Superintendent Report for May 2024

ESSER III Funds

- After the security camera projects, curriculum purchases, and summer school expenses we will be left with around \$54,000 in ESSER III funds.
- One thing the board could consider is the purchase of a Ford Expedition. The COVID connection is the additional vehicle that would allow for social distancing if that were necessary when transporting students. This would allow us to stay on track with our vehicle rotation schedule and also save money in our vehicle savings account.
 - I attached quotes for a basic 2024 model. One quote includes 4-wheel drive and the other does not.
 - Kenesaw Motors recommends waiting a couple of months and reaching out again in July to get pricing for a 2025 model.

Wheel Chair Lift

- A consultant from the wheelchair lift company came out to do a pre-service inspection with Seth. After looking at the current lift again, he has reservations about turning that into the platform. He said he can't guarantee it would be up to code. His concern is that perhaps at some safety inspection, we would be asked to replace it. He told Seth that the original plan was to pay about \$1,000 in material costs and free labor to build up the platform. He said if we could find another \$2,000 we could purchase a platform for \$3,000 that is up to code and ensure the project is done correctly.
 - Cornerstone bank donated \$4,500 for the score table, but because the cost was lower than originally planned (\$500 for the used table, and then costs to replace the mascots) we would likely have at least \$3,000 left of that donation to put in a new platform.

Respectfully submitted,

Dr. Gannon

SUPERINTENDENT'S CONTRACT OF EMPLOYMENT SHELTON PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Shelton Public Schools**, legally known as **Buffalo County School District 10-0019**, and referred to as "the Board" and "the District" respectively, and Shanna Gannon, referred to herein as "the Superintendent". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Superintendent shall be employed for a period of one year(s) beginning on July 1, 2024, and expiring on June 30, 2025. References to "contract year" shall mean the period from July 1st through June 30th and shall consist of all days except Saturdays and Sundays and any holidays included on the School District calendar or leave days listed in Section 11.

Section 2. Renewal of Contract. If a Board representative does not inform the Superintendent in writing on or before **the seventh day after the regular January 2025 board meeting (and each January thereafter)** of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of **one year** from and after the expiration date provided in Section 1 of this contract. The Superintendent shall remind the Board in writing of this provision no later than **its regular December meeting** of each year of this contract and shall make the renewal of the Superintendent's employment contract an agenda item for the regular **January** board meeting during each year of this contract. At the time of each contract renewal and/or amendment, the Superintendent shall be responsible for taking all necessary steps to ensure that the District has complied with the Superintendent Pay Transparency Act.

Section 3. Salary. The Superintendent's salary for the 2024-2025 contract year shall be \$132,000.00 which shall be paid in 12 equal monthly installments beginning in the month of July 2024. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation and shall be subject to the School Employees Retirement Act. The Superintendent

authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The District shall withhold other deductions as the Superintendent and Board may agree.

Section 5. Professional Status. The Superintendent affirms that the Superintendent is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, the Superintendent will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which the Superintendent will register and maintain on file in the District's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that the Superintendent registers the certificate. The Superintendent represents that: (1) all information provided in connection with the Superintendent's application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, the Superintendent will advise the Board immediately; (2) the Superintendent has never been convicted of or plead no contest to a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) the Superintendent has not had any professional licenses or certificates suspended or revoked.

Section 6. Superintendent's Duties. The Superintendent's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Superintendent agrees to devote the Superintendent's time, skill, labor and attention to all required duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns. By agreement with the Board, the Superintendent may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out the Superintendent's duties and obligations to the District.

Section 7. Board-Superintendent Relationship. The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the District and shall be responsible for implementing Board policy. The Superintendent shall organize the administrative and supervisory staff, and select, place, and

transfer personnel with the concurrence of the Board. The Superintendent is responsible for administering the instruction of students and the business affairs of the District. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study and/or recommendation, as appropriate.

Section 8. Cancellation or Mid-Term Amendment. The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of the Superintendent's duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying District records or documents; (p) misrepresentation of fact to the District and its personnel in the conduct of its official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the District except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with the obligations in the Renewal of Contract or Evaluation provisions of this contract shall constitute a material breach of this contract.

Section 9. Disability. If the Superintendent is unable to perform any of the Superintendent's duties by reason of illness, accident or other disability beyond the Superintendent's control, and the disability continues for a period longer than his or her accumulated sick leave, or if the disability is permanent, irreparable, or of such a nature as to make performance of the Superintendent's duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the District.

Section 10. Transportation. The Board shall provide the Superintendent with transportation or reimburse the Superintendent for mileage required in the performance of official duties at the rate approved by the Board.

