9. **Summer School Staffing and Program Review:** Dr. Gibbons has been working on summer

school programs and staffing. See information below:

I will be hosting meetings on the K-5 Summer STEM Camp on Thursday at 7:30am in the SES library and again Friday at 7:30am in the SES Library. This is for anyone who is considering teaching in July. You only need to attend one meeting.
As a reminder, the pay for teaching is $23/hr. We are hoping to be open 14 days with students. We are planning on continuing the same structure in which we are have one section from 8:00am to 11:00am and then the next section from 12:00pm to 3:00pm. As we get more people involved, we will decide for sure.

10. **Summer School Contracts:** We also offer contracts for the June and July summer school sessions in May. We will need to finalize the list of recommended summer employees and get the contracts handed out before May 1st and back by May 7th so the board can approve these on May 14th.

11. **2017-18 Handbook Changes**: Begin working with your staff on handbook updates and changes for the 2018-19 school year. These must be ready for board approval in June. Any changes to your handbook to coincide with changes from this legislative session or new policy adoption will need to happen in June.

12. **Priority Standards and Proficiency Scales:** Dr. Gibbons will provide an update on progress or possible options for acquiring these scales for each building.

13. **2018-19 Opening Workshops:** Dr. Gibbons asked to have this item put on the agenda. The tech staff is securing speakers/programs to be included in the school opening workshop schedule.
