BOE Meeting

1. Roll Call
2. Pledge of Allegiance
3. Public Open Forum
 - 3.1 Recognition of Visitors –President Kellenberger and Dr. Stirn welcomed guests and Administrators. Principal Testone shared the results of the State Wrestling Tournament. Austin Macias (Junior) won first place and is the State Champion for his weight class and Nick Termini (Sophomore) placed sixth in the State.
 - 3.2 Public Comment – No public comment.
- 4.0 Action Items
 - 4.1 Consent Agenda –Revenues for the month are tracking at 48.10% compared to 40.80% last year. Expenditures are at 49.57% compared to 48.59% last year. The District received the final transportation categorical for 2015-2016 school year. No payments have been received for the 2016-2017 school year other than General State Aid and some driver education reimbursement. The District received impact fees for 16 new homes in January for a total of \$118,680.28 and also received impact fees for 8 homes in February for a total of \$47,774.85. President Kellenberger asked what the large payment to NIA was for in the bills payable report. It is for Northern Illinois Association, they provide services to our special education students (occupational therapy and physical therapy).
 - 4.2 Girls Track Trip - Due to a scheduling change the girls track team will not need to stay overnight but will still participate in the event. Item cancelled.
 - 4.3 Overnight Wrestling Trip – Three wrestlers placed to compete in the State Wrestling Meet. Senior Eric Hansen, Junior Austin Macias and Sophomore Nick Termini will travel to Champaign. Austin Macias took first place and Nick Termini placed sixth in the state. Congratulations!
 - 4.4 School Bonds – This resolution provides for the issue of \$22,000,000 General Obligation School Bonds, for the purpose of building and equipping classroom and field house additions to and altering, repairing and equipping the Central High School Building and improving the site

- 4.5 Approve Illinois Department of Transportation Application for a Serious Safety Hazard Finding - Transportation Director Duffield reported her findings that the intersection of Nesler Road and South Street is a serious hazard for students to cross Nesler Road. The hazardous route must have a minimum of 12 hazardous points to designate an area a serious hazard. The Board of Education can add up to two additional points to the report. If approved by IDOT as a serious hazard all Prairie View students will continue to receive busing, and the intersection will be reviewed annually.

5.0 Information Reports

5.1 Committee Reports –

CCC – The K-12 Technology Subcommittee met. Students and staff are being surveyed on the use of computers in the classroom and how they affect buildings throughout the district. Staff will soon receive training on Papercut. Papercut is a program that requires staff to use their fob to print their documents securely at any printer in the district. Defined Stem was piloted at the middle school. This program provides resource materials at various sites. Good feedback has been received. The subcommittee is reading an article on digital citizenship. Digital citizenship covers proper use and care of technology, copyright laws, safe use of sites, etc. Keyboarding continues to be an on-going investigation – it is currently taught in third grade but how much is it affecting student success. Some of the buildings' parent groups have purchased technology programs for their schools and there is a possibility that other schools could benefit from some of the same programs. A vetting process will be established to ensure equity. Canvass is now available through Google to lessen the times a teacher has to log in.

DLT – The DLT met and revisited the 2018-2019 calendar. The committee is recommending to keep fall parent teacher conferences the week of Thanksgiving and move the spring conferences to earlier in the spring. The 5essentials survey closed at the end of the month. Results will be shared later in the spring. Mike Potsic attended the meeting and shared screeners for identifying students at risk. The middle school will be using some of the same screeners.

ER Preparedness – District protocols were reviewed and Principal Jurs is updating all protocols. Changes will go to the Regional Office of Education. Protocols are reviewed on an annual basis. Chris Biggs brought in Oswego's protocols for the committee to compare to our protocols. Camera updates are being looked at for the construction sites, which is tabled until next month. Jim Rauscher is a parent in district on Elgin Police Department and may be able to assist with that. A new law requires schools to install CO2 detectors, through the ROE all Kane county school districts were purchasing these detectors together but there is an issue with the one that was chosen. March 3rd, West Aurora is hosting an Alice training. We do not do Alice training here, a component of Alice is to fight back, we encourage people to get to a safe location, lock down, and /or escape. Ultimately, safety is the priority. We will be working with Kane County Sheriff and local Fire Department to host drills that could occur on our campus, one could be a hazardous spill or an active shooter.

Foundation – Laura Rabe – The Instructional Coaches and Dr. Mongan presented a new program similar to an “escape room”. It is an escape room in a box for classroom use.

Students and staff have used it and it could be used as fundraiser. Pizza Wars will still happen at some future date. Some of the businesses were very disappointed that our business expo was cancelled and they hope that we find a new date to host an expo. The Foundation members believe timing is part of the factor for introducing a new activity to get increase community participation. Trivia will be held the second Saturday in November, the theme is Celebrate Central. This year is the 10th anniversary of Trivia and the 100th year anniversary for Lily Lake. The event will be at the boat again and additional space is reserved. The Foundation is looking for new fundraising opportunities or vendor donations from community businesses. They are also reviewing how donations are handled. Dr. Stirn shared construction progress.

- 5.2 Library Update – Assistant Principal McCastland reported that the bids are out and will be brought for approval at the March meeting. Demolition of some old offices will make way for a barista and additional breakout rooms. Projected completion is August 2017.
- 5.3 German II Textbook – Annette Bliss explained that this book is written in German and it is based on a European framework. The book is written for people in Germany who are learning German. She believes this is a good fit for the German II students that range from freshman to seniors. The price of the book is very reasonable because it is a soft cover book. The district will also purchase the electronic version.
- 5.4 Network Switches – Director Tobin has some previously used switches that could be sold for use. He has a company interested in the switches that will pay \$450.00 per switch. This represents 15 switches at \$450.00 for a total dollar payable to Central CUSD 301 of \$6750.00. These dollars will be placed into the education fund under other revenue since these dollars were not expended out of this school year but rather past years. Original cost of the switches six years ago was \$3,000/switch
- 5.5 Construction Update – Phase I precast and roof are almost complete, excavation around the south end of the addition has begun while the excavation of the new parking lot by HBT continues. Work has started on engineering/drawings for possible green space south of HBT; they are still working on the traffic study with Kane County for a turning lane on Plato Road. Dirt will be moved to develop athletic fields on Ellithorp to save money. Concrete will be poured on the second floor next week with the first floor to follow. Phase II pre-bid meeting was yesterday, the opening is March 3rd. Summer work will revolve around the library project, some paving and district wide painting.
- 5.6 Technology Update – There is a small section of Bowes and Nesler that we need to get access to. President Kellenberger and Dr. Stirn will contact with the new families for permission to run fiber. If permission is granted, fiber will be ready when school starts in August. Director Tobin is working with the county with fiber and the roundabout.
- 5.7 Candidate Forum – The district office sent out nine (9) dates to board candidates to host a forum. The date that works for the most candidates is March 21. A CHS Parent Advisory committee will organize the event. The forum will be held at CHS.
- 5.8 WYSE Team – The high school math team took first place at the regionals, sectionals and state. This year the math team competed in the Fox Valley River Conference and came in second place overall.

- 5.9 Enrollment Report – The enrollment was pulled February 16th, total enrollment is 4,056, up three students for the month. Student enrollment continues to grow each month. The district has increased 50 students since the 6th day of school.
- 6.0 Freedom of Information Act (FOIA)
- 6.1 Greve Construction requested information on snow removal and salting. This service is done in house so there was no information to share.

BOARD OF EDUCATION MEMORANDUM

TO: DISTRICT 301 BOARD OF EDUCATION
FROM: ESTHER MONGAN, ASSISTANT SUPERINTENDENT
SUBJECT: GERMAN 2 RESOURCES
DATE: 3/17/2017

Textbook for German 2- total cost \$1,971.21

STUDENT MATERIALS – class set of 60

- Prima plus A1.2 Schulerbuch - \$17.50 per unit
- Prima plus A1.2 Arbeitsbuch mit CD-ROM - \$13.17 per unit

Annual cost for this textbook – \$4.99 Euro (\$5.314 US) per student (\$318.84) , if e-book is selected for year 2 and beyond; workbook \$13.17 per student (\$790.20).

Rationale:

Updated resources needed for German 2. The Department Chair requested the textbook and workbook in standard form (hard print) in lieu of solely e-books for the initial purchase. The e-book option could be purchase the second year once the instructor is more familiar with the textbook. Currently the workbook is not offered as an e-book.

About the textbooks:

The student textbook has clear learning objectives with well-structured learning sequences, which develop speech competences, teaches grammar and vocabulary as well as specific cultural knowledge about German-speaking countries. The workbook, which will be purchased annually, has an integrated CD to support the work with the student book through extensive exercise material. At the end of each workbook unit, the student can independently check their learning progress.

SUBJECT: LIBRARY FURNITURE BID

DATE: 3/17/2017

Bid packages for the Central High School library furniture were sent to eleven companies. Only one company, Rieke Office Interiors (ROI), submitted a bid for the project. After reviewing the bid, I took the time to research at length, comparable, list/market prices of the furniture pieces that were included in the bid. I have included those comparable prices to you. JOINT AGREEMENT

FOR OPERATION OF THE FOX VALLEY CAREER CENTER

WHEREAS, the school districts which are parties to this agreement all maintain a school system for the education of students attending the kindergarten through twelfth grades inclusive, and

WHEREAS, it is not economically practical for each of said individual school districts to finance and operate an adequate program of career, vocational and technical education for grades eleven and twelve, and

WHEREAS, Paragraph 10-22.31a of the School Code of Illinois (105 ILCS 5/10 – 22.31a) authorizes and empowers boards of education of Illinois school districts to establish joint educational programs as follows:

III - 2 The Administrative Board, in cooperation with the Board of Directors, shall establish career, vocational and technical education programs and related services that it deems necessary for the effective operation of the Center, consistent with all project proposals and specification as approved by the Illinois State Board of Education and in the interests of the participating school districts.