Section 11. Fringe Benefits. The Board shall provide the Superintendent with the following fringe benefits:

- a. Health Insurance.** Health insurance that is available to certificated staff through the District's health insurance carrier at the level for which the Superintendent qualifies.
- b. Dental Insurance.** Dental insurance that is available to certificated staff through the District's health insurance carrier at the level for which the Superintendent qualifies.
- c. Life Insurance.** Term life insurance with a total death benefit of Fifty-Thousand Dollars (\$50,000) .
- d. Disability Insurance.** The Superintendent shall purchase long-term disability insurance from the District's carrier at the Superintendent's own expense.
- e. Sick Leave.** The Superintendent shall be entitled to thirteen (13) days of sick leave per year which may accumulate to a total of forty (40) days. Sick leave may only be used for personal illness or as otherwise provided in District policy. If the Superintendent qualifies for disability pay under the long-term disability policy, the Superintendent shall be required to take the disability pay instead of sick leave pay. The Superintendent shall keep complete and accurate records of sick days accrued and used and shall provide the Board with a report of accumulated sick days at least quarterly and upon request. The Superintendent shall not be compensated for unused days of sick leave upon the ending of employment with the District.
- f. Vacation.** The Superintendent shall have twenty (20) vacation days for the initial contract year which the Superintendent may use at times the Superintendent chooses so long as the absence does not interfere with the proper performance of the Superintendent's duties. Any extended vacation period while school is in session will require advance approval by the Board, and the parties will

cooperate in arranging vacation time so as to cause the least inconvenience to the normal operation of the District. After the initial contract year, the Board shall give the Superintendent the number of vacation days necessary to restore the total to twenty (20) days. For example, if the Superintendent uses 12 days of vacation one year, the Board will provide the Superintendent with 12 days the following year to bring the total vacation days back to 20. The Superintendent shall develop a system for recording use of vacation days and shall keep such records current and on file in the District's central office. The Superintendent shall keep complete and accurate records of all vacation days and shall provide the Board of Education with a report of accumulated vacation days at least quarterly and upon request. The Board may require the Superintendent to use vacation days and shall compensate the Superintendent for unused vacation days upon the conclusion of employment at a rate of **\$100.00** per day.

- g. Professional Development.** The Superintendent is expected to continue and seek professional development and to participate in relevant learning experiences. With the approval of the Board, the Superintendent may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Superintendent attends a national convention and does not return following the initial year of employment as Superintendent, the Superintendent agrees to repay the District in full for national convention expenses paid by the District.
- h. Professional Dues.** The District will pay the annual dues for the Superintendent's membership in the following organizations: Nebraska Council of School Administrators (NCSA) and _____.
- i. Expense Reimbursement.** The Board shall pay or reimburse the Superintendent for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201

et seq.) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is \$750.00 or more.

- j. Moving Expenses.** The Superintendent shall be reimbursed up to \$3,000 for all actual and necessary moving expenses for which he or she provides documentation.

Section 12. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 13. Compensation Upon Termination and Credit for Accrued Vacation. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary paid but not earned prior to the date of termination of this contract.

Section 14. Evaluation. The Board shall evaluate the Superintendent twice during the Superintendent's first year of employment and at least once each year thereafter. The first evaluation during the first year of employment and the yearly evaluations after the first year of employment shall occur no later than the **regular December meeting**. The Superintendent shall: remind the Board members in writing of this provision no later than its **regular November meeting**; make the Superintendent evaluation an agenda item for the regular **December** Board meeting during each year of this contract; and provide the Board members with the written evaluation instrument that is on file with the Nebraska Department of Education.

Section 16. Legal Actions. The Board will support the Superintendent if there is a legal dispute caused by carrying out the Superintendent's duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of the Superintendent's performance of duties or position as the Superintendent of the District, the Board will provide the Superintendent with a legal defense to the maximum extent permitted by law so long as the

Superintendent acted in good faith and in a manner which the Superintendent reasonably believed to be in or not opposed to the best interests of the District and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the Superintendent's conduct was unlawful.

Section 17. Physical or Mental Examination. The Superintendent agrees that, at the request of the Board, the Superintendent will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this contract. In deference to the requirements of state and federal law, the physician's report to the Board must address whether the Superintendent is able to perform the "essential functions" of the position.

Section 18. Disciplinary Action. The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same when the Board president determines it is in the best interests of the District to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting. The Board may suspend the Superintendent without pay for a period not to exceed thirty (30) working days. Prior to suspending the Superintendent without pay, the Board president or secretary shall deliver a written notice to the Superintendent advising the Superintendent of the alleged reasons for the proposed action and provided the opportunity to present the Superintendent's version of the facts. Within seven calendar days after receipt of such notice, the Superintendent may make a written request to the secretary of the school board for a due process hearing under section 79-832. If such a request is not delivered within such time, the action of the Board shall become final.

