several proposed state property tax changes that could impact local school revenue in the future. **General Fund Remains Strong.** The superintendent reported that general fund expenditures are down for the month and slightly down for the year, placing spending right where the district would like it to be at this point in the fiscal year. While revenue numbers may appear concerning at first glance, he explained they can be misleading when compared to last year. The district is currently about one million dollars under last year's revenue collections, but that shortfall is primarily tied to a settlement that affected last year's totals. When compared to the previous year, the district is right on track with expected revenue. He noted that the district's general fund cash balance remains strong, leaving him confident moving forward. **Building Fund Activity,** The superintendent stated there were no building fund expenditures for the month, and year-to-date spending is down, largely due to reduced bond-related expenses. Building fund revenue reflects the same trend seen in the general fund—appearing down compared to last year but remaining on track when viewed against prior-year benchmarks. **Child Nutrition Faces Growing Deficit,** the superintendent emphasized that child nutrition remains the district's most significant financial concern. Expenditures increased for the month, and year-to-date expenses are currently up \$19,000, with three months of spending still remaining. At the same time, child nutrition revenue is down \$19,000, creating an overall \$39,000 swing compared to projections. This shift was anticipated due to the district's decision to offer free lunches, but the financial impact is continuing to grow. Overall, the child nutrition program is currently operating nearly \$67,000 in the red. The superintendent said the district is now exploring what options may be available next year, including possible programs that could help offset costs if free lunches continue. **Daycare Program Improving,** the district's daycare program has shown improvement. Expenditures are down, reflecting tighter management and the reduction of one employee. Revenue is slightly lower as well due to decreased enrollment, but that decline also allowed staffing adjustments to match current needs.

The superintendent noted the district has closed the financial gap significantly in daycare operations and expressed optimism about continued progress. **Legislative Property Tax Changes Under Review,** the superintendent also shared updates on several property tax proposals being discussed at the state level, noting that lawmakers have made property taxes a major focus this session. One proposal would lower the cap on how much property taxes can increase each year, which may not affect the district immediately but could reduce future growth in revenue. Another proposal involves freezing property taxes for senior citizens, which also may not cause immediate harm but could affect long-term collections. However, the superintendent expressed greater concern about Senate Bill 227, which has already passed and is heading to the governor's desk. The bill would exempt several oilfield-related items—including production tanks, flow lines, meters, and gathering lines—from taxation. The superintendent said he is still learning the full impact the bill may have locally, but in his opinion, it "doesn't look very good" for the district's future revenue.

The superintendent concluded by stating that, overall, the district remains financially stable, particularly in the general fund, but child nutrition funding and potential legislative tax changes will continue to be closely monitored in the months ahead.

RE: Temporary Appropriations

Please find attached three (3) copies of your "Temporary Appropriations" for fiscal year 2026-27.

Even though state law allows school districts to appropriate one-hundred percent (100%) of the estimated revenues to be applied to their Temporary Appropriations, in past years your District has approved a percentage. Since valuations and allocations have not yet been determined and due to the uncertainty of cuts to state allocations and fluctuations in gross production we would suggest you stay with the amounts shown on the 2026-27 Temporary Appropriations.

As you are aware, when your 2026-27 Estimate of Needs is completed, these amounts may be adjusted.

If you have any additional Cash Funds which will be utilized at the beginning of FY 27, please list them on the additional lines provided in an amount that will allow for the necessary encumbrances until final appropriations are available.

Have your School Board President and Clerk sign all three (3) copies. **BE SURE THE CLERK APPLIES THE SCHOOL SEAL WHERE "ATTEST" APPEARS.**

After the County Excise Board has signed all three (3) copies, leave one (1) with the County Clerk, file one (1) with your Clerk of the BOE and **RETURN ONE (1) TO OUR OFFICE.**

If you have any questions, please call.

Sincerely,

THE FIRM OF CHAS. W. CARROLL, P.A.

Mr. Scott Cline
Superintendent
Waynoka Public Schools
2134 Lincoln Street
Waynoka, Oklahoma 73860

We are pleased to provide our bid and confirm our understanding of the services we are to provide for Waynoka Public School District (the District) for the year ended June 30, 2026.