III - 3 The Administrative Board, in cooperation with the Board of Directors, shall approve the employment of such personnel as it deems necessary to support the programs and services and shall establish employment and personnel policy consistent with Illinois law.

III - 4 The Administrative Board, in cooperation with the Board of Directors, shall establish policies which maintain the principle of community involvement consistent with the intents and purposes of the cooperating districts, project proposals and specifications, and approving authorities granted various local, state and federal agencies by law.

III - 5 Finance

(a) **TUITION COSTS.** Based on gross operating costs, participating districts will be billed 1) 40% of the estimated first semester billing on August first, based on the number of students enrolled, 2) Eleventh day of first semester – balance of tuition based on current enrollment, 3) December 1st – 40% of the estimated second semester tuition, and 4) Eleventh day of second semester – balance of tuition amount based on current enrollment. Final tabulation is made in June for additional revenues needed or refunds for excess money collected.

(b) **FINANCIAL RECORDS.** The administrative district shall maintain an accounting system accurately showing all receipts and disbursements for capital expenditures as well as ordinary operating costs. Such system shall be maintained in such manner that capital and operating expenses of the vocational program will be shown entirely separate from the other educational activities of the administrative district, so that in particular the operating costs of the program can be determined with exactness and thus prorated fairly among the participating district. The administrative district shall submit a summary statement of receipts and disbursements for both capital expenditures and operating costs to all participating districts in the form of an annual financial audit.

(c) **FACILITY AND ADMINISTRATIVE COSTS.** In addition to all costs related to educational programs and services, the FVCC budget shall include its direct or pro rata share of all relevant on-going facility-related costs (e.g., trash removal, utilities, snow removal, custodial services, regular repairs, etc). Costs for major facility improvements or repairs shall be reviewed with the Board of Directors and recouped through a payment schedule acceptable to the Board of Directors and administrative district. The budget shall also include the FVCC's direct or pro rata share of costs for professional and administrative services provided by the administrative district.

(d) A tentative budget shall be prepared and presented by the Director at the regular May meeting of the Board of Directors. The tentative budget shall be approved by the Board of Directors for recommendation to the Administrative District. The budget will be adopted by the

Administrative District in accordance with statutory requirements. Once the budget has been adopted by the Board of Directors and the Administrative District, it may be adjusted via transfers between line items not exceeding in the aggregate 10% of the total fund budget. Both the Board of Directors and the Administrative District must approve any such transfer. The Budget as approved shall be binding on the participating districts and also on the Administrative District.

ARTICLE IV – TRANSPORTATION

IV - 1 Each participating district shall furnish transportation for the pupils of that district to and from the Career Center in a manner prescribed by the Board of Education of the participating district.

ARTICLE V – PROCEDURES FOR ADMISSION OR WITHDRAWAL OF A SCHOOL DISTRICT FROM THIS JOINT AGREEMENT

V - 1 FVCC operates on a year to year basis, but any participating district may terminate its participation consistent with the School Code of Illinois (105 ILCS 5/10 – 22.31a). Notice of such intent must be given, in writing, to the Board of Directors and to the administrative district by January 31 in the calendar year prior to the year in which the withdrawal becomes effective. Any district which begins participation at the beginning of a school year shall be obligated to continue such participation for the entire school year on the terms and conditions herein set forth.

All tuition charges and obligations of the district withdrawing from the joint agreement must be paid upon withdrawal and all capital assets such as buildings, equipment and facilities used at the Center or as a part of the joint agreement are, and shall remain the property of the administrative district.

V - 2 If the Board of Directors and administrative district deem it advisable, and if facilities are available, other school districts in the area may be permitted to participate in the program upon such terms and conditions as the Board of Directors and the administrative district shall then determine.

ARTICLE VI – PROVISION FOR AMENDMENTS

VI - 1 It is further understood that this agreement may be amended or supplemented at any time by an agreement in writing signed by all of the participating districts.

ARTICLE VII – MISCELLANEOUS

We know you will provide a great example of "Rocket Pride" for the classes that follow you. To our freshman, sophomores, and juniors, we challenge you to make the most of the upcoming school year in preparation for your own senior year when you will have the chance to leave your own legacy.

As your partners in education, your academic success is very important to us. This Handbook has been compiled with the input of staff, students, parents, and the Board of Education to ensure a safe school environment where learning is of the highest priority. Within this Handbook, you should find the positive values that exemplify the Rocket community.

You will also find information about services and activities that are available to you. We encourage you to take advantage of these opportunities to make the most of your time at CHS.

The CHS staff is committed to partnering with you in your preparation for your role in our community beyond high school, be it moving forward with your college and/or vocational education or your participation in the workforce. We look forward to the school year before you and are confident that you will do great things. Always remember, every day is a great day to be a Rocket!

INTRODUCTION

Welcome to Central High School. We know your educational experience here will be worthwhile. To assist you, we have prepared this Handbook that outlines the opportunities available to students and the policies and procedures of CHS and as established by the Board of Education.

This Handbook is not intended to create a contractual responsibility with the student. Rather, this Handbook is intended to summarize CHS and Board of Education policies and procedures. Items published in this Handbook are subject to change, without notice, by the Administration or Board of Education. The Board policies that govern the operation of Central High School and the District are available to the public on its website at www.burlington.k12.il.us or at the District Office.

STUDENT SERVICES

STUDENT SERVICES OFFICE

The student services office includes an Assistant Principal of College and Career Readiness, a Dean of Students, a nurse, a registrar, an attendance clerk, school counselors, school social workers, speech pathologist, and a school psychologist who work directly with students, parents, and staff. The objective of Student Services is to help students make the most of high school and to ensure students have the appropriate support to succeed in high school. Individual and group counseling is arranged with students in the areas of educational planning and personal and social development.

The District provides a comprehensive school counseling program that provides developmentally appropriate services to all students. Students are assigned counselors alphabetically by last name. The school counseling program focuses on what all students should know, understand, and be able to do within the three main aspects of school counseling as identified by the American School Counselor Association (ASCA); academic development, personal/social development, and career development. The goal is to raise student achievement as well as focus on student outcomes, goal setting, college and career readiness, and to utilize data to inform decision-making.

The ASCA framework for a comprehensive data-driven school counseling program has four tenets:

1. Foundation: A focus on student outcomes and student competencies.
2. Delivery: Services to the students, parents, school staff, and community.
3. Management: Organizational and assessment tools reflective of the school's needs.
4. Accountability: Measurements of how the students are different as a result of the school counseling program.

Student Services is available for consultation on:

1. Orientation to school.
2. Testing information (PSAT, ACT, MAP, SAT).
3. Selection of high school courses best suited to the student's abilities and future plans.
4. Assistance through both individual and group counseling with personal and social problems that are impeding the student's abilities and future plans.
5. College and career research.
6. The development of four-year, post-secondary, and career plans, including information about college admission requirements, financial aid, and career information.
7. Referral to agencies outside of school.
8. Attending on campus college visits with college admission representatives.
9. Utilizing the Naviance program.

Students are encouraged to make an appointment in the Student Services office to meet with their assigned counselor.

Note: School Social Workers are trained mental health professionals who provide services related to students' social/emotional functioning at school. School social workers help assess and address the needs of students, provide individual and group counseling, and provide referrals for community resources. School social workers are the link between the home, school, and community to promote and support students' academic and social success.

Note: School Psychologists are uniquely qualified members of school teams who support students' ability to learn and teachers' ability to teach. They apply expertise in mental health, learning, and behavior, to help children and youth succeed academically, socially, behaviorally, and emotionally. School psychologists can help staff, families, school administrators, and other professionals with, but not limited to: Data collection and analysis, assessment, progress monitoring, school-wide practices to promote learning, academic/learning interventions, behavioral interventions, instructional support, and special education services. School psychologists work to create safe, healthy, and supportive learning environments that strengthen connections between home, school, and the community.

PROBLEM SOLVING TEAM

The Problem Solving Team (P.S.T.) is a team consisting of the high school counselors, social worker(s), school psychologist(s), dean of students, school nurse, and one or more teachers. The P.S.T. exists to identify and assist students at risk due to severe social, emotional, family, mental health, attendance, and/or academic issues. The goal of the P.S.T. is to be proactive, rather than reactive, providing assistance to students before problems become overwhelming or chronic. The team may refer the student to outside professional agencies when appropriate. Referrals to the P.S.T. can be made by any member of the team, a staff member, the student him/herself, a fellow student, and/or a parent.

HOME AND HOSPITAL INSTRUCTION (BOARD POLICY 6:150)

A student who is absent from school, or whose physician anticipates that the student will be absent from school, because of a medical condition may be eligible for instruction in the student's home or hospital. Eligibility shall be determined by State law and the Illinois State Board of Education rule governing (1) the continuum of placement options for students who have been identified for special education services or (2) the home and hospital instruction provisions for students who have not been identified for special education services. A student qualifies for home

and hospital instruction when a physician anticipates a student's absence due to a medical condition for an extended period of time (i.e., for 2 or more consecutive weeks) or on an ongoing intermittent basis (i.e., the child's medical condition is such a nature or severity that it is anticipated the student will be absent from school due to the medical condition for periods of at least 2 days at a time multiple times during the school year totaling at least 10 days or more of absence).

Appropriate educational services from qualified staff will begin no later than 5 school days after receiving a physician's written statement. Instructional or related services for a student receiving special education services will be determined by the student's individualized educational program.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction (1) before the birth of the child when the student's physician indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to 3 months after the child's birth or a miscarriage.

Periodic conferences will be held between appropriate school personnel, parent(s)/guardian(s), and hospital staff to coordinate course work and facilitate a student's return to school.