Section 19. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.

Section 20. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Superintendent and the Board.

Section 21. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

IN WITNESS WHEREOF, the parties have executed this contract on the dates indicated below.

Minimum Hours Rule 10

We dismissed 2.5 hours early Monday, May 6, 2024 due to forecasted severe weather that was supposed to hit around dismissal time. This does put us 2.5 hours below the minimum standard. After emailing the Rule 10 director at NDE, he said the school board can sign an affidavit permitting us to end the year without making those hours up. Typically, I would say we should make-up hours when we fall below the minimum, but because this is happening so close to the end of the school year, it may be difficult for families to adjust.

The board has 3 options:

1. Extend the school day next week. Basically, we would need to add about 4 minutes to each period for the high school for 5 days to make up the 2.5 hours.
2. Come on Wednesday, May 22 for 2.5 hours.
3. Board signs an affidavit stating they will allow us to fall below the minimum number of instructional hours due to the tight timeline of school being dismissed for summer.

AFFIDAVIT

STATE OF NEBRASKA)
) ss.
COUNTY OF BUFFALO)

- 1. My name is Lisa Stewart. I am a school board member at Shelton Public Schools. More specifically, I am the secretary of the school board.
- 2. I am submitting this affidavit pursuant to NEB. REV. STAT. § 79-213.
- 3. As a board member, I am generally familiar with the requirement that a school year for elementary grades (other than Kindergarten) include at least 1,032 instructional hours and that a school year for high school grades include at least 1,080 instructional hours.
- 4. Due to school dismissals caused by severe storm conditions during the 2023-24 school year, the school district is unable to meet the instructional hours requirement during the allotted school days and hours as agreed between Shelton Public Schools and the Shelton Education Association. I also have concerns about the ability of families to adjust their schedules to an extended school year this close to the end of the school year. The school district will be 2.5 hours short of each instructional hour requirement.
- 5. On behalf of Shelton Public Schools, I hereby request permission from the Nebraska State Board of Education to offer 1,029.5 instructional hours for elementary grades (other than Kindergarten) and 1,077.5 instructional hours for all high school grades for the 2023-24 school year.

Further affiant sayeth not.

Return To School Plan

The purpose of this document is to outline the protocols Shelton Public Schools will follow for in-person learning in the 2023-24 school year. The return-to-school protocols were created to create a safe and predictable environment that can be used by parents, students, staff, and the community during the COVID-19 pandemic. **The district realizes that COVID-19 is unpredictable and as a result, these protocols may need to be modified as needed to ensure the safety of all staff, students, and patrons.**

Participants in the focus group used to develop the Return to School Plan include:

Megan Schnerigner- School Psychologist
Matt Walter- K-12 PE/7-12 History
Ryan Province- 7-12 Business/Athletic Director
Seth Jensen- Head Custodian/ Transportation
Stephanie Flint- Guidance Counselor
Jeanne Pope- Technology and Assessment Coordinator
Jackie Cornelius- School Nurse
Joni Thornburg- Elementary Teacher
Sue Bombeck- Former Head of Nutrition Services
Sandy Sutton- Office Manager
Jeff Kenton- PK-6 Principal
Jenette Meyer-Secondary Principal

Maintaining Health and Safety

Mitigation strategies listed below are required in the District's plan. By checking the box before each time, Shelton agrees to include information in the plan to address the components listed below:

- ✓ Universal and correct wearing of masks
- ✓ Modifying facilities to allow for physical distancing (e.g., including using of cohorts/podding)
- ✓ Handwashing and respiratory etiquette
- ✓ Cleaning and maintaining healthy facilities, including improving ventilation
- ✓ Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments
- ✓ Diagnostic and screening tests
- ✓ Efforts to provide vaccinations to school communities
- ✓ Appropriate accommodations for children with disabilities with respect to health and safety policies
- ✓ Coordination with state and local health officials. In the event of respiratory illness symptoms, the recommendation is to stay home until symptoms are resolved and the individual is fever-free for 24 hours. Including the need for support and technical assistance to implement strategies consistent to the greatest extent possible, with relevant CDC guidance.

Universal and Correct Wearing of Masks

Green, yellow, orange, and red will be based on the percentage of students and staff absent due to any illness for a three-day period. Anyone with an alternate diagnosis from a doctor or a COVID-19 negative test will not be counted in the illness percentages. In the event that a new variant becomes a threat, this plan and protocols will be revisited.

0% people absent due to illness	2% people absent due to illness	4% people absent due to illness	5% people absent due to illness
In the green zone, students and staff are not required to wear masks but may do so if they choose.	In the yellow zone, students and staff will be encouraged to wear masks, but not required.	In the orange zone students will socially distance when possible and masks are recommended but not required.	In the red zone, students and staff will be highly recommended to mask at all times in school and at school activities.

