6. Other Reports

6.A. Principal Reports

Pat Burrow, Elementary Principal reported we've made it through August and the teachers have done an excellent job of setting procedures and routines for the students to follow and the students have adjusted well to the new school year. The Word of the Month for August was Respect. Mr. Tolson helped lead Wake-Up Waynoka and modeled great examples of respect. August RAIL Club had 86 members showing respect, perfect attendance, integrity and leadership. Many Shoutouts have been given to students on Fridays. Any staff member who sees a student going above and beyond can fill out a Shoutout for him/her to be recognized during Wake Up Waynoka. We have fabulous kids doing awesome things! This year, we continued with a compliment box for the students to give compliments to anyone they see doing great things, as well. Elementary Football has a home game against Ringwood tonight. JH Softball with our 6th graders will play at home tomorrow against Okeene. Coaches and players have worked hard this season! The Woods County Fair was this past week. Waynoka had a great showing with many entries receiving many places and some moving on to compete at the State Fair. PreK and K traveled to tour the fair and look at all aspects of the county fair. Wake Up Waynoka has been successful and the Elementary Students of the Week so far have been Soraya Scott, Keaton Webb, Parker Storer and Ledger Seiger.

High School Principal, Trey Allen reported that September has been a busy month at Waynoka Public Schools. Our students and staff have continued to work hard as we move into the 2026-2027 school year. Our teachers have been focused on instruction, establishing classroom routines, and meeting the needs of our students. We appreciate the work our staff puts in each day to provide a positive learning environment. September has also included several school activities and events that give our students opportunities to participate, build school spirit, and strengthen our school community. Homecoming Spirit Week was held this past week, and we had excellent student participation in the dress-up days. Mrs. Garrison did a great job coordinating the week and played a large part in its success. Congratulations to our Homecoming King, Korbin Ferguson, and our Homecoming Queen, Brylee Beck. The Railroaders also secured a home-field victory over the Canton Tigers.

Junior High Softball will play Okeene at home on September 15, compete in the Cherokee Strip Conference Tournament on September 17 and 18, and conclude the season at home against Buffalo on September 22. High School Softball will have a home matchup against Okeene on September 15 and will play Buffalo at home on September 22 before district play begins.

The 5th/6th grade and Junior High football teams have several upcoming games. Our High School Football team will be off this week and will resume play against Beaver on September 25.

Waynoka was well represented at the Woods County Fair. Our students showed a variety of animals and entered several projects. Congratulations to all of our exhibitors on their hard work and accomplishments.

FFA will have two judging contests this month, as well as the Northwest Area Colt Conference on September 22. FCCLA LEAD Conference will be held on September 17.

Thank you to our students, staff, parents, and community members for their continued support of Waynoka Public Schools. We appreciate everyone who helps make our school a great place for students.

6.B. Superintendent Report

Waynoka Public School Superintendent Scott Cline recently reviewed the district's financial condition and current valuations, noting that while August expenditures increased, the district continues to maintain a strong cash balance. Cline reported that general fund expenditures were up during August, primarily due to stipend increases and payroll increases associated with the teacher pay raise. Revenue for the month was down approximately $23,000 compared to the same period last year. Cline explained that a major reason for the difference in revenue is the way state security funding is being distributed this year. Last year, the district received approximately $93,000 in security funding as a lump-sum payment during the month. This year, the State Department elected to distribute the funding over 12 months. The district also received some federal funding and textbook money during August, which helped offset part of the difference. "Looking at our cash balance, we're still sitting pretty strong," Cline said.

The district's Building Fund had no expenditures during August. Revenue was slightly lower, primarily because of reduced interest earnings. The Building Fund balance currently shows approximately $3.3 million, with Cline noting that amount includes an insurance check that will be addressed separately.

Child Nutrition expenditures were slightly higher, again primarily due to payroll, while no revenue had been received at the time of the report.

Daycare expenditures also increased slightly because of payroll, while daycare revenue is currently down. Cline reported that the daycare currently has five full-time students, compared with more students last year. There is also one part-time student, with two additional students expected to begin—one in October and another in January.

Cline also reviewed the district's property valuations for the current year. Woods County's valuation is approximately $72 million, an increase of $2.9 million. Major County's valuation is approximately $9.7 million, an increase of about $266,000. Woodward County's valuation is approximately $1.7 million, remaining essentially flat. The total valuation for the Waynoka School District is approximately $83.7 million, representing an increase of approximately $3 million. Cline called the increase a positive sign, noting that the district has not experienced an increase of this size in some time. However, he cautioned that the district will need to be careful moving into the next fiscal year due to changes involving the exemption of oil and gas flow lines beginning in January. "We know it will be a decrease. I just don't know what kind of hit we're going to take yet," Cline said, emphasizing the need for caution as the district makes financial decisions for the coming year.

