Schuyler Community Schools
SAA Weekly Meeting
Tuesday, November 28, 2017 9:30 AM
Schuyler Administration Meeting @ SMS SPED Office
120 W. 20th St.
Schuyler, NE 68661-2400

I. Discussion Items

**Respect - Responsibility - Effort**

1. **Book Review:** "Tribes" Pages 84-108.

2. **Strategic Planning Update:** Review recommendations for 2018 action plans. Please take the area you were responsible for and set up a time to formalize your recommendations. If there is an area that involves your staff/building, please make sure you contact the administrator responsible for making completing the action plans for submission for board approval. Action plan recommendations must be finalized prior to the end of the semester.

3. **2018-19 Calendar:** I gave the SEA a copy of the 2017-18 school year calendar and asked them to create an initial calendar for the 2018-19 school year. The negotiations team brought their concerns to the board that they did not have enough input on the school calendar. The board committee members told the teachers that the school calendar was not included in the Master agreement, but assured them administration would work with them on the calendar proposal. Dave Gibbons will provide a calendar with corresponding dates for the 2018-19 school year.