Modifying Facilities to Allow For Physical Distancing

Students will not be cohorted or socially distanced unless there is a significant increase of COVID-19 cases in our area.

In the green zone, students and staff will not be required to socially distance.	In the yellow zone, students and staff will be encouraged to maintain social distance when eating food, singing, or while not wearing masks.	In the orange zone, students and staff will be encouraged to maintain social distance whenever possible.	In the red zone, students and staff will be encouraged to maintain social distance when eating food or singing if unmasked.
--	--	--	---

Handwashing and Respiratory Etiquette

In the green zone, students and staff will be encouraged to frequently wash/sanitize hands. Hand sanitizer will be available in all classrooms and common areas.	In the yellow zone, students and staff will be encouraged to frequently wash/sanitize hands. Hand sanitizer will be available in all classrooms, common areas, and as students enter the building.	In the orange zone, students and staff will be encouraged to frequently wash/sanitize hands. Hand sanitizer will be available in all classrooms, common areas, and as students enter the building.	In the red zone, students and staff will be encouraged to frequently wash/sanitize hands. Hand sanitizer will be available in all classrooms, common areas, and as students enter the building.
--	--	--	---

Cleaning and Maintaining Healthy Facilities

In the green zone, students and staff will have access to disinfectant spray in the classroom to clean and sanitize classroom furniture and materials as needed.	In the yellow zone, staff and students will disinfect desks and other high touch surfaces between classes. Custodians will spray classrooms with the disinfectant sprayer daily.	In the orange zone, staff and students will disinfect desks and other high touch surfaces between classes. Custodians will spray classrooms with the disinfectant sprayer daily.	In the red zone, staff and students will disinfect desks and other high touch surfaces between classes. Custodians will spray classrooms with the disinfectant sprayer daily.
--	--	--	---

Contact Tracing And Quarantine

Shelton Public Schools will work with local health departments to assist with contact tracing as needed. Students and staff testing positive for COVID-19 will stay home until symptom-free.

Students or staff who come in direct contact with someone who has tested positive for COVID-19 at school will be notified and should be monitored for symptoms. If students or staff begin to experience symptoms they will stay home and follow the isolation protocol.

Isolation Protocol is defined as:

Any student or staff member who has a positive diagnosis of COVID-19, or is exhibiting symptoms of COVID-19 following direct exposure to a person who tested positive for COVID-19, will be excluded from school for a **minimum** of 5 days following the onset of symptoms or a positive test for COVID-19 unless a negative COVID-19 test is provided from a doctor. If symptoms are present, Day 0 of isolation is the day of symptom onset, regardless of when you tested positive; Day 1 is the first full day after your symptoms started. If you have no symptoms present, Day 0 is the day you were tested (not the day you received your positive test result); Day 1 is the first full day following the day you were tested. If you develop symptoms within 10 days of when you were tested, the clock restarts at day 0 on the day of symptom onset.

If you have symptoms and your symptoms are improving, you may end isolation and return to school after day 5 if you are fever-free for 24 hours without the use of fever-reducing medication. If your symptoms are not improving, continue to isolate until you are fever-free for 24 hours without the use of fever-reducing medication and your symptoms are improving. If you had no symptoms but had a positive test result, you may end isolation after day 5.

If a household member is positive all members of the household should monitor for symptoms and stay home if they begin to show symptoms.

Diagnostic and Screening Testing

Shelton Public Schools will not provide or conduct testing for COVID-19.

Appropriate Accommodations For Children With Disabilities

Students' IEP teams will determine appropriate accommodations for students with disabilities and communicate those to the student's educational team as appropriate.

Efforts To Provide Vaccinations to School Communities

Shelton will work with local health departments to provide a location for health departments to administer COVID-19 vaccinations as well as use district communication platforms to share information regarding vaccine clinics to the school community. Students and staff will not be required to be vaccinated.

Coordination With State and Local Health Officials

Shelton Public Schools will work in cooperation with state and local health officials. The superintendent will attend webinars put on by the Governor, Education Commissioner, and Two Rivers Health Department to stay abreast of current information.

Ensuring Continuity of Services

Shelton will ensure continuity of services by providing in-person instruction. The school calendar will continue to serve as a guide to indicate when school is in session. Students will be expected to attend school in person on the days when school is in session unless they are home due to illness.

In addition, Shelton has purchased high-quality instructional materials that offer virtual access for students who need to learn from home at any point during the school year. These high-quality instructional materials also provide opportunities for acceleration to support students who may have gaps in their knowledge. All students will have equitable access to rigorous grade-level content.