STUDENT RECORDS AND DIRECTORY INFORMATION (BOARD POLICY 7:340)

Student Records

School student records are confidential. As provided in State or federal law student records do not include:

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 17 years who has been arrested or taken into custody.

Upon request, the District will disclose school student records without a parent/guardian's or student's (if 18 or over) consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law or court order.

Required Notices and Directory Information

Under the Illinois School Student Records Act (ISSRA) and the Family Educational Rights and Privacy Act (FERPA), parents/guardians and students over 18 years of age ("eligible students") have certain rights with respect to the student's education / school student records.

In compliance with Illinois and federal law, the District shall maintain two sets of student records. The **permanent record** shall include basic identifying information concerning the student, his or her parents' names and addresses, the student's gender, date/place of birth, academic transcripts, attendance record, health records required for enrollment, unique student identifier,

a certified copy of the student's birth certificate, and a record of any release of this information. The permanent record may also include honors/awards received and information concerning participation in activities/athletics. No other information shall be placed in the permanent record.

The **temporary record** consists of all other records maintained by the District concerning the student and by which the student may be individually identified. The temporary record must include a record of release of the information contained in the temporary records, scores received on state assessment tests administered in grades K-8, a completed home language survey form, information regarding serious disciplinary infractions (i.e., those involving drugs, weapons, or bodily harm to another) that resulted in punishment or sanction of any kind, information regarding any indicated report pursuant to the *Abused and Neglected Child Reporting Act*, health-related information, and accident reports. It also may include family background information, intelligence/aptitude scores, achievement test results, psychological reports, honors/awards, athletics/activities, other disciplinary information, teacher anecdotal records, special education records, records associated with Section 504 of the *Rehabilitation Act of 1973*, participation in extracurricular activities, and/or other information relevant to the education of the student which is not required to be in the permanent record. Information in this record shall reference authorship, position, and date. No person may condition the granting or withholding of any right, privilege, or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.

The District may release directory information to the general public, including local media and military recruiters, and publish such information in a school directory, school yearbook, or similar District publications. The District has designated the following information as **directory information**: the student's name, address, telephone number, date and place of birth, major field of study, participation in school-sponsored organizations and activities membership on athletic teams, dates of attendance, and academic awards, degrees, and honors received. Directory information also includes photographs, videos, or digital images of students used for informational or news-related purposes of a student participating in a school or school-sponsored activity, organization, and athletics that have appeared in school publications. However, photographs highlighting individual faces and used for commercial purposes require prior, specific, dated, and written consent of the parent. An image on a school security videotape recording is not directory information. Further, student social security numbers or student identification or unique student identifiers are not directory information.

Parent(s)/guardian(s) or eligible students will be given the opportunity to object to the release of directory information prior to its release. A parent/guardian or eligible student may prohibit the release of any or all of the above-designed directory information by providing a written request to the Building Principal.

Parent(s)/guardian(s) or eligible students have the right to inspect, copy, and challenge the student's record. In addition, a student less than 18 years old may inspect or copy information in his/her permanent school record. A request to inspect or copy a student's school record shall be made in writing and directed to the Building Principal. Access to the records shall be granted within 15 school days after the receipt of such a request. Parent(s)/guardian(s) may request a qualified professional to be present to interpret the student's records. Access shall not be granted the parent(s)/guardian(s) or the student to the following: confidential letters, recommendations concerning the admission to a post-secondary educational institution; application for employment. For further information, please contact your Building Principal.

Unless the District has actual notice of a court order or a notice of a *parenting plan* under the *Illinois Marriage and Dissolution of Marriage Act*, indicating otherwise: Divorced or separated parents/guardians with and without *parental responsibilities* (formerly custody) are both permitted to inspect and copy the student's school student records. The District will deny access to a student's school records only to a parent against whom an order of protection was issued if the order of protection prohibits the parent from inspecting or obtaining such records. The District shall maintain and destroy student records in accordance with Illinois and federal law. A student's permanent record is maintained for at least 60 years after the student has graduated, withdrawn, or transferred from the District. A student's temporary record is maintained for at least 5 years after the student has graduated, withdrawn, or transferred from the District. Upon graduation, transfer, or permanent withdrawal of a student from the District, the school shall notify the parents/guardians and student, at their last known address, of the destruction schedule for the student's permanent and temporary records. Parent(s)/guardian(s), or the student if at least 18 years of age at the time of the request, may request a copy of the student's records prior to the destruction date for a copying fee.

Students in grades 10-12 or their parent(s)/guardian(s) may deny access to the student's name, address, and phone number to official military and higher education recruiting representatives by submitting a written request to the Building Principal before the end of the student's 10th grade year, or within 30 days of transfer for students who transfer into the high school after that point.

Parent(s)/guardian(s) and eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington DC 20202-4605.

MEDICAID FEE FOR SERVICES

Medicaid reimbursement is a source of federal funds approved by Congress to help school districts maintain and improve special education services. If Medicaid eligible, therapy and diagnostic services provided to children are partially reimbursable. With the parent/guardian's written consent, the District will claim Medicaid reimbursement for services provided. These claims will have no impact on the parent/guardian's or student's ability to receive Medicaid funding either now or in the future.

EDUCATION OF CHILDREN WITH DISABILITIES (BOARD POLICY 6:120)

The School District shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the *Individuals with Disabilities Education Act* ("IDEA") and implementing provisions of the School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act. The term "children with disabilities," as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined, through definitions and procedures described in the Illinois State Board of Education's *Special Education* rules, that special education services are needed.

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the *Rehabilitation Act of 1973* ("Section 504") are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the Illinois State Board of Education's *Special Education* rules. For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504, need or are believed to need special instruction or related services, the District shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), representation by counsel, and a review procedure.

The District may maintain membership in one or more cooperative associations of school districts that shall assist the District in fulfilling its obligations to the District's disabled students.

If necessary, students may also be placed in nonpublic special education programs or education facilities.

DISTRICT 301 HOMELESS INFORMATION

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, as provided to other children and youths, including a public pre-school education. A "homeless child" is defined as provided in the *McKinney Homeless Assistance Act* and Illinois law.

HEALTH SERVICES

HEALTH SERVICES

A nurse is available to students throughout the school day. A student who needs to see the nurse during the day should first obtain a pass from his/her teacher unless an emergency situation exists. **If a student is not feeling well, he/she must check out in the Nurse's Office and authorization must be given before leaving the building or the absence will be considered unexcused.** When the nurse is not in the building, a student who is ill should report to the Main Office. No student will be excused from school unless a parent/guardian or designated person has been notified and appropriate transportation arranged, including if the student has his/her own car at school. Students shall not use their personal cell phones unless given permission by the nurse.

Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent(s)/guardian(s) is unable to produce immunization and health records normally required for enrollment. See Board Policy 6:120.

Pursuant to Illinois and federal law, school personnel cannot contact a student's physician, advanced practice nurse, physician assistant, nurse, or pharmacist about a student or a student's records, including health records or health-related information, unless the student's parent/guardian gives written consent. If desired, a consent form permitting communication between a student's health care professionals and the school may be obtained through the Student Services Department.

COMMUNICABLE AND CHRONIC INFECTIOUS DISEASE (BOARD POLICY 7:280)

A student with or carrying a communicable and/or chronic infectious disease has all rights, privileges, and services provided by law and the School Board's policies. The Superintendent will develop procedures to safeguard these rights while managing health and safety concerns.

ILLNESS / INJURY

It is expected that injuries that occur outside of the typical school day will be cared for by parents/guardians prior to arrival at school. Notify the nurse of any injuries that need attention at school.

For the protection of the whole student body, students are not permitted to ride the bus home if they are exhibiting signs/symptoms of a contagious illness or communicable and/or chronic infectious disease. The student's parent/guardian will be contacted by the school and expected to arrange transportation.

In the event of serious symptoms or injury, paramedics will be called and a parent/guardian contacted. In emergency situation, school officials will be guided by the information provided by parents/guardians on the registration documents filled out annually. It is the responsibility of the parent/guardian to provide accurate contact information to the school in case of illness, injury, or emergency, and notify the school of any updates to the information. Parents/guardians should select emergency contacts who are likely to be available to pick up their child in a timely manner if they are unable to.

If a student exhibits any of the following during the school day, the student's parent/guardian will be contacted and the student must be picked up from school to go home:

- Fever (temperature of 100 degrees or above)
- Vomiting
- Diarrhea (3 or more loose stools in past 24 hours, or stools that contain blood)
- Excessive cough and/or unable to manage secretions

- Loss of consciousness

A student should not return to school after he/she has been out of school due to an illness until there is evidence that the student is no longer contagious. This may include a release from the student's physician, absence of symptoms for over 24 hours, or documentation of treatment. These determinations will be guided by the nurse.

Students who come to school with mobility devices (such as crutches, walking boot/shoe, wheelchair, splints or casts) for an acute episode need to submit a note from the doctor that states the activity restriction that warrants the use of the device at the school, including the time frame for the restriction.

EXCUSES FROM PE (BOARD POLICY 7:260)

Excuses for Medical Reasons

Students healthy enough to attend school are generally considered healthy enough to attend physical education (PE) class. Notes to excuse students from PE classes for medical reasons are to be presented to the Main Office. Office staff will notify the PE teacher of the excuse. A parent note excusing the student from physical activity can be accepted for up to two days for an injury or illness. A maximum of two parent notes per semester will be accepted. Any duration of time beyond two days will require a signed statement from the student's healthcare provider. The statement from healthcare provider shall include a diagnosis, any restrictions needed, and the length of the restriction. If the length of time is undetermined or "until further notice," a new note from the healthcare provider will be needed every three months until the student is released from the restriction.