BOARD OF EDUCATION ELECTION RESOLUTION

TO: Woods County Election Board

FROM: The Waynoka School District, Independent School District No. 3 of Woods, County, Oklahoma

The Board of Education of the Waynoka School District has approved the following resolution calling for an election to be submitted to the voters of the district.

Date of the Election:

A Board of Education Primary Election shall be held on February 9, 2027, only if three or more candidates file for the Board of Education position scheduled to be on the ballot or for a Board of Education position appearing on the ballot as an unexpired term. A Board of Education General Election shall be held on April 6, 2027, under the following circumstances: if only two candidates file for a position scheduled to be on the ballot or for a position on the ballot for an unexpired term or if no candidate in the Board of Education Primary Election receives more than 50% of the votes cast. The polling places shall be open from 7:00 a.m. to 7:00 p.m.

Closure of Precinct Polling Places:

"As Provided in Title 26 O.S. 2009 Supp., Section 13A-101, the Board of Education authorized the County Election Board to close the precinct polling places for Precinct Number **470010** located in **Major** County. Oklahoma, and Precinct Number **760004** and **760008** located in **Woods** County, Oklahoma, for this election because only a portion of the precinct is located within the boundary of this district and the board has determined that no persons reside in that portion of the precinct."

Board Member Position on Ballot:

The voters shall elect a board member for board position No. 2, which has a 5-year term of office.

Qualifications of Candidates for Office:

To be eligible to be a candidate for member of the board of education of a school district, a person must have resided in the district for at least six months preceding the first day of the filing period, and have been a registered voter registered with the county election board at an address located within the geographical boundaries of the district for six months preceding the first day of the filing period. In school districts that have been divided into election districts, a candidate must have resided in the district for six months preceding the first day of the filing period and have been a registered voter registered with the county election board at an address located within the geographical boundaries of the election district for six months preceding the first day of the filing period.

No person shall be eligible to be a candidate for or elected to be a member of the board of education of a school district unless the person has been awarded a high school diploma or certificate of high school equivalency.

A person who has been convicted of a misdemeanor involving embezzlement or a felony under the laws of this state or of the United States or who has entered a plea of guilty or nolo contendere to such misdemeanor involving embezzlement or felony or who has been convicted of a crime in another state which would have been a misdemeanor involving embezzlement or a felony under the laws of this state or has entered a plea of guilty or nolo contendere to such crime shall not be eligible to be a candidate for or be elected to any school board office for a period of fifteen years following completion of his sentence or during the pendency of an appeal of such conviction or plea.

Candidates must affirm that upon being elected as a new member of the Board of Education, within fifteen (15) months of election, they will complete at least twelve (12) hours of instruction on education issues, including school finance, Oklahoma education laws, and ethics, duties and responsibilities of district board of education members. Three (3) of these twelve (12) credits must be earned as follows: one (1) credit in ethics, one (1) credit in open meeting act and open records act, and one (1) credit in school finance. Incumbents must affirm that they will complete six (6) hours of instruction within fifteen (15) months of election emphasizing changes in school law. Three (3) of these six (6) credits must be earned as follows: one (1) credit in ethics, one (1) credit in open meeting act and open records act, and one (1) credit in school finance.

Voters Eligible to Vote:

To be eligible to vote, a voter must be registered with the county election board at an address within the geographical boundaries of the district.

Ballot Titles:

The ballot to be submitted to the voters shall call for the voters to:

1. Select one candidate for Waynoka School Board Position No. 2:

Approved by the _____ Board of Education this ___ day of _____, ____.

Cardiac Emergency Response Plan

Waynoka Public Schools

Cardiac emergency requires immediate action and is crucial to successfully treating a cardiac arrest. There is an individual who is not responding to verbal or physical touch. This individual may not be breathing normally (irregular breaths, gasping or gurgling, not breathing) or have seizure-like activity/convulsions. You need to take immediate action.

Cardiac Emergency Response Team Members:

1. Trey Allen
2. Ryan McKee
3. Ronnie Nix
4. Amber Mckee
5. Pat Burrow

Please note that while CER Team members will be called to the scene of a cardiac emergency, the first person on the scene who witnessed or discovered the sudden cardiac arrest victim should coordinate with other bystanders to call 911, start hands-only CPR and retrieve and use the onsite AED.