Beginning in the fall of the 2021-22 school year and each year after, 7th graders will complete a study skills course that not only supports their transition to secondary education but also teaches them important skills for both in-person and virtual learning. The purpose of this course is to give students the necessary skills to be well organized, prepared to ask questions in class, study in effective ways, and have ownership of their progress and learning.

Public Comment Requirements

The plan is reviewed every 6 months during a monthly board of education meeting at which time the public is welcome to give feedback on the plan during the public comment period.

Uniform Format

Shelton ensures this plan is in an understandable and uniform format by using the template provided by the Nebraska Department of Education. This plan will be posted on the website in both English and Spanish to ensure that it is easy for all parents and students to access. Any parent who wishes to have the plan explained to them verbally may schedule a meeting with district administrators and a translator will be provided if needed.

"IP Rights" means, collectively, rights under patent, trademark, copyright, and trade secret laws, and any other intellectual property or proprietary rights recognized in any country or jurisdiction worldwide. Customer must

promptly notify Amplify of any violation of Amplify's IP Rights in the Products, and will reasonably assist Amplify as necessary to remedy any such violation. Amplify Products are protected by patents (see [amplify.com/virtual-patent-marking](https://www.amplify.com/virtual-patent-marking)).

5. Payments. In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer will be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.

6. Shipments. Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported to Amplify by Customer within 60 days of receipt. In such case, Customer may not return Products without Amplify's written authorization.

7. Account Information. For subscription Products, the authentication of Authorized School Users is based in part upon information supplied by Customer or Authorized School Users, as applicable. Customer will and will cause its Authorized School Users to (a) provide accurate information to Amplify or a third-party service as applicable, and promptly report any changes to such information, (b) not share login credentials or otherwise allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized School Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized School Users.

8. Confidentiality. Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized School Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how, or trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

9. Student Data. The parties acknowledge and agree that in the course of providing the Products to the Customer, Amplify may collect, receive, or generate information that directly relates to an identifiable current or former student of Customer ("Student Data"). Student Data may include personal information from a student's "educational records," as defined by the Family Educational Rights and Privacy Act of 1974 ("FERPA"). Student Data is owned and controlled by the Customer and Amplify receives Student Data as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Individually and collectively, Amplify and Customer agree to uphold our obligations, as applicable, under FERPA, the Children's Online Privacy Protection Act ("COPPA"), the Protection of Pupil Rights Amendment ("PPRA"), and applicable state laws relating to student data privacy. Amplify's [Privacy Policy](https://www.amplify.com/customer-privacy) at [amplify.com/customer-privacy](https://www.amplify.com/customer-privacy) ("Privacy Policy") will govern collection, use, and disclosure of Student Data collected or stored on behalf of Customer under this Agreement. Customer is responsible for providing notice and obtaining appropriate consents under applicable laws to authorize Authorized School Users' use of the Products, including making a copy of the [Privacy Policy](https://www.amplify.com/customer-privacy) available to the parents or guardians of users who are under the age of 13. In addition, Amplify has entered into the Data Privacy Agreements listed at [amplify.com/privacy-security](https://www.amplify.com/privacy-security) aligned with state and national templates to facilitate compliance with applicable state laws and help expedite Customer's student data privacy documentation process.

10. Customer Materials and Requirements. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized School Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at [amplify.com/customer-requirements](https://www.amplify.com/customer-requirements).

11. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE

ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD-PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS, OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD-PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD-PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE, AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. **Limitation of Liability.** IN NO EVENT WILL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE, OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, MAY NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12-MONTH PERIOD. UNDER NO CIRCUMSTANCES WILL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. **Term/Termination.** This Agreement will be in effect for the Term and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity, or otherwise, a party will have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized School User) materially breaches any term, provision, warranty, or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge, or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible for the cost of any continued use of the Products following termination. Upon termination, Amplify will return or destroy any Student Data provided to Amplify hereunder. Notwithstanding the foregoing, nothing will require Amplify to return or destroy any data that does not include Student Data, including de-identified information or data that is derived from access to Student Data but which does not contain Student Data. Sections 3–14 will survive the termination of this Agreement.

14. **Miscellaneous.** This Agreement, including all addenda, attachments, and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement will supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and will supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement will apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement will be governed by and construed and enforced in accordance with the laws of the U.S., state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement will constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized School User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement will for any reason be held to be unenforceable at law, such provisions will be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify will have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, pandemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network. Each party represents and warrants that it has all necessary right, power, and authority to enter into this Agreement and to comply with the obligations hereunder.

We are delighted to work with you and we thank you for your order!