Audit Scope and Objectives

We will audit the financial statements on a regulatory basis of the governmental activities and disclosures, which collectively comprise the basic financial statements of the District as of and for the year ended June 30, 2026. We understand the financial statements will be presented in accordance with a financial reporting model, and prepared using a regulatory basis of accounting, as prescribed by the Oklahoma State Department of Education audit guide format #3. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI) to supplement the District's basic financial statements. Such information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. However, because the District's financial statements are presented in a regulatory format, no RSI is presented.

We have also been engaged to report on supplementary information other than RSI, to include, but not limited to the combining financial statements and the schedule of expenditures of federal awards, which accompany the financial statements. We will subject the supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in our auditor's report on the financial statements.

-Schedule of Expenditures of Federal Awards

-District's Corrective Action Plan (if required)

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects,

Mr. Scott Cline
Superintendent
Waynoka Public Schools

in conformity with the prescribed regulatory basis and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

If federal expenditure exceeds \$1,000,000 the objectives also include reporting on:

- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; if federal expenditures exceed \$1,000,000, the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the school district or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform you of the appropriate level of management of any material errors, any fraudulent financial reporting,

Mr. Scott Cline
Superintendent
Waynoka Public Schools

or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit (if required). Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the school district's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories (when applicable) and direct confirmation of receivables (when applicable) and certain assets and liabilities by correspondence with selected funding sources, creditors, and financial institutions. We will also request written representations from your attorneys, when applicable, as part of the engagement.

Audit Procedures—Internal Control

We will obtain an understanding of the school district and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

If federal expenditures exceed \$1,000,000, as required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those

Mr. Scott Cline
Superintendent
Waynoka Public Schools

procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

If federal expenditures exceed \$1,000,000, Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the District's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the District's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the District in conformity with the regulatory basis of accounting and the Uniform Guidance based on information provided by you. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the estimate of needs, financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the estimate of needs, financial statements, schedule of expenditures of federal awards, related notes, and any other non-audit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the estimate of needs, financial statements, the schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the estimate of needs, financial statements, the schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the non-audit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

We will also perform the following services which will not be subjected to any auditing procedures applied in our audit, and for which our auditor's report will not provide an opinion or any assurance.

- State Auditor and Inspector's filing fee for the 25-26 audit
- Presentation of the 25-26 audit report to your Board of Education
- Assist in preparation of 25-26 Schedule of Expenditures of Federal Awards
- Unlimited toll-free telephone consultation with District personnel

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring

ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with the regulatory basis of accounting, and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and if federal expenditures exceed \$1,000,000, other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the estimate of needs; financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by GAAS and Governmental Audit Standards.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the school district involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the school district received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the school district complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report.

Additionally, if federal expenditures exceed \$1,000,000, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review.

Mr. Scott Cline

You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with a financial reporting model, and prepared using a regulatory basis of accounting as prescribed by the Oklahoma State Department of Education. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to [include the audited financial statements with any presentation of the supplementary information that includes our report thereon OR make the audited financial statements readily available to users of supplementary information no later than the date the supplementary information is issued with our report thereon]. Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

Mr. Scott Cline
Superintendent
Waynoka Public Schools

If federal expenditure exceeds \$1,000,000, at the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the school district; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of S&B CPAs & Associates, PLLC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to Oklahoma State Department of Education or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of S&B CPAs & Associates, PLLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Oklahoma State Department of Education, U.S. Department of Education and Office of Management and Budget. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed **\$6,350**. If federal expenditure exceeds \$1,000,000 and thus a single audit is required, there will be an additional **\$2,000** fee. Our standard hourly rates vary according to the degree of responsibility involved and the level of experience of the personnel assigned to your audit. Our invoices for these fees will be rendered as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all the time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will keep you informed of any problems we encounter, and our fees will be adjusted accordingly.