Our Plan

1. The person who finds the individual designates someone near the victim to call 911.

2. The person who finds the individual should also designate someone to retrieve the nearest onsite AED and bring it back to the location of the emergency.

3. The first person on scene should start CPR (hands- only if not CPR certified).

4. Once 911 has been called, that same person should notify the Front office/Admin:

"There is a CARDIAC EMERGENCY at (specify location) and 911 has been called."

5. The office staff should make an announcement on the PA system to place the school in a "**HOLD**."

6.The office staff should make an announcement on the PA system **TWICE:** "CER Team to report to (specify location).

7. All Team members should report to the victim's location.

8. When AED arrives, it should be activated immediately.

9. Follow the audio/visual instructions provided by the AED. (The AED will only deliver shocks if needed, if no shock is needed, no shock will be delivered. Continue CPR until the patient is responsive or a professional takes over).

10. A team member should direct EMS to the scene.

GIFTED CHILD EDUCATIONAL PROGRAMS (REGULATIONS)

Philosophy and Goals

It is the philosophy of Waynoka Public Schools to provide an education for every child according to his/her needs and to endeavor to ensure that each child reaches his/her maximum potential. To this end, experiences will be provided that are consistent with the abilities and potential of the intellectually gifted and academically talented child so that each is encouraged to be a happy, successful, and responsible human being. It is the goal of this district to identify all students in grades K-12 who are intellectually gifted or academically talented and to provide challenging educational experiences to these children through multiple program options.

Advisory Committee

In accordance with the policy of the board of education, a local advisory committee (which may or may not be comprised of the curriculum advisory committee) shall be established. The committee will consist of administrators, teachers, and parents with no fewer than 3 and no more than 11 members, at least one third (1/3) of whom shall be selected from a list of nominations submitted by associations whose purpose is advocacy for gifted and talented children.

The purpose of the committee is to assist in the development of the district plan for gifted child educational programs, to assist in preparation of the district report on gifted child educational programs, and to perform other advisory duties as may be requested by the board of education. A chair and vice-chair will be elected, and written records and reports shall be made by the committee. The committee will establish a regular meeting schedule sufficient to implement the program.

The committee will make available to the board of education copies of their agendas, minutes, and evaluations of the program. The committee will reorganize biennially prior to September 15. A meeting will be called by the superintendent not later than October 1 of each school year. All meetings of the committee shall be subject to the provisions of the Oklahoma Open Meeting Act (70 O.S. §1210.308).

The committee will advise and assist district professional staff with the development of a plan which will include a description of the curriculum for the gifted child educational program, the criteria for evaluation of the program, the competencies and duties of the program's staff, number and percentage of students identified by the district as gifted children, and a budget for the district gifted child educational program.

Definition

Gifted and talented students are those students at the preschool, elementary, and secondary levels having demonstrated potential abilities of high-performance capability and needing differentiated or accelerated education or services. Students identified as intellectually gifted demonstrate potential on individual or group nationally standardized intelligence tests. Students identified as academically talented demonstrate specific ability on school-administered nationally standardized achievement tests.

Teachers whose duties include direct involvement with gifted students shall participate in in-service training, workshops, and/or college training designed to educate/certify them in the area of gifted education.

GIFTED CHILD EDUCATIONAL PROGRAMS, REGULATIONS (Cont.)

Identification

The gifted program advisory committee shall suggest to the superintendent the placement of students.

1. Screening

Students will be screened each year for intellectual ability through the administration of a nationally standardized test (for state mandated grades only). Test scores will be reviewed each spring after they are received. All teachers and parents shall be given the opportunity to nominate students to be individually or group tested.

2. Nomination

Teachers will be encouraged to nominate high achieving students to be tested for the program.

3. Types of Tests

Screening for grade three and seven will be done by using the state mandated nationally standardized achievement test. Students needing or desiring an individual or group test shall be offered the The Naglieri Nonverbal Ability Test (NNAT-3).

4. Placement Criteria

A. Students recommended by parents or teachers may be considered; however, final selection must be determined by the placement committee.

B. Students scoring on or above the 97th percentile on major areas of a nationally standardized achievement test shall be offered placement in the program.

C. Students scoring on or above the 97th percentile on The Naglieri Nonverbal Ability Test (NNAT-3) shall be offered placement in the program.

D. Students scoring on or above the 97th percentile on the Woodcock Johnson Pyscho-Educational Battery, Revised, shall be offered placement in the program.

E. To allow for the unbiased assessment of all cultural and economic backgrounds, a committee decision for placement may be made based on referral, student product or performance, appropriate checklists, and other relevant information.