Policy 3032: Selection and Review of Library Media

The board approves curriculum and curriculum-related materials for the district with input from administrators and staff. Those processes are covered in other board policies. Staff members seeking to procure materials for use during instruction must follow board policy, practices, and directives. Those items are not covered by this policy.

The district procures library books and other media available to students that are not part of a specific class or curriculum. For purposes of this policy, those will be called library materials. This policy addresses the selection and review of library materials, regardless of their source. This policy applies regardless of whether library materials are purchased using district funds, donated, or shared at no cost to the district.

No Right to Materials. The board supports having excellent educational opportunities for students, including the availability of library materials used to enrich the educational experience. However, the board and administration are responsible for considering materials based on a variety of factors and legal obligations. There is no right to force any material to be included or excluded. Staff requesting library materials do so only within the course and scope of their employment with the district.

Selection Process. The selection and approval of new library materials must comply with the district's general requisition, donation, and budgeting requirements. To ensure materials selected are appropriate for the district's students and consistent with the district's legal obligations, the following process applies to the selection of library materials.

[OPTION 1: PRINCIPAL OR SUPERINTENDENT REVIEW] The school librarian, media specialist, or any individual requesting library materials is responsible for submitting the request in writing to the building principal or to the superintendent if there is no principal assigned to the building. The request must include the following

1. Name of the book, material, or resource;
2. The author, publisher, and supplier of the material;
3. The physical medium (*i.e.*, book, magazine, video, game, digital subscription, etc.);
4. The cost of the material;
5. A summary of the content of the material, including how it supports age-appropriate learning objectives, enriches the curriculum, and/or supports student development and learning;
6. The material's accolades, such as presence on best seller lists, awards won, and recommendations from professional library journals and organizations with a focus on K-12 school library materials; and
7. Whether any of the content in the material represents a perspective that may not be universal, such as a political, religious, or social perspective for which disagreement or differences of opinion exist. The summary should include a description of these items.

The building principal or superintendent will review the library material request and inform the requester whether the material will be accepted or denied. Materials which require expenditure of district funds will be processed consistently with the district's purchasing and procurement policies and practices. There is no appeal from this determination.

[OPTION 2: COMMITTEE REVIEW] The superintendent will establish a library material review committee on an as-needed basis, consisting of at least one administrator, one teacher, and the librarian or media specialist. If the district has no assigned librarian or media specialist, then the committee will include two administrators and a teacher. The superintendent may appoint any teacher he or she deems appropriate based on availability and expertise related to the requested materials.

The school librarian, media specialist, or any individual requesting inclusion of library materials is responsible for submitting the request in writing to the library material review committee. The request must include the following

1. Name of the book, material, or resource;
2. The author, publisher, and supplier of the material;
3. The physical medium (*i.e.*, book, magazine, video, game, digital subscription, etc.);
4. The cost of the material;
5. A summary of the content of the material, including how it supports age-appropriate learning objectives, enriches the curriculum, and/or supports student development and learning;
6. The material's accolades, such as presence on best seller lists, awards won, and recommendations from professional library journals and organizations with a focus on K-12 school library materials; and
7. Whether any of the content in the material represents a perspective that may not be universal, such as a political, religious, or social perspective for which disagreement or differences of opinion exist. The summary should include a description of these items.

The committee will review the requested materials within the timeframe established by the superintendent. In the event the committee does not agree on a particular request, the administrator makes the final determination. There is no appeal from this determination.

[OPTION 3: BOARD COMMITTEE REVIEW—DISCOURAGED, BUT LAWFUL]. The school librarian, media specialist, or any individual requesting library materials is responsible for submitting the request in writing to the superintendent. The superintendent will review the request(s) with the curriculum committee of the board, who will make a recommendation to the board for approval or denial of the request.

The request must include the following:

1. Name of the book, material, or resource;
2. The author, publisher, and supplier of the material;
3. The physical medium (*i.e.*, book, magazine, video, game, digital subscription, etc.);
4. The cost of the material;

5. A summary of the content of the material, including how it supports age-appropriate learning objectives, enriches the curriculum, and/or supports student development and learning;
6. The material's accolades, such as presence on best seller lists, awards won, and recommendations from professional library journals and organizations with a focus on K-12 school library materials; and
7. Whether any of the content in the material represents a perspective that may not be universal, such as a political, religious, or social perspective for which disagreement or differences of opinion exist. The summary should include a description of these items.

There is no appeal from the determination of the board.

Requested Review of Library Materials. A concerned parent of a current student or patron living within the school district boundaries may request the review of a specific library material (*i.e.*, a specific book, magazine, etc.) or a portion of a specific library material. The parent or patron must first discuss their concern with the building principal and explain their concern regarding the library material. If there is no principal assigned to that building, the parent or patron should discuss their concern with the superintendent. The board believes most concerns will be resolved in this manner.

