Spotlighting
Schuyler Community School's
SAA Team

"Bright spots" to share (or report) in September are:

- **The SAA Team is starting its 6th year under the leadership of Dr. Hoesing!**
- **We have started our book study of Leverage Leadership 2.0 as suggested the Priority School Committee.**
- **The 2018 Administrative Days were filled with a select number of powerful speakers and informative breakout sessions.**
- **Dr. Joey Lefdal has joined our team. This opportunity is a win-win for SCS for the reason that he will be able to serve as a set of fresh eyes on the daily action as a school-wide system. With his experiences and suggestions, we could truly help SCS strive, commit and succeed!**

The shining staff member (or program) that I would like to spotlight this month is...Dr. Hoesing!

- **Dr. Hoesing challenges we, administrators, to step out of our comfort zone which has led to enhancements of our already existing programs and expanding into many new programs.**
- **For the past six years, he has had the foresight to select books for our SAA Team to read which has built an array of comprehensive leadership skills.**
- **When our "beloved SCS" is under siege of negative comments and/or negative press, Dr. Hoesing is the first to step up to set the record straight. Yes, he might have our backs, but the true bottom line is...Dr. Hoesing has a strong respect, adoration and is genuinely passionate about our students and families!**
- **He does have an innate talent of knowing when he has loss control of the SAA meeting but let's it happen because he realizes that his team just needs to share a laugh or two!**
