KEY STRATEGIES TO ACHIEVE OUR GOALS

Goal 1 Key Strategies: Implementing the curriculum, overseeing intervention, working with our MTSS coach to progress monitor struggling students, celebrating successes. Our teachers will continue to collaborate and use their PLC times to discuss their shared students, curriculum, and intervention.

Goal 2 Key Strategies: After administering the DESSA mini, teachers will identify the students that show a need and will administer the full DESSA assessment. This will give the teachers more information regarding specific social emotional competencies about these students. This will allow them to work in collaboration with our counselor/mental help therapist to address these areas of need.

Goal 3 Key Strategies: Continue to build community with our classrooms, our school and our community. We will do this with Pack Time, community Pack Time, monthly all school assemblies, monthly character traits, Family events, and encourage consistent attendance. Additionally, our counselor will implement the Sources of Strength in all the classrooms.