[OPTION 1: SUPERINTENDENT REVIEW] If the parent or patron is dissatisfied after the informal review and discussion with the relevant administrator, they may request a review in writing. To request a review, the individual must complete the Library Material Review Request form and submit it to the superintendent.

The superintendent will review the request within a reasonable time after receiving it. The superintendent may consult with the school's librarian or media specialist, staff, and legal counsel at his or her discretion. The superintendent may decide to remove the material, keep the material, restrict access to the material to students based on age or grade level, or make any other determination the superintendent deems appropriate. The superintendent's decision regarding the review will be communicated to the requester in writing.

The decision of the superintendent is final, and the board will not hear any appeal regarding the review of library material.

[OPTION 2: BOARD COMMITTEE REVIEW] If the parent or patron is unsatisfied after the informal review and discussion with the relevant administrator, they may request a review in writing. To request a review, the individual must complete the Library Material Review Request form and submit it to the superintendent.

The superintendent will review the request with the board curriculum committee within a reasonable time after receiving it. The committee may consult with or seek input from the school's librarian or media specialist, staff, and legal counsel at its discretion. The committee will make a recommendation to the board to remove the material, keep the material, restrict access to the material to students based on age or grade level, or make any other determination or recommendation the committee deems appropriate. The board will review the request, consider the committee's recommendation, and make a determination regarding the requested review. The

decision regarding the review will be communicated to the requester in writing by the superintendent.

The decision of the board is final, and there is no appeal regarding the review of library material.

Additional Rules for Library Media Review. Unless the superintendent decides otherwise, the library material will remain in circulation while a review is pending. Unless otherwise required by law, no library material will be reviewed again within 4 years after a requested review is completed. Any parent or patron requesting review of multiple library materials may only request a maximum of 5 materials to be reviewed at one time, and a new request cannot be submitted until the prior review is completed and notice of the determination is provided to the requesting party. Nothing in this policy prohibits the superintendent or their designee from reviewing library material outside of the review process contained in this policy and taking any action the superintendent or their designee deems appropriate.

POLICY ~~7030~~ 7028: STAFF INTERNET AND COMPUTER USE

Internet access is an important tool for communicating, keeping up-to-date with current developments in education, and for conducting research to enhance management, teaching, and learning skills. The following procedures and guidelines are intended to ensure appropriate use of the Internet at the school by the district's faculty and staff. Staff should also refer to the district's policy on Staff and District Social Media Use.

I. Staff Expectations in Use of the Internet

Acceptable Use While on Duty or on School Property

Staff shall be restricted to using the Internet to conduct research for instructional purposes.

Staff may use the Internet for school-related e-mail communication with fellow educators, students, parents, and patrons.

Staff may use the Internet in any other way which serves a legitimate educational purpose and that is consistent with district policy and good professional judgment.

Teachers should integrate the use of electronic resources into the classroom. As the quality and integrity of content on the Internet are not guaranteed, teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter on the Internet.

Unacceptable Use While on Duty or on School Property

Staff shall not access obscene or pornographic material.

Staff shall not engage in any illegal activities on school computers, including the downloading and reproduction of copyrighted materials.

Staff shall not use school computers or district internet access to use peer-to-peer sharing systems such as BitTorrent, or participate in any activity which interferes with the staff member's ability to perform their assigned duties.

The only political advocacy allowed by staff on school computers or district internet access is that which is permitted by the Political Accountability and Disclosure Act and complies with district policy.

Staff shall not share their passwords with anyone, including students, volunteers or fellow employees.

II. School Affiliated Websites

Staff must obtain the permission of the administration prior to creating or publishing any school-affiliated web page which represents itself to be school-related, or which could be reasonably understood to be school-related. This includes any website that identifies the school district by name or that uses the school's mascot name or image.

Staff must provide administrators with the username and password for all school-affiliated web pages and must only publish content appropriate for the school setting. Staff must also comply with all board policies on their school-affiliated websites and must comply with the board's policy on professional boundaries between staff and students at all times and in all contexts.

Publication of student work or personality-identifiable student information on the Internet may violate the Federal Education Records Privacy Act. Staff must obtain the consent of their building principal or the superintendent prior to posting any student-related information on the Internet.

III. Enforcement

Methods of Enforcement

The district owns the computer system and monitors e-mail and Internet communications, Internet usage, and patterns of Internet usage. Staff members have no right of privacy in any electronic communications or files, which are stored or accessed on or using school property and these are subject to search and inspection at any time.