If the student is allowed limited or modified participation, the healthcare provider's note should list specifically what activities/modifications are allowed. A modified physical activity form is available in the Nurse's Office.

Long term P.E. excuses presented within the first two weeks of a semester can be accommodated with a schedule change. Please contact the Nurse's Office and the Student Services Office.

Excuses for Religious Reasons

In addition, students may be excused from PE based on a religious prohibition. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Notes to excuse students from PE classes for religious reasons are to be presented to the Main Office. Office staff will notify the PE teacher of the excuse.

MEDICATION POLICY (BOARD POLICY 7:270)

Whenever possible, the parent/guardian should make arrangements for medication to be administered at home, before or after school hours and not at school or school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for a student to take medication during school hours or school-related activities, the student's parent/guardian must request that the school dispense the medication to the student and school district guidelines must be followed for dispensing or administering the medication. The District may reject requests for administration of medication.

No District employee shall administer to any student, or supervise a student's self-administration of, any medication until the required documentation is completed, signed, and submitted by the student's parent/guardian. No student shall possess or consume any medication on school grounds or at a school-related activity other than as provided in the District's policy and these guidelines.

1. Medication is defined as either prescription or non-prescription drugs.
2. Medication will not be given by a school employee to a student without the completion and submission of a Med-A form, and other documentation if required, signed by both the parent/guardian and the student's licensed health care provider.

3. Specific forms are required for students with asthma, diabetes, allergies, and seizures. Forms and packets can be obtained in the Main Office or Nurse's Office or on the District website. Parent(s)/guardian(s) of a student with asthma are requested to submit an Asthma Action Plan for the student. If provided, the Asthma Action Plan will be kept on file by the Nurse. The District's Asthma Emergency Response Protocol is available from the Main Office or Nurse's Office.
4. The Med-A form must be completed annually for each medication and updated upon any changes.
5. Students may not transport medication to and/or from school. It is the parent/guardian's responsibility to personally deliver the medication to school and to pick up any "left over" medication at the close of the school year. Any medications left at the school at the end of the school year will be disposed of in a safe and appropriate manner.
6. Medications must be in their original containers and the containers must include the student's name, the medication's name, dosing information (the amount to be dispensed and the time at which or circumstances under which the medication is to be administered), and expiration date. No medication will be given by school personnel if the medication arrives at the school in an envelope or improperly labeled bottle/inhaler.
7. Medications at school will be stored in a locked cabinet in the Nurse's Office or in the school nurse's refrigerator, if required.
8. When necessary, the school nurse will provide appropriate staff members with information concerning the medications being taken by students (i.e., side effects, other medical implications, etc.).
9. Medication dispensing guidelines include:
 - a. Medications will be dispensed to one student at a time.
 - b. The designated school employee will transfer the indicated dosage from the container to the student.
 - c. The designated school employee will initial the Individual Student Med Log form at the time it is administered.

Administering Medication to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed "School Medication Authorization Form" is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

Self-Administration of Medication

A student may possess an epinephrine auto-injector (EpiPen®) and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a "School Medication Authorization Form." The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel.

Self-Carry & Self-Administration of Medication

A student may possess ("self-carry") an asthma inhaler or epinephrine auto-injector (EpiPen®) prescribed for immediate use at the student's discretion, provided the completed Med-A form and other required forms (available in the Nurse's Office and on the District's website) are signed and returned to the Nurse's Office.

The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel.

The District may authorize the provision of an epi-pen to a student authorized under a student's Individual Health Care Action Plan, Illinois Food Allergy Emergency Action Plan and Treatment Authorization Form, or plan pursuant to Section 504 of the federal Rehabilitation Act of 1973 to administer an epi-pen to the student that meets the prescription on file.

A student's possession, distribution, or use of any medication (including non-prescription drugs) without proper authorization is in violation of the school policy relating to drug use, and the student may be subject to discipline.

Field Trip Medications

Only "daily" medications and "emergency" medications are to be sent on field trips. A Med-A form, and other documentation if required, must be on file in the Nurse's Office to ensure those medications are taken on the field trip. Medications designated "as needed" are not taken unless pre-arranged by a parent/guardian and the School Nurse.

GENERAL INFORMATION

BULLETINS AND ANNOUNCEMENTS

It is our goal to inform students of events and happenings at CHS. Therefore, announcements will be communicated to students daily. If students would like to include something in the daily announcements, it must be approved in the Main Office.

BUS TRANSPORTATION (BOARD POLICY 7:220)

Illinois law requires that the District provide transportation to and from school for all students living 1 ½ miles or more away from their school of attendance. **All students are assigned to a District bus unless they are within walking boundaries.** If a serious safety hazard exists along the walking route of students who lives less than 1½ miles from their school of attendance, the District will follow the State of Illinois guidelines.

The State of Illinois has very strict rules and regulations on the matter of school buses. The District is committed to carrying out these rules and regulations in order to provide the most efficient and safest transportation possible. The following rules are included here to ensure students and parents have an understanding of what is expected of students while entering, riding, or leaving the school bus.

Instructions to Parents

Busing information for the current school year is available on the District's website through the Busing Information link. This is a web-based program that will provide the most current busing information, such as bus time, bus stop location, and bus number.

Please complete the Student Transportation Information (STI) form ONLY if you require busing to/from an alternate location within your attending school's boundaries, if you do not require District transportation, or if you are making a change to your child's transportation. Students are allowed only one inbound bus and only one outbound bus. (Accommodations cannot be made for different buses on different days.) Please allow up to 48 hours to process any changes to your student's transportation. To verify the request has been processed, please visit the Bus Info link located at www.burlington.k12.il.us. Contact Dr. Todd Stirn with questions about transportation for foster care students.

Instructions to School Bus Riders

The school bus is an extension of the classroom; therefore, all school rules apply on the school bus. The District's Transportation Handbook, which is included in this Handbook, governs school bus conduct.

School bus riders, while in transit, are under the jurisdiction of the school bus driver and any adult designated by the Board of Education to supervise bus riders. Any student who violates the following regulations or school rules while riding the bus may be reported to the Administration. The student may be subject disciplinary consequences. Transportation guidelines are in addition to District policies and procedures, including those outlined in this Handbook.

Safety Regulations and Guidelines

1. Students may only ride their assigned school bus.
2. Arrive at designated bus stop 5 minutes prior to your scheduled pickup time. Be careful in approaching the place where the bus stops. Do not move toward the bus until the bus has been brought to a complete stop.
3. Remain in your assigned seat while the bus is in motion.
4. Always be alert and listen for any instructions given by the driver.
5. Keep windows at or above the white safety line at all times. Do not throw anything out of the windows. When you are on the bus, keep hands and feet inside the bus at all times.
6. Refrain from making abrupt, loud noises, and/or causing any unnecessary confusion that could divert the driver's attention from safely driving the bus. Be absolutely quiet when approaching and crossing a railroad track.
7. Refrain from littering, defacing, or destroying bus property. Never tamper with the bus or any of its equipment.
8. Assist in keeping the bus safe and sanitary at all times. Eating, drinking, or gum chewing is not allowed in the bus.
9. Do not bring any animals on the bus, unless a service animal.
10. Respect the driver, fellow pupils, other riders, and yourself.
11. Do not ask the driver to stop at places other than regular assigned bus stops. The driver is not permitted to alter their route or drop students off anywhere except for designated bus stops without proper authorization from a CHS administrator.
12. Walk at least 10 feet in front of the bus if you must cross the street after being dropped off and wait for the driver to signal to cross the road. Never run in front of a car or bus.

If necessary, students may have to sit 3 in a seat on a school bus due to the number of students riding the bus.

It is imperative that all students actively observe and support these transportation regulations and actions. The same rules and regulations apply on all bus trips, including for school sponsored trips as well as between home and school. Students who are unable to abide by the rules and expectations in order to maintain a safe environment when riding a school bus may face disciplinary consequences depending on the severity of the action.

Students who are suspended from the bus and who do not have alternative transportation to school will be provided the opportunity to make up any missed work for full academic credit pursuant to the "Makeup Work" rules set forth in the Attendance and Truancy Policy of this Student Handbook. It is the responsibility of the student's parent to notify the school principal or other administrator that the student does not have alternative transportation to school to ensure the student receives appropriate make up work.

CAFETERIA

Central High School offers a USDA Reimbursable Value Meal and extra à la carte food items for sale to all its students. Each student may go through the line and choose from a variety of hot and cold foods. Each food item is priced individually so the student pays only for what he/she selects. The cost of the menu items in the daily Value Meal are set at a meal price. The daily Value Meal is identified as the "Daily Special." A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education.

So the system can work efficiently for all students, we ask that students observe the following rules:

1. Purchase food only during their scheduled lunch time or during late start times.
2. Do not bring any drinks and/or food items through the lunch line. Move through the lunch line making selections quickly and then proceed to the cashier.
3. Pick up all lunch debris from the table and floor and empty lunch trays into trash bins and return the trays to the kitchen.
4. Put lunchroom materials appropriate for recycling in specified recycling containers.

Every student has a lunch account based on his/her Student ID Number. Money can be placed in the account by giving cash or check to the cashiers during any lunch period, or by activating an account through www.myschoolbucks.com. (There is a \$1.95 service fee charged by myschoolbucks.com for each lunch account deposit.) All checks brought to a cashier must be credited to the student's lunch account. There is no charge for utilizing the cashier for this service. A student may not receive money back from a check given to a cashier to credit his/her lunch account. The only method by which a student may purchase lunch or à la carte food items is by scanning or entering his/her Student ID card.

Beverages in a closed, non-breakable container and snacks will be allowed in hallways, and in classrooms with teacher approval. Open containers of food and beverage are not to be stored in lockers.