5. Other Information Considered

Performance in the classroom shall be considered as a basis for referral; however, final selection must be determined by the placement committee.

Procedural Safeguards

1. Due Process Rights

Each parent shall be required to sign a permission form/confidentiality statement before any child can be given an individual IQ test. Parents shall be required to sign a permission form before any child is placed in the program.

GIFTED CHILD EDUCATIONAL PROGRAMS, REGULATIONS (Cont.)

2. Individual Evaluation
   Individual assessment tests may be administered to any child upon request of a teacher or parent (with parent approval). Students may be evaluated on site using The Naglieri Nonverbal Ability Test (NNAT-3) or the Woodcock-Johnson Psycho-Educational Battery

3. Confidentiality
   The district insures that it shall permit the parent to inspect and review any and all records relating to their child and used by this district. All relevant records of student evaluations shall be kept in appropriate filing systems to ensure confidentiality. Confidential records shall be kept for a period of five years.

4. Additional Evaluation
   Additional evaluations may be requested when a parent or teacher is not satisfied with the results of one test until exhaustion of evaluation means. Upon exhaustion of evaluation, parents will be required to make arrangements, financial and professional, for further evaluation.

5. Transfers
   Student transfers with proof of a score on/above local standards for placement shall be placed in the program after consultation with an approval from the parents.

6. Review of Placement
   A review of student placement shall be made by the placement committee at the seventh grade level for all students placed prior to the sixth grade year.

7. Removing Students from Options
   Students may be removed from the program upon request of the parent or request of the student with parental approval or recommendation of the placement committee at the seventh grade review.

Programming Description

Teachers working with gifted children shall hold a valid Oklahoma teaching certificate appropriate to the certificate credential and grade level(s) included in the program.

Teachers whose duties include direct involvement with gifted students shall participate in in-service training, workshops, and/or college training designed to educate/certify them in the area of gifted education.

Identified students in grades one through six may be served by a pull-out program. Emphasis will be placed on enrichment of content areas. They may be further served by accelerated/enriched classroom work.

Identified students in grades seven through twelve may be served by, but not limited to, any of the following:

A. Enrichment of content

ANIMALS IN SCHOOL

It is the policy of the Waynoka Board of Education that students, staff, and/or patrons will not bring animals onto school premises except in connection with an organized and approved school activity, or as otherwise authorized by the appropriate building principal. Written permission must be obtained from the appropriate building principal before animals are brought to school or to any school activity. Service animals will be allowed in accordance with federal law. Members of the public, staff, and students shall not be allowed to bring emotional support animals and therapy animals which do not meet the definition of a service animal on school property. An exception may be made by the superintendent for emotional support animals and therapy animals to be brought onto school premises by the school counselor for the benefit of the student body. The district shall post a sign in a conspicuous location outside the entrance of each school building stating which animals or types of animals are prohibited in accordance with Oklahoma law. The sign posted will indicate that service animals are permitted in accordance with federal law.

Authorized animals must be adequately housed and cared for while on school grounds. Only the teacher, or students designated by the teacher, may handle the animals. If dogs are allowed to be on school grounds by the principal, the dogs must be leashed at all times and not permitted to run at large.

If animals are to be kept on school grounds on days when classes are not in session, arrangements must be made for their care.

If a staff member or student has been bitten by an animal and the skin has been pierced, the incident must be reported immediately to the school office by the student or the supervising adult. The principal will notify public health authorities and cause the animal to be impounded for observation. Public health authorities will determine the appropriate term of confinement of the animal and method of observation.

Service animals perform some of the functions and tasks that individuals with disabilities cannot perform themselves. Service animals are not pets. There are several kinds of service animals that assist individuals with disabilities. Examples include, but are not limited to, animals that:

1. Assist individuals who are blind or have severe sight impairments,
2. Alert individuals with hearing impairments to sounds,
3. Pull wheelchairs or carry and pick-up items for individuals with mobility impairments, and
4. Assist individuals with mobility impairments with balance.

The district shall not assume or take custody or control of, or responsibility for, any service animal or the care or feeding thereof. The owner or person having custody and control of the service animal shall be liable for any damages to persons, premises, property, or facilities caused by the service animal, including, but not limited to, clean up, stain removal, etc. If a service animal is not "house broken" the service animal will be denied access to school district property.

If, in the opinion of the Superintendent or designee any service animal is out of control in the school setting or during District transportation, the matter shall be immediately reported to local law enforcement. The parent or guardian of the student having custody and control of the service animal will be required to remove the service animal from District premises immediately.