Reporting

We will issue written reports upon completion of our Audit or if required Single Audit. Our reports will be addressed to the Governing Board of the District. Circumstances may arise in which our report may differ

Mr. Scott Cline
Superintendent
Waynoka Public Schools

from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to the District and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Sincerely,

S&B CPAs & Associates, PLLC

COMPREHENSIVE EMPLOYMENT SERVICE AGREEMENT

This Comprehensive Employment Service Agreement is made this ___ day of _____, 2026, by and between Waynoka Public Schools (hereafter, "School") and Oklahoma State School Boards Association Employment Services Program (hereafter, "OSSBA").

The Board of Education of the School has voted to join the OSSBA Employment Services Program for the 2026-20267school year and agrees to pay OSSBA an administrative fee in the amount equal to \$7.00 per employee.

Payment: During the term of this Service Agreement, the School's annual administrative fee will be deducted in quarterly installments from the School's OSSBA Employment Services Program Account. OSSBA records indicate 48 school employees, for a total annual administrative fee of \$ 336.00. The Administrative fee will be deducted in quarterly installments until the annual administrative fee is paid in full.

Billing and Deduction Process: The administrative fee will be deducted from invoices issued by OSSBA for other services. School business offices should expect to see a line-item deduction labeled "OSSBA Employment Services Program Administrative Fee" on their quarterly billing statements. If you have questions regarding these deductions, please contact the OSSBA Chief Financial Officer.

Additional Deposits: In the event that a payment or deduction from the School's OSSBA Employment Services Program Account would deplete the Account to an amount less than zero (0), the School will be required to make an additional deposit to replenish the Account prior to OSSBA making any payment to the OESC.

Withdrawal of Funds from OSSBA Employment Services Program Account: Upon signing an initial Service Agreement, the School will make an initial deposit to establish an OSSBA Employment Services Program Account through which the OSSBA will pay any necessary unemployment claim payments and any other necessary payments to the OESC on the School's behalf. The funds in the Account shall at all times remain School funds. Because the funds in the School's OSSBA Employment Services Program Account remain School funds, the School may withdraw any or all funds from the Account upon providing written notice to the OSSBA.

Services Provided: The administrative fee will be paid in exchange for employment related services provided by OSSBA, including but not limited to:

- 1) Providing complete legal representation by an Oklahoma licensed attorney in all aspects of the unemployment claims process before the Oklahoma Employment

Security Commission (hereafter "OESC"). This representation is limited to claims and administrative hearings directly with the OESC and DOES NOT include representation in judicial reviews or court proceedings. See 'Scope of Legal Representation' section below;

- 2) Auditing the payment of all unemployment claims to ensure the minimum is paid and any overpayments are recovered;
- 3) Providing quarterly reports of unemployment claims and amounts paid by the OESC to Claimants on the School's behalf;
- 4) Providing prudent management of School funds deposited in the School's OSSBA Employment Services Program Account;
- 5) Providing up-to-date Legislative and Administrative Law Updates to keep the School informed of changes that affect unemployment claims and costs; and
- 6) Providing opportunities for employment training and information.

Scope of Legal Representation: The legal representation provided by OSSBA under this Agreement is limited to claims of adjudication and administrative hearings conducted by the Oklahoma Employment Security Commission (OESC). This includes representation in protests of claims, appeals before OESC hearing officers, and related administrative proceedings.

The current membership fee DOES NOT include representation in any judicial review proceedings, appeals to the Oklahoma Court of Appeals, or any other court proceedings. The School is responsible for determining whether additional legal representation is needed for such matters.

The School may discuss with OSSBA the availability and cost of representation beyond the scope of this Agreement on a case-by-case basis, but any such representation would require a separate agreement and additional fee. All requests for representation outside the scope of this Agreement must be submitted in writing to the OSSBA Employment Services Program team for consideration and approval.

Information Access: The School will grant to OSSBA Third Party Administrator (TPA) access rights to the School's EZ Tax Express Account administered by the Oklahoma Employment Security Commission (OESC) in order for OSSBA to appropriately administer School's unemployment claims and assist with financial accounting and quarterly contribution reporting. Further, the School agrees to provide OSSBA with access to other information systems administered by the OESC if access is deemed necessary to process unemployment claims on School's behalf.

Contact Information: The School shall designate contact personnel for OSSBA Employment Services Program administration. The persons named below will be responsible for providing information to OSSBA regarding unemployment claims and will receive copies of OSSBA correspondence.