ELECTRONIC DEVICES (BOARD POLICY 6:235)

The District's electronic networks, including the Internet, are part of the District's instructional program and serve to promote educational excellence by facilitating resource sharing, innovation, and communication. Use of all electronic devices allowed as part of the District's Bring Your Own Device ("BYOD") program and the District issued Chromebook must be consistent with District policies and procedures. Such electronic devices may be used during instructional time only for educational purposes as approved by the Administration or teacher. Personal devices may be used by students during non-instructional time, such as during passing periods, lunch, and before or after school. Students may not place or receive phone calls during school day hours (6:20am to 2:46pm).

Use is a privilege, not a right. Students and staff members have no expectation of privacy in any material that is stored, transmitted, accessed via the District's electronic networks. The District's rules for behavior and communications apply when using the electronic networks. Refer to the Chromebook Handbook issued by the district.

EMERGENCY DAY - SCHOOL DISMISSAL DUE TO WEATHER

At times during the winter, severe snow conditions may make bus transportation impossible or unsafe and all schools in the District will be forced to close or have a delayed starting time. In such cases, local radio stations will be notified prior to 7:00am. If weather conditions are questionable, tune your radio to WRMN in Elgin (1410 AM or 94.3 FM), WLBK in DeKalb (1360 AM or 92.5 FM), or to WFXW in Geneva (1480 AM). The school may also utilize School Reach via phone and/or email to notify parents.

Also, on occasion during the school day, weather conditions may become severe and it may be advisable to close school early. Since it is impossible to notify parents when this is done, it is suggested that parents arrange with their child in advance where he/she should go if any early dismissal is deemed necessary.

Many bus routes have areas where buses are required to turn around in a driveway. At these points, during times with considerable snow and drifting, it may be advisable for the bus to stay on the main route and to eliminate all points where backing is necessary. Parents are requested to give their bus driver full cooperation and to provide transportation to and from the bus in all cases where snow conditions are bad.

FUNDRAISING

All fund raising by classes and school organizations, during the school day to the student body, must have prior approval of the Athletic and Activities Director.

School classes, organizations, or clubs must complete a form requesting the following information:

- Class, Organization, or Club hosting the fund raiser
- Date and Time For Selling
- Person in Charge
- Item(s) to be sold and dollar amount

If food and beverages are being sold as a fundraiser, during the school day to the student body, the food item must meet the USDA Smart Snacks in Schools nutrition standards. The District Food Service Director will assist teachers and students in choosing healthy fundraising ideas. School classes, organizations, or clubs may sell food items that do not meet the nutritional standards for USDA Smart Snacks in Schools on certain exempted fundraising days. CHS has a maximum of 9 exempt fundraising days per school year. The District's procedures are subject to change, as are the number of exempt fundraising days set by the Illinois State Board of Education.

HALL PASSES

Students may be in the hallways during class only with a proper pass. This pass must include: student's name, date, time, destination, and teacher signature. Alternative passes may be issued by the teacher.

ID CARDS

An ID card will be given to each student and should be carried or worn by him/her throughout the school day. If a staff member asks a student for his/her ID, the student should be able to present his/her ID at that time. An ID card will be required for student admission to certain home and away co-curricular events. Students will need their Student ID in order to purchase food items.

LOCKER POLICY (BOARD POLICY 7:140)

Students are personally responsible for the contents of the locker to which they are assigned. Lockers are the property of the District. For the safety and security of the entire school community, school authorities may inspect and search lockers, as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in lockers or in their personal effects left there. District officials may request the assistance of law enforcement officials for purpose of searching student lockers for illegal drugs, weapons, or other illegal or dangerous substances or materials. Students should not change lockers unless authorized to do so by the Administration. Restitution costs may be assessed for defacing or damaged lockers. Students will have an assigned PE locker and lock in the PE locker room. Valuables should not be stored in PE lockers. The District may dispose of any materials left in any school locker at the end of the school year.

LOST AND FOUND

All lost and found items should be turned in at the Main Office. The District may dispose of any items left in the lost and found at the end of the school year.

SALE OF OBJECTS

No objects or materials of any kind may be sold on school property without authorization of the Administration.

SCHOOL SAFETY

The safety of our students and staff is our first priority at CHS. During school hours (6:20am to 7:00am and 7:25am to 2:46pm) all exterior doors are kept locked and access to the building will be limited. Students are not to open any door to permit entry for anyone with whom they are not familiar and are not to permit anyone from the outside to enter the building. Additionally, the propping or opening doors to anyone from the outside is prohibited. All visitors should be directed to the Main Office. Failure to abide by this policy may result in disciplinary consequences.

SAFETY DRILLS

Periodically during the school year, safety drills will be held as required by Illinois law. When the alarm is sounded, students and teachers should proceed immediately according to appropriate procedures. Procedures for safety drills and school emergency and crisis response plans are posted in all classrooms.

SEARCH OF VEHICLES (BOARD POLICY 7:140)

School authorities may inspect and search vehicles parked on school property, as well as personal effects therein, without notice, without suspicion of wrongdoing, or the consent of the student. The area of search may include the passenger compartment, engine compartment, trunk, the undercarriage and all containers (locked or unlocked) or personal effects left in the vehicle. Students have no reasonable expectation of privacy in their vehicles when parked on school property or in their personal effects left therein.

STUDENT PARKING PERMITS & DRIVING REGULATIONS

To be eligible for a parking permit, students must hold and maintain a valid Illinois Driver's License and meet the GPA requirements set forth below.

Grade Level	GPA Needed to Apply & Maintain Parking Permit
11th Graders	2.2 Cumulative Grade Point
12th Graders	2.0 Cumulative Grade Point

Any student who falls below the GPA needed to maintain his/her parking permit may lose his/her parking permit.

If granted a parking spot, students must park in their assigned, numbered spot for the remaining school year. Parking Permits must be displayed from the inside rear view mirror. Parking permits cannot be shared among students (except siblings when both qualify for a parking permit). Students must request permission from the Main Office to return to their vehicle during the school day.

Students who are not issued a regular parking permit may be issued a temporary parking permit by the Administration when a family emergency or unusual circumstance exists. The

parent/guardian of the student will need to contact Administration and receive approval before the student drives to school.

Student parking at Central High School is considered a privilege and with parking privileges come certain responsibilities that must be assumed by the student. A student is expected to practice safe driving at all times. Students are expected to be on time to class. Therefore, if a student fails to drive safely, shows patterns of tardiness and/or is otherwise unable to demonstrate mature and responsible behavior at school, on school grounds, or at school activities or events, the student may face disciplinary consequences in addition to the loss of parking privileges. Parking permits can be revoked at any time by the Administration.

STUDENT DRESS (BOARD POLICY 7:160)

1. Students are expected to be appropriately dressed for school and wear clothing that will not disrupt the educational process, constitute a health or safety hazard or violate civil law.
 - a. Coats, gloves, hats, caps, bandannas, handkerchiefs, and other head coverings, as well as dark glasses, should not be worn during school hours and should be left in the student's locker or backpack.
 - b. Clothing imprinted with profanity, obscenity, and/or the display of words, pictures, or symbols associated with alcohol, drugs, tobacco, sex, weapons, or violence are prohibited.
 - c. Shoes must be worn at all times.
 - d. The entire middle of the body must be covered; sides as well as front and back, and underwear must not be visible at any time. Any combination of tank tops with any width of strap may be worn but must still cover the sides, front, and back of the body as well as undergarments in accordance with the principles of good taste. Shorts and skirts may be worn but the bottom edge must be below the fingertips when standing.
 - e. Chains are not to be brought to school. This includes chains on wallets, choker chains, etc.
 - f. Pants/jeans/dresses/skirts cannot have holes, rips, or see through material above the fingertips when standing.

Any student not in accordance with the above-mentioned dress expectations during school hours (6:20am to 2:46pm) may be subject to disciplinary consequences, including changing into appropriate clothes or making immediate arrangements for appropriate clothing before returning to class. If appropriate clothing is not available, the high school will lend the student a uniform from the physical education department.

2. Students may carry a bag or purse as long as it does not disrupt the learning environment or pose a safety threat.
3. PE uniforms may NOT be altered in any way (for example, cut-off sleeves or shortening of shorts).

3.4. Students are allowed to wear costumes on days approved by administration. Students that need to wear a costume for an activity in class, are expected to remove the costume when the class is over.

TELEPHONES

In case of emergency, students will be allowed to use the office telephones. If needed, a message can be delivered to students at the end of the school day.

VISITORS

CHS has a responsibility to maintain a learning environment that is safe. All visitors must initially report to the Main Office upon entering the school. Any person wishing to confer with a staff member should contact the staff member ahead of time to schedule an appointment.

- All visitors must:
- Sign in and out.
- Wear a visitor name tag.
- Provide a reason for their visit.

Note: During school hours (6:20am – 2:46pm) access to the building will be limited. Students are not permitted to allow anyone from the outside to enter the building. Former CHS students will not be permitted to visit teachers during school hours, unless prior permission has been granted.

ATTENDANCE AND TRUANCY POLICY

Our attendance policy is based upon the firm belief that students are most successful when they are present in class and in school:

1. In accordance with Illinois compulsory attendance requirements, it is the District's policy that students shall attend school on a regular basis. We believe that daily attendance, timeliness to class, and preparedness and participation in class will increase the student's probability for successful performance and fosters the development of self-discipline and responsibility. It is the intention of the instructor of each course to not only teach the subject matter, but also to encourage the positive attribute of regular attendance, punctuality, and participation.
2. Students are expected to attend every class. The school has an obligation to inform both students and parents/guardians of the student's progress and attendance in all classes. Parents/guardians are to follow proper procedures to inform the school when their child is absent and to provide a reason for the absences.

