I. Discussion Items

1. **Book Review:** "The Advantage" Pages 132-152: Mr. Comley
2. **Emergency Communication System:** Mr. Droge will be here to discuss his proposal for expanding our reach to the general community.
3. **Flood Response:** We have several families south of the bridge who have an extended commute to school. My recommendation is that we pay first semester mileage in April and then work on second semester mileage to be paid in June. This mileage must be tracked with attendance and the days logged with additional mileage. You are responsible for working with your parents on making this work.

5. **OCR Review:** 2017-18 Civil Rights Data Collection (CRDC) is about 95% complete. Hoping to be done this week.
6. **2018-19 Calendar Discussion:** Principals will need to calculate their school session hours for accreditation. We also need to discuss (5) days taken for inclement weather.