OSSBA will maintain these contact records and use them to distribute all official communications related to the School's unemployment claims and membership in the Employment Services Program. If you would like to make changes to these contacts between agreement renewal periods, please email: es@ossba.org.

Term of Agreement: This Service Agreement will be effective for the 2026-2027 fiscal year which ends on June 30, 2027. This Service Agreement may be renewed for a subsequent fiscal year by the Board of Education of the School taking such necessary action.

Revision or termination of Agreement: Either party may revise this Service Agreement with 60 days' written notice to the other party.

2. Return of Signed Agreement Deadline: The School must return the signed Service Agreement to OSSBA by June 30th of each fiscal year. Failure to return the signed agreement by this deadline will result in automatic termination of services effective

immediately, unless the School contacts OSSBA in writing to request an extension prior to the deadline. OSSBA may grant a reasonable extension at its discretion.

3. Non-Payment of Administrative Fees: If administrative fees remain unpaid for more than 90 days past the due date, OSSBA may terminate this Agreement effective immediately upon written notice to the School. The School shall remain liable for all unpaid fees and any associated costs.

1. If either party does not fulfill what it has agreed upon in the above terms, termination may be made within 30 days' written notice to the other party.
2. Return of Signed Agreement Deadline: The School must return the signed Service Agreement to OSSBA by June 30th of each fiscal year. Failure to return the signed agreement by this deadline will result in automatic termination of services effective

immediately, unless the School contacts OSSBA in writing to request an extension prior to the deadline. OSSBA may grant a reasonable extension at its discretion.

3. Non-Payment of Administrative Fees: If administrative fees remain unpaid for more than 90 days past the due date, OSSBA may terminate this Agreement effective immediately upon written notice to the School. The School shall remain liable for all unpaid fees and any associated costs.

Upon termination of this Agreement for any reason, the School shall continue to be responsible for all outstanding unemployment claims liability.

If consultation and/or professional learning is in the school district, the school district would agree to pay travel expenses that would not be a part of this agreement.

The District understands that CCOSA and/or its partners will be unable to provide assistance in some areas and with some issues. The District understands that, in those situations, CCOSA and/or its partners may recommend that the District seek advice, assistance, and services beyond those offered by this Program, which may cause the District to incur expenses that are not covered by this Program. **This Program is ADVISORY ONLY and CCOSA and/or its partners do not warrant or guarantee any specific outcome related to the advisory services provided. CCOSA reserves the right to refuse participation to school districts and to remove school districts from participation in the Program.**

The term of this Agreement begins on the date it is approved by the District’s Board of Education and ends on June 30, 2027. Either the District or CCOSA may terminate this Agreement upon notice in writing to the other party. HOME OF THE RAILROADERS

April 21, 2026

Dear Mr. Cline,

I am writing to seek your approval for a planned educational trip with four students to the FCCLA National Leadership Conference (NLC), held from July 5 to July 11, in Washington, D.C. This conference represents a culminating event for our students, who have placed either first or second in State STAR Events and have won the right to participate at the national level.

As the advisor for our school's FCCLA chapter, I am committed to ensuring a valuable and safe experience for our students. The conference offers unparalleled opportunities for them to engage in competitive events, participate in workshops, and develop leadership skills that align with the educational objectives of our school's curriculum and the FCCLA's mission.

Details of the Trip:

- Destination: Washington, D.C.
- Dates: July 5, 2026 to July 11, 2026
- Purpose: To participate in the FCCLA National Leadership Conference and STAR Events
- Participants: 3 students and 1 adviser including myself
- Accommodations: Westin D.C. Downtown, Washington, D.C.
- Transportation: We intend to travel by air from OKC to Washington, D.C.

The total cost of the trip, including transportation, accommodation, meals, and registration fees, is estimated to be \$7,000. We have been actively fundraising to support this trip, and each student has been contributing to these efforts to help defray the costs. I am happy to discuss this proposal in more detail and provide any additional information required to support this request. Thank you very much for considering our request to represent Waynoka at NLC.

Sincerely,

Alicia Pitts
