1. **Probationary Teacher Evaluations:** All probationary teachers are required to have one full observation and evaluation completed during each semester of their first three years. This observation must be for a full-class period.

2. **Administration Growth Plans:** Dr. Gibbons has informed me that he has worked with each of you to complete your growth plans for the 2019-20 school year. If you want to make any changes to these plans, I will be meeting with each of the administrators to review these plans and make adjustments where necessary.

3. **Strategic Plan Review:** Final review of 2019 progress.

4. **Thoughtexchange:** Review agenda and topics for discussion.

5. **Health Screens:** Postponed to January 20th.

6. **2020-21 Calendar**: Dave created a draft of the 2020-21 School Calendar. We will begin discussion on this calendar in December.