ATTENDANCE PROCEDURES

Steps to Follow When Absent From School

It is the parent/guardian's responsibility to call the attendance clerk and give the reason for the absence. The parent/guardian is requested to call **prior to 7:25am** the day of the absence. The attendance clerk's phone number is 224-990-7101.

Parents/guardians who cannot call must write a note explaining the reason for the absence. The note should be written by the parent in its entirety and signed.

Refer to the Categories of Absences to determine if the absence is excused or unexcused. If there is a question about the type of absence contact the Dean of Students.

Leaving School Early

Students who need to leave school early for medical purposes (doctor or dental appointments) must bring a note to the Attendance Office before leaving school. The note must be written by the parent in its entirety. The note should include: (1) the requested dismissal time, (2) the reason the student needs to leave early, and (3) a parent signature.

If a student is ill during the day, the student must check out in the Nurse's Office before leaving the building. Students should not arrange for parents/guardians to pick them up, or to leave school using their own car, without first having been seen by the Nurse. When the Nurse is not in the building, a student who is ill should report to the Main Office.

Working Student (Co-Op): Students who leave school early to participate in the work program should leave the building after their last academic class, unless given prior permission from Administration. All students participating in the Co-Op program are required to check out in the Attendance office prior to leaving the school. Attendance issues related to this program will be addressed on an individual basis.

Tech Prep or Middle College: Students who leave school early to participate in the work program should leave the building after their last academic class, unless given prior permission from Administration. All students participating in the Tech Prep or Middle College programs are required to check out in the Attendance office prior to leaving the school. Attendance issues related to this program will be addressed on an individual basis.

Fox Valley Career Center Students: Students enrolled in classes through the Fox Valley Career Center are responsible for attending those classes and are expected to attend class daily. All students participating in the Fox Valley Career Center program shall sign in upon arrival to Central High School in the Attendance Office. Attendance issues related to this program will be addressed on an individual basis.

ABSENCES (BOARD POLICY 7:70)

Three Categories of Absences

1. Excused absences
2. Unexcused absences
3. Truant absences (after the 9th unexcused absence)

Excused Absence

Central High School will recognize an excused absence as:

1. A student's personal illness;
2. A death in the immediate family;
3. A family emergency;
4. Observance of a religious holiday;
5. Medical appointment*;
6. Other circumstances that cause reasonable concern to the parent/guardian for the student's safety or health;
7. Other situations beyond the control of the student (e.g., court appearances);
8. Other reasons approved by the Superintendent or designee.

*A note from the student's doctor is required to excuse absence for a medical appointment.

A physician's note may be required to excuse a student and/or for returning to school after the third consecutive day of being reported ill. If medical documentation is not provided, the absence may be marked "unexcused."

Students who have excessive amount of absences due to being sick may be required to provide a doctor's note to excuse the absences.

School work missed because of excused absences must be made up in accordance with the Make Up Work section below.

College and Vocational Visits, and Military Exams

Central High School recognizes the importance of college visitations, job interviews, and military exams. Upperclassmen may be excused two school days [perfor](#) college visitation, job interviews, or military exams [for up to three college visits](#) during a school year. Whenever possible, these

visits should be scheduled during non-school time; however, in the event they cannot be, students must complete the following:

- Students and parents are responsible for completing the “College and Vocational Visit, or Military Exams” Form prior to the absence. The form must be signed and completed by all of the student’s teachers.
- Students are required to submit, on college/university /business/military letterhead, documentation of their visit for the absence to be considered excused.
- School work missed because of a college visit, job interview, or military exam must be made up in accordance with the Make Up Work section below.

Unexcused Absence

An unexcused absence is defined as an absence from school for a reason other than those listed above as an Excused Absence and/or an absence not authorized by the student’s parent/guardian or the Superintendent or designee. When a student’s absence is unexcused, the parent/guardian may recognize the absence as being valid or legitimate; however, the school does not. The following are unexcused absences (even with parental/guardian consent):

1. Working
2. Missing the bus
3. Car not starting
4. Cutting class
5. Vacations/going out of town
6. Needed at home
7. Other avoidable absences

School work missed because of unexcused absences must be made up in accordance with the Make Up Work section below.

Truant Absences

Truancy is defined as absence without valid cause for one or more periods of the student’s school day. A truant absence is an unexcused absence. After the 9th school day (5% of regular attendance days) on which a student is absent without valid cause, he/she is deemed to be truant under Illinois law. Interventions to address truancy may include attendance letters, parent-teacher/administrator conferences, student counseling, and/or involvement of the Kane County Truancy officers and/ or local law enforcement. No punitive action, including out-of-school suspensions, expulsions, or court action will be taken against a chronically truant student unless available support services and other school resources have been provided to the student, or offered to the student and refused. Any person who has custody or control of a child subject to compulsory attendance who knowingly or willfully permits the child to persist in truancy, if convicted, is guilty of a Class C Misdemeanor and may be subject to up to 30 days imprisonment and/or fine up to \$1,500.

Vacation Absences

~~Because the District believes in the importance of students being present in their academic classes during the school year, absences due to family vacations, are unexcused. The District strongly encourages families to plan vacations to coincide with the school calendar so as to avoid taking valuable educational time away from their students. Students may ask their teachers to~~

~~provide advance assignments. However, it is up to the individual teacher to determine whether he/she can honor the request. School work missed because of unexcused absences must be made up in accordance with the Make Up Work section below.~~

Class Cut

A class cut is defined as an absence from part (15 minutes or more) or an entire class period, without permission from the student's parent/guardian or approval of school officials. A class cut is an unexcused absence and may result in disciplinary consequences.

Students who arrive after 7:55am and do not have an excused absence will be marked unexcused for ~~1st period~~the periods missed. This is considered a class cut for which the student may receive disciplinary consequences.

Tardiness

Students are expected to be in class on time, so they may maximize their learning opportunities. Teachers and the Administration will monitor student's tardies. Students may be considered tardy if they arrive after the bell has rung. Students who arrive between 7:25am and 7:55am will be marked tardy to 1st period. On the 4th tardy to school per semester, students may receive disciplinary consequences for excessive tardies.

MAKE UP WORK

Students who are absent from school will be allowed to make up work for equivalent academic credit. The time allowed to makeup work will generally be one school day for every school day missed, starting with the first day the student returns to school. In extenuating circumstances a student may ask his/her teacher, school counselor, or the principal for additional time to make up work. It is the responsibility of the student (and his/her parent/guardian), not the teachers, to get the assignments, complete them, and turn them in, and to arrange a time with the teacher to make up any missed quizzes or tests. Incomplete work or failure to do the work may result in a lowering of grades.

The makeup rule applicable for students who are receiving home or hospital instruction is set forth in the Student Services of this Handbook under the heading Home and Hospital Instruction.

ACADEMICS

If students and/or parents/guardians have questions related to the policies or procedures of the instructional process at CHS, the student and/or parent/guardian should first contact the assigned classroom teacher. Many times this communication clarifies the situation. The second step is to arrange a conference with the student's counselor. A list of counselor assignments is included in the Student Services section of this Handbook. If, after such a conference, there is a need to talk to the Administration, please contact the Main Office.

GRADING

Parents and students are encouraged to monitor student progress throughout the semester by logging on to Skyward. All grades are available and viewable in the Skyward. However, final semester grades are the only grades that will appear on a student's permanent record and transcript.

CHS Grading Policy: Grading practices at CHS will be consistent within each department by course. For example, all students enrolled in U.S. History will be assessed using the same grade categories and weights regardless of instructor.

1. Continuous Semester Method: Teachers will determine semester grades on the basis of grades earned on course work for the entire semester. Quarter grades are not final grades that will be used for averaging; but, rather, they are mid-semester grade reports to students and parents. Quarter 2 and Quarter 4 grades reflect final grades for the semester, in conjunction with the final semester exam. Final grades can be found via your student's Skyward Portfolio.
2. At the beginning of each course, each teacher will review the grading policy to inform the students in his/her class of the grading policy and its implementation within the course. With Administrative approval, teachers may incorporate an attendance requirement into their grading policy.

Student work will be evaluated using the following letter grades:

A – Superior

P – Pass

B – Excellent

W – Withdrawn (no credit and no grade)

C – Average

D – Below average

F – Fails to meet required standards

*A teacher may issue an incomplete grade to a student who has experienced prolonged periods of absence during the grading period. All incompletes must generally be cleared within two weeks of the end of the semester. At the conclusion of the two week extension, teachers will calculate the student's grade with a score of zero entered for any assignments/assessments not completed. The resulting grade will be recorded in place of the incomplete. (If extenuating circumstances exist, the Principal or designee may exercise discretion in extending the two week deadline.)

WEIGHTED GRADES

1. **Advanced Placement (AP):** AP courses approved by the College Board will be given weighted credit. Additionally, honors courses designated in the course catalogue will be given weighted credit based on at least five of the seven characteristics listed below:
 - a. The course includes college level content or syllabus.
 - b. The quality of learning activities, projects, and assignments in the course is significantly more than in other courses.
 - c. The ideas and concepts studied in the course are significantly more complex than in other courses.
 - d. The pace is accelerated in comparison to standard courses.
 - e. The course includes assessments in the areas of analysis, synthesis, and evaluation.
 - f. The time required outside of regular class period is significantly more than in other classes.
 - g. The course completes the sequence of classes/programs.

Grade	Unweighted Courses	Weighted Courses
A	4	5
B	3	4
C	2	3
D	1	1
F	0	0

2. **Transfer Credits:** Transfer students will receive weighted credit only for the courses that are given additional weight at Central High School. The weight given to each transfer grade will be the same as the weight given to courses at Central High School.

GPA / CLASS RANK

CHS will track both weighted and un-weighted grade point averages and class ranks.