1. The district uses a technology protection measure that blocks access to some sites that are not in accordance with the district's policy. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum-related pages.
2. Due to the nature of technology, the filter may sometimes block pages that are appropriate for staff research. The system administrator may override the technology protection measures that blocks or filters Internet access for staff access to a site with legitimate educational value that is wrongly blocked.
3. The district will monitor staff use of the Internet by monitoring Internet use history to ensure enforcement of this policy.

B. Any violation of school policy and rules may result in that staff member facing:

1. Discharge from employment or such other discipline as the administration and/or the board deem appropriate;

2. The filing of a complaint with the Commissioner of Education alleging unprofessional conduct by a certified staff member;
3. When appropriate, the involvement of law enforcement agencies in investigating and prosecuting wrongdoing.

IV. Off-Duty Personal Use

School employees may use the internet, school computers, and other school technology while not on duty for personal use as long as such use is (1) consistent with other district policies, (2) consistent with the provisions of Title 92, Nebraska Administrative Code, Chapter 27 (Nebraska Department of Education “Rule 27”), and (3) is reported as compensation in accordance with the Internal Revenue Code of 1986, as amended, and taxes, if any, are paid. All of the provisions of Rule 27 will apply to non-certificated staff for the purposes of this policy. In addition, employees may not use the school’s internet, computers, or other technology to access obscene or pornographic material, sext, or engage in any illegal activities.

Item	Quantity	Last Day of Use	Working?	Recommendation	Notes
Hand Saws	10	Prior to 2016	Yes	Sell or Toss	Some of the wood handles are engraved with "Shelton" - not sure if that would make them appealing to some or not.
Vertical Panel Saw	1	Prior to 2016	Unknown	Sell	Never been used since the start of the ag program, new saw like this sells for \$2100 online https://safetyspeed.com/products/machines/vertical-panel-saws/6480-20c-vertical-panel-saw/
Metal Chop Saw	1	2024	Yes	Replace	Used frequently but very much out of date - concerned for student safety
Millermatic MIG Welder	1	2022	Yes	Sell	With only three welding booths and 2-4 students per welding class, we don't necessarily need three MIG welders, two is sufficient. Custodial staff has expressed interest in having this in their garage area.
RAM Co Shop Press	1	Prior to 2016	Unknown	Sell	Never been used - honestly because I don't know how or what to use it for.
large grinding wheel	1	2022	Yes	Replace	Could have use if it didn't compete with electrical outlet capacity
Air Hose Reel	1	2023	No	Replace	This was on the list for last year with the air compressor but was never replaced, still is patched together with duct tape.
Small grinding wheel	1	2024	Yes	Replace	Guards are falling off/non-existent. This is a need for TIG welding which we have been doing more of (needed to grind the Tungsten electrode)
Miller ARC Welder	1	2024	yes	Replace	Works, but not nearly as well as our Lincoln TIG/ARC welder. Could eventually benefit from purchasing another of those eventually to have more capabilities.
Marquette ARC Welder	2	Prior to 2016	Unknown	Sell or Toss	No idea if these work - VERY outdated and taking up space
OxyAcetylene Torch	1	2020	yes	Sell	Cart does not work - needs replaced. Miss Horak feels uncomfortable using this type of equipment so it goes unused- would prefer the plasma torch. Custodians have expressed interest in having it for their use.
DeWalt Chop Saw	2	Prior to 2016	Yes	Sell	These work as far as I know - no need to have 3 when we don't have woodworking.
Delta Band Saw	1	Prior to 2016	No	Toss	Seth tried to fix this when I first got here - motor is bad.
Dewalt Scroll Saw	1	2021	No	Toss	Last time that a student was using it, it stopped working and hasn't been able to turn on since.
Rikon Lathe	1	2021	Yes	Sell	Works - but not something that I'm teaching or that I'm incredibly comfortable teaching. Hasn't been used since Jacob Snyder graduated.
Rockwell Wood Jointer	1	Prior to 2016	Unknown	Sell or Toss	No Idea if this works - I don't even know how to use it.
Rockwell Delta Wood Sanding Machine	1	2021	Yes	Sell or Toss	Works but students have to physically push on the sanding belt to get it to go - we've tried to fix it but have had no luck. Not much need without woodworking but every now and then it has had it's use.
Delta Drill Press	1	Prior to 2016	Unknown	Sell or Toss	We have another drill press so we've never tried or needed this second one.
Rockwell Lathe	1	Prior to 2016	Yes	Sell or Toss	No need for a large lathe - Ms. Horak thinks they are dangerous so students do not use.
Antique Smoothing Planes	6	Prior to 2016	Yes	Toss	No use for these - not sure if there is a market for them.
Dewalt Planing Machine	1	2020	Yes	Sell or Toss	Works but falling apart in places
Corded Power Tools	Many	2020	Yes	Sell or Toss	These work, but not well.
