Superintendent Report for June 2025

July Board Meeting

- I would recommend holding the annual policy hearings for the parent involvement policies, as well as student fees. In previous years, we began the hearings at 7:30 with the regular board meeting immediately following.
- The KSB policy changes will also be ready for the July meeting. With our full policy subscriptions, we also get all the handbook changes that align with the policy changes.

June Reporting

- **I will finalize the following:**
 - Consolidated Data Collection for NDE due June 15
 - ADVISER Data Collection submitted June 15 and approved by June 30th
 - SPED IDEA Consolidated Grant due June 30th

Final Report:

Thank you again for the opportunity to be a part of the Shelton Staff. I leave with so many fond memories of my time in Shelton. I will cherish all of the wonderful relationships and memories.

Respectfully submitted,

Dr. Gannon

Re: Board Report

Summer school at Shelton Elementary is off to a productive start. We invited 41 students to participate in our summer learning program, with a focus on strengthening the fundamentals of reading, writing, and math. These core skills are essential for long-term academic success, and summer instruction provides an important opportunity to support students in a smaller, more focused setting.

Jamie Sutton and Tristian Oxford are leading our summer school sessions, bringing energy and expertise to each day. The June session began on June 2 and will run through June 26th. As of now, 33 students have been attending.

We continue to emphasize the importance of consistent attendance and student engagement during summer school. These sessions offer valuable time to close learning gaps and build momentum for the upcoming school year.

Respectfully Submitted,

Jeff Kenton