A student's grade point average (GPA) is calculated by dividing the total quality points earned by the number of credits attempted. Letter grades with "+" and "-" are recorded on quarter grade reports to provide additional information to students and parents/guardians; however, the letter grade with a "+" or "-" will not appear on transcripts. Quality points are not affected by a "+" or "-" to letter grades.

Class rank shall be based upon GPA computed to three decimal places. All course grades, except Pass/Fail courses, will be used to calculate each student's GPA. Only end of course semester grades will be used to compute GPA and class rank. Freshmen class rank will be computed at the end of freshmen year, not at the end of first semester.

Requesting Transcripts: For college applications, transcripts must be requested through Naviance and will be sent by the Registrar.

DRIVER'S EDUCATION

Classroom and behind-the-wheel driver training is offered to students at the high school level. To enroll in Driver Education, the student must have earned a cumulative GPA of at least a 2.0 or a 2.0 GPA or higher in the previous semester. Students may enroll in Driver's Education during their senior year, regardless of their GPA provided they have passed at least 8 courses during the two semesters immediately preceding enrollment. The student also must pay the applicable Driver Education fee. This course is offered in cooperation with the State of Illinois Driver's Education Program. Policies for the two areas of driver education instruction are as follows:

1. Classroom Instruction
 - a. Classroom instruction shall be open to all students who reach their 15th birthday on or before the first day of classroom instruction.
 - b. Students will be enrolled in Driver Education according to their age in relation to others eligible to be enrolled. Students who are 16 years old during or shortly before 1st semester will be enrolled during the first semester.
 - c. 30 hours of classroom instruction is required by law to pass.
2. Behind-the-Wheel
 - a. No student may begin behind-the-wheel driving until he/she has been enrolled and started in the classroom portion of the program.
 - b. Six (6) hours of behind-the-wheel experience is required by law.

Students who complete the classroom instruction and whose 16th birthday is after December 1 the following school year will not be enrolled for behind-the-wheel driving until the first semester the following school year.

Due to the classroom and behind-the-wheel hour requirements for passing Driver Education, student attendance is important and students are expected to be present and be on time. An unexcused absence may result in disciplinary consequences, up to and including receiving an automatic fail.

In the event a student fails the Driver Education classroom or behind-the-wheel portion(s), the student will need to re-enroll and pay the Driver Education fee again.

DISCIPLINE

PHILOSOPHY OF DISCIPLINE

It is the sincere desire of the District that each student practices self-discipline, so that discipline actions by teachers, administrators, and the Board of Education may be avoided. It is the desire of CHS to promote positive citizenship and a constructive school environment. General rules of conduct have been formulated to ensure that all students have the opportunity to realize their potential through education, and to promote mutual respect and responsibility among students and staff members. Adults at Central High School are expected to show care and respect towards young people. Students are expected to exhibit that same care and respect towards staff members and other students. In the event that a student violates the guidelines set forth in this Handbook, teachers, staff members, and administrators may take disciplinary measures as a means to address the student's behavior.

Disciplinary consequences and interventions will be made to ensure that all students receive a high quality education in a positive, non-threatening environment and assist with the development of productive members of society. Students, parents, administrators, faculty, and staff will cooperate in the creation of the discipline policy, its periodic review, and its fair and consistent enforcement.

STUDENT BEHAVIOR POLICY (BOARD POLICY 7:190)

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
 - a. Any illegal drug or controlled substance, or cannabis (including medical cannabis, marijuana, and hashish).

 - d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited.
 - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
 - g. "Look-alike" or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
 - h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to

attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a "weapon" as that term is defined in the Weapons section of this policy, or violating the Weapons section of this policy.
5. Using or possessing an electronic paging device.
6. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone.

CCUSD301 issues each student a Chromebook for educational purposes. All electronic devices (cell phones, radios, iPods, MP3 players, iPads, portable DVD players, gaming devices, and/or similar devices) may be used during passing periods, lunch, before or after school, or in a classroom setting with either administration or supervising teacher's discretion, if specified within the student's individual education program (IEP) or 504, or is needed in an emergency that threatens the safety of students, staff or other individuals.

7. Using or possessing a laser pointer or cell phone flashlight unless under a staff member's direct supervision and in the context of instruction.
8. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
9. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
10. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying (as described in Board policy 7:180, Prevention of and Response to Bullying, Intimidation, and Harassment), bullying using a school computer or a school computer network, or other comparable conduct.
11. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
12. Teen dating violence, as described in Board policy 7:185, Teen Dating Violence Prohibited.

13. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
14. Entering school property or a school facility without proper authorization.
15. In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.
16. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truants.
17. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.

21. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
22. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Additional Examples of Prohibited Misconduct and Gross Disobedience

Additional examples of prohibited misconduct and gross disobedience include but are not limited to: inappropriate drawings; insubordination; parking violations; profanity or obscenity; transportation violation; the inappropriate use of the district's network or district's devices.

For purposes of this policy, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student

locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Verbal Warning.
2. Detentions.
3. Notifying parent(s)/guardian(s).
7. Disciplinary conference.
8. Withholding of privileges / removal of privileges.
9. Temporary removal from the classroom.
10. Return of property or restitution for lost, stolen, or damaged property.
11. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
12. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure may be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
13. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.

14. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
15. Suspension of bus riding privileges in accordance with Board policy 7:220, Bus Conduct.
16. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, Suspension Procedures. A student who has been suspended may also be restricted from being on school grounds and at school activities.
17. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, Expulsion Procedures. A student who has been expelled also shall be restricted from being on school grounds and at school activities.
18. Transfer to an alternative program upon written agreement with the student's parent(s) or following a Board of Education hearing.
19. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), "look-alikes," alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than 2 calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the *Firearm Owners Identification Card Act* (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24 1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alikes" of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the

prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent/guardian. "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers. In addition, provided the appropriate procedures are followed, the Superintendent, Building Principal, Assistant Principal, or Dean of Students may issue in-school suspensions; may issue out-of-school suspensions to students guilty of gross disobedience or misconduct (including all school functions) for up to 10 consecutive school days; and may suspend students from riding the school bus for up to 10 consecutive school days. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment. Students and their parents/guardians must acknowledge receipt of the student handbook in some form upon receipt of the handbook.

MISCONDUCT BY STUDENTS WITH DISABILITIES (BOARD POLICY 7:230)

Behavioral Interventions

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The School Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for students with disabilities.

Discipline of Special Education Students

The District shall comply with the Individuals With Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, and the Illinois State Board of Education's Regulations when disciplining students with disabilities. No student with a disability shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability.

ADDITIONAL DEFINITIONS

Detentions

A detention is a period of time to be made up before school, after school, or during lunch. A detention may be assigned by school staff or an administrator.

Alternative Learning Environment

Administrators may temporarily assign a student to an alternative learning environment on school grounds as a consequence for gross disobedience or misconduct. During this time, students are restricted from participating in their scheduled classroom activities and, instead, report to the alternative learning environment for an amount of time determined by the Administration. Students will be provided an opportunity to complete their academic work or given an alternative assignment for equivalent academic credit.

Saturday School

Saturday School will be held periodically throughout the school year to serve as a disciplinary consequence for a student's gross disobedience or misconduct. Saturday school half sessions run from 8:00 am to 10:00 am, and full sessions run from 8:00 am to 12:00 pm. Students who fail to attend, arrive late, or are removed from Saturday School due to gross disobedience or misconduct will be considered to have missed the session and may be subject to further disciplinary consequences.

SCHOOL/COMMUNITY SERVICE PROGRAM

The school/community service program is an alternative disciplinary agreement between a student, his/her parent/guardian, and the Administration. Administrators retain the discretion to determine whether the school/community service program will be offered as an alternative disciplinary consequence and, if so, the nature of the school/community service program. Students who participate in the school/community service program may be assigned a service for the school or community.

OUT OF SCHOOL SUSPENSION (BOARD POLICY 7:200)

An out-of-school suspension is a temporary exclusion from school due to a student's gross disobedience or misconduct. School officials may impose out-of-school suspensions of one (1) to ten (10) school days. Longer suspensions may be imposed by the Board of Education. The District's suspension procedures are set forth in Board Policy 7:200.

When a student is suspended from school, he/she may not participate in or attend any District activity or event and is prohibited from being on District property.

A suspended student will have an opportunity to make up any missed work for equivalent academic credit. The work missed during the student's absence due to a suspension from school must generally be made up within a period of school days equal to the number of days missed due to being suspended.

Students who are suspended from school for five (5) or more school days will be informed of what, if any, appropriate and available support services will be provided to the student during the his/her suspension from school. These services may include, but are not limited to: a mentor program, social work, tutoring, etc.

A re-engagement meeting between the student, family, and school staff and administrators may be held upon a student's return to school from any period of suspension. The purpose of the meeting is to assist the student in the transition back to school.

EXPULSION BY THE BOARD OF EDUCATION (BOARD POLICY 7:210)

Upon the recommendation of the Superintendent or designee, the Board of Education may expel students guilty of gross disobedience or misconduct. Expulsion shall take place only after the parent(s)/guardian(s) of the student have been provided a written request to appear at a hearing before the Board or with a hearing officer appointed by it. The District's expulsion procedures are set forth in Board Policy 7:210.

A student who has been expelled from school may not participate in or attend any District activity or event and is prohibited from being on District property during the period of the expulsion.

If a student is suspended or expelled for any reason from any public or private school in this or any other state, the student must complete the entire term of the suspension or expulsion before being admitted into District.

STUDENT SEARCH & SEIZURE (BOARD POLICY 7:140)

To maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Superintendent or designee shall notify students and their parents/guardians of each of the following in accordance with the *Right to Privacy in the School Setting Act*, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

BULLYING POLICY (BOARD POLICY 7:180)

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from Section 27-23.7 of the School Code (105 ILCS 5/27-23.7)

Bullying includes *cyber-bullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyber-bullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyber-bullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyber-bullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed

by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, and (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12.

