**McCook School Board Report**  
**December 9, 2024**  
**Special Education Dept., John Hanson, Director**

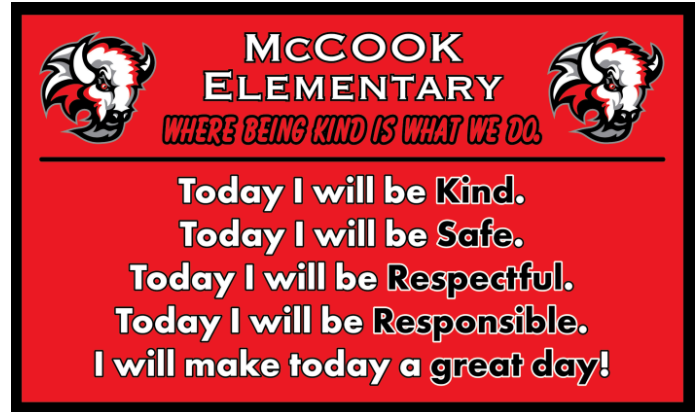

- 1) Whenever a parent requests a special education evaluation for their child to see if they are eligible for special education services, the district has two options:
  - a) Test (after receiving signed parental consent)
  - b) Not test (after providing written documentation detailing why the district is refusing the request-data doesn't support testing, etc...)
- 2) The annual nonpublic sped proportionate share application has been submitted to the NDE portal before the due date December 15th. MPS is currently serving 19 students parentally placed in either homeschool setting, Little Knights preschool and St. Patrick's School K-8.
- 3) Teacher evaluations and special education teacher file reviews are ongoing.
- 4) I took two high school students with disabilities to the McCook Community College Tour Day for area students with IEPs on Nov. 14th. Went well, and MCC did a nice job of showing what they can offer.
- 5) Current 7th grade math teacher Traci Jennings has accepted the JH SPED Behavior Teacher position resigned by Mr. Ron Wolf to start at the latest next school year (2025-26), but possibly January 2025 if we can find a qualified replacement for the 7th grade math teacher position. Mrs. Jennings has her sped teaching endorsement from NDE for program approval and reimbursement purposes.
- 6) We are close to hiring a special education teacher to replace Mrs. Lynne Kinne, HS Life Skills SPED Teacher.

### Central Elementary School Update

#### Veteran's Day

We hosted about 55 Veterans for our 5th annual breakfast. Students personally invite family members/neighbors/friends who are served and they eat breakfast with their special guest. It's a lot of work, but is always a highlight of the year.

#### DARE

Mr. McGuinely will be finishing up next week with 5th grade DARE. This is a way better program than what I remember growing up. Luke does a great job of preparing kids to make good decisions and to think about their consequences.

#### External Visit

We are preparing for our external visit in February. We are trying to highlight the positive and things we need to work on. A sample graphic will be below. These help provide common language among our staff which is a great benefit.

#### NDE Rule 10 Committee

Next week, I'm beginning my State Accreditation Committee term. This will last 3 years and hopefully provide some insight and help guide Rule 10.

#### ELA Textbook Adoption:

We have crossed off 2:4 of our textbooks and I'm now scheduling 2 company to present to us as an ELA team.

**Winter Testing:**

We will be doing MapGrowth and AimsWeb next week and directly after Christmas break. We use these results for our WIN/Rtl groups going forward.

**Collective Responsibility: We believe in our ability to ensure high levels of learning for ALL kids!**

Intervention: 'How' are we going to bridge the gap between what is expected and what is occurring.

Craig Dickes  
McCook Senior High School  
600 W 7th  
McCook, NE 69001

Dear Mr. Dickes,

I am writing to formally resign from my position as McCook Public Schools 6-12 Choir Director, effective at the end of this school year. After careful consideration and lots of prayer, I have accepted an offer to serve as the K-8 Music Director at Saint Patrick's Catholic School in McCook where my daughter attends. This was a difficult decision to make as choral music is truly where my passion lies but I honestly feel that this is the best decision for my family and I at this point in our lives.

I want to express my gratitude in working for McCook Public Schools. It has been a rewarding experience and I have learned so much throughout my 15 years here.

Thank you for your understanding. I am committed to ensuring a smooth transition and will do everything I can to support the school and my students during the remainder of the school year.

Sincerely,  
Abbey McNutt

### **Environmental Considerations:**

Sunscreen

Choose a sunblock that is safe for the water and safe for your skin that is mineral based like Bare Republic, or Reef Safe, or Stream 2 Sea. Any brand **without** oxybenzone, octinoxate, and preservatives (methyl paraben, butyl paraben, and phenoxycyethanol). No aerosols. Learn more

about how sunscreens are killing coral harming our bodies here:  
<https://www.travelandleisure.com/style/beauty/reef-safe-sunscreen>

Your Water Bottle & Single Use Plastics:

Bring a 750ml to 1-liter reusable water bottle with a wide mouth to refill with purified drinking water throughout the trip. We do our best to reduce the amount of single use plastic during the program and you can help by refusing plastic drinking straws, plastic cups, plastic cutlery, and plastic bags.

### **Souvenirs**

Please do not purchase shells, corals, or other marine/aquatic animals living or dead. Many of these items were harvested just to sell to tourists and probably came from China.

No Collecting

Espiritu Santo is a World Heritage Site and marine preserve. Collecting shells, rock, and driftwood is prohibited. Feel free to pick up plastic debris and throw it away.

### **Drinking Water**

Do not drink or brush your teeth with tap water in Mexico. At the hotel, two small bottles of drinking water are in each room. You can refill your personal water bottle at the bar with purified drinking water for no charge. Throughout the trip, purified drinking water will be available for you to refill your personal bottle when needed. A wide mouth water bottle is best for refilling from jugs.

### **Bathrooms**

Do not flush toilet paper. Toilet paper goes in the garbage can next to the toilet. For roadside bathroom stops, have a small kit handy with tissue paper, wet wipes, and hand sanitizer.

### **Laundry**

There is no laundry service available during this trip. Bring items you will wear more than once, and that dry quickly.