1. The District uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the District Complaint Manager or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District Complaint Manager or any staff member. Anonymous reports are also accepted.

Complaint Manager:

Esther Mongan, Assistant Superintendent for Teaching and Learning, Grades K-12
CCUSD 301, 275 South St., P.O. Box 396, Burlington, IL 60109

4. Consistent with federal and State laws and rules governing student privacy rights, the Superintendent or designee shall promptly inform the parent(s)/guardian(s) of every student involved in an alleged incident of bullying and discuss, as appropriate, the availability of social work services, counseling, school psychological services, other interventions, and restorative measures.
5. The Superintendent or designee shall promptly investigate and address reports of bullying, by, among other things:

- a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of a bullying incident was received and taking into consideration additional relevant information received during the course of the investigation about the reported bullying incident.
- b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.
- c. Notifying the Building Principal or school administrator or designee of the reported incident of bullying as soon as possible after the report is received.
- d. Consistent with federal and State laws and rules governing student privacy rights, providing parents/guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the Building Principal or school administrator or his or her designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

The Superintendent or designee shall investigate whether a reported incident of bullying is within the permissible scope of the District's jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

6. The Superintendent or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. A student's act of reprisal or retaliation will be treated as *bullying* for purposes of determining any consequences or other appropriate remedial actions.
8. A student will not be punished for reporting bullying or supplying information, even if the District's investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as *bullying* for purposes of determining any consequences or other appropriate remedial actions.
9. The District's bullying prevention and response plan must be based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Superintendent or designee shall post this policy on the District's Internet website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must also be distributed annually to parents/guardians, students, and school personnel, including new employees when hired.
11. The Superintendent or designee shall assist the Board with its evaluation and assessment of this policy's outcomes and effectiveness. This process shall include, without limitation:
 - a. The frequency of victimization;
 - b. Student, staff, and family observations of safety at a school;
 - c. Identification of areas of a school where bullying occurs;
 - d. The types of bullying utilized; and
 - e. Bystander intervention or participation

The evaluation process may use relevant data and information that the District already collects for other purposes. The Superintendent or designee must post the information developed as a result of the policy evaluation on the District's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students.

12. The Superintendent or designee shall fully implement the Board policies, including without limitation, the following:
- a. 2:260, *Uniform Grievance Procedure*. A student may use this policy to complain about bullying.
 - b. 6:60, Curriculum Content. Bullying prevention and character instruction is provided in all grades in accordance with State law.
 - c. 6:65, *Student Social and Emotional Development*. Student social and emotional development is incorporated into the District's educational program as required by State law.
 - d. 6:235, *Access to Electronic Networks*. This policy states that the use of the District's electronic networks is limited to: (1) support of education and/or research, or (2) a legitimate business use.
 - e. 7:20, *Harassment of Students Prohibited*. This policy prohibits *any* person from harassing, intimidating, or bullying a student based on an identified actual or perceived characteristic (the list of characteristics in 7:20 is the same as the list in this policy).
 - f. 7:185, *Teen Dating Violence Prohibited*. This policy prohibits teen dating violence on school property, at school sponsored activities, and in vehicles used for school-provided transportation.
 - g. 7:190, *Student Discipline*. This policy prohibits, and provides consequences for, hazing, bullying, or other aggressive behaviors, or urging other students to engage in such conduct.
 - h. 7:310, *Restrictions on Publications*. This policy prohibits students from and provides consequences for: (1) accessing and/or distributing at school any written, printed, or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (2) creating and/or distributing written, printed, or electronic material, including photographic material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.

Disclaimer

School rules published in this handbook are subject to such changes as may be needed to ensure continued compliance with federal, state or local regulations and are subject to amendment as becomes necessary for the routine operation of the school. This handbook is a summary of board policies governing the district. Board policies are available to the public at the district office and online at the district website listed above. Please note that not all behavior can be written and inserted in a guidebook; however, we expect students to follow reasonable rules and not violate the rights of others.

ATTENDANCE

ATTENDANCE POLICIES

1. In accordance with Illinois compulsory attendance requirements, it is the policy of CCUSD 301 that students shall attend school on a regular basis. We believe that daily attendance, timeliness to class, and preparedness and participation in class will increase the student's probability for successful performance and fosters the development of self-discipline and responsibility. It is the intention of the instructor of each course to not only teach the subject matter, but also to encourage the positive attribute of regular attendance, punctuality, and participation.
2. Students are expected to attend every class. The school has an obligation to inform both students and parents/guardians of the student's progress and attendance in all classes. Parents/guardians are to follow proper procedures to inform the school when their child is absent and to provide a reason for the absences.

STEPS TO FOLLOW WHEN ABSENT FROM SCHOOL

- ~~3. A parent/guardian phone call made on the day of the student's absence shall be counted as an excused absence. If a parent/guardian fails to make a phone call on the date of the student's absence, the absence shall be counted as "unverified," unless a note is received from the student's parent/guardian to confirm the absence. If no note is received, the absence will be recorded as unexcused. In the event that school personnel do not hear from parents/guardians about tardiness or absence before 9:00 A.M., the school may call parents or other emergency contacts provided by a parent to determine the reason for the student's absence.~~
1. *It is the parent/guardian's responsibility to call the the main office and give the reason for an absence. The parent/guardian is requested to call prior to 7:50 a.m. the day of the absence at (847)464-6000 for Central Middle School and (847)717-8100 for Prairie Knolls Middle School. In the event that school personnel do not hear from parent(s)/guardians(s) about tardiness or absence before 9:00 a.m., the school may call parents or other emergency contacts provided by a parent to determine the reason for the student's absence.*
2. *Parents who cannot call must write a note explaining the reason for the absence. The note should be written by the parent in its entirety and signed.*
4. Examples of excused absences include:
 - a) A student's personal illness,
 - b) A death in the immediate family,
 - c) A family emergency,
 - d) Observance of a religious holiday,
 - ~~e) Court appearances,~~
 - f) Medical visits,
 - g) Other circumstances that cause reasonable concern to the parent/guardian for the student's safety or health, ~~other reasons approved by the Superintendent or designee,~~
 - h) Other situations beyond the control of the student *such as court appearances*
 - i) *Other reasons approved by the Superintendent or designee*

5. **Unexcused Absence:** Absences for any other reason may be considered unexcused. An unexcused absence is defined as an absence from school for a reason other than those listed above as an Excused Absence and/or an absence not authorized by the student's parent/guardian or the Superintendent or designee.

*A physician's note may be required to excuse a student and/or for returning to school after **the third consecutive day of being reported ill**. If medical documentation is not provided, the absence may be marked "unexcused."*

Students who have an excessive amount of absences due to being sick may be required to provide a doctor's note to excuse the absences.

Examples of unexcused absences include:

- *Working*
- *Missing the bus*
- *Car not starting*
- *Cutting class*
- *Vacations/going out of town*
- *Needed at home*
- *Other avoidable absences*

**Schoolwork missed because of unexcused absences must be made up in accordance with the Make Up Work section below.*

6. **Truant Absences:** Truancy is defined as absence without valid cause for one or more periods of the student's school day. *A truant absence is an unexcused absence.* After the 9th school day (5% of regular attendance days) on which a student is absent without valid cause, he/she is deemed to be truant under Illinois law. Interventions to address truancy may include attendance letters, parent/guardian conferences, and/or involvement of the Kane County Truancy officers and/ or local law enforcement. No punitive action, including out-of-school suspensions, expulsions, or court action will be taken against a chronically truant student unless available support services and other school resources have been provided to the student, or offered to the student and refused. Any person who has custody or control of a child subject to compulsory attendance who knowingly or willfully permits the child to persist in truancy, if convicted, is guilty of a Class C Misdemeanor and may be subject to up to 30 days imprisonment and/or fine up to \$1,500.

7. **Vacation Absences:** Because the District believes in the importance of students being present in their academic classes during the school year, ~~extended pre-arranged absences such as due to family vacations, will no longer be considered excused are unexcused.~~ The District strongly encourages families to plan vacations to coincide with the school calendar so as to avoid taking valuable educational time away from their students. Students may ask their teachers to provide advance assignments. However, it is up to the individual teacher to determine whether he/she can honor the request. School work missed because of family vacation must be made up in accordance with the "Makeup Work" Section below.

8. **Class Cut:** A class cut is defined as an absence from part of *(15 minutes or more)* or an entire class period/block, without permission from the student's parent/guardian or approval of school officials. A class cut is an unexcused absence *and may result in disciplinary consequences.*

9. **Tardiness:** Students are expected to be in class on time, so they may maximize their learning opportunities. Teachers and the Administration will monitor student's tardies. Students may be considered tardy if they arrive after the bell has rung. On the fifth tardy to school per semester, ~~S~~students may receive *disciplinary consequences. The same may occur for excessive tardies to class based on team policies.*

10. A student must be in school for three clock hours in order to participate in any co-curricular activity including, but not limited to, interscholastic sports, school dances, club meetings, etc.

11. When a student has a pattern of frequent absences because of illness/injury or has been out of school for a contagious condition, an administrator may request a doctor's excuse.

ANTICIPATED ABSENCE

An anticipated absence is defined as a situation in which student and parent know in advance that the student will be absent on a school day. Schoolwork missed during this absence must be made up on the student's return.

A student must submit a written explanation (note, email, fax, etc.) to the school office from a parent/guardian.

Because the District believes in the importance of students being present in their academic classes during the school year, extended pre-arranged absences such as family vacations, will no longer be considered excused. The District strongly encourages families to plan vacations to coincide with the school calendar so as to avoid taking valuable educational time away from their students. Students may ask their teachers to provide advance assignments. However, it is up to the individual teacher to determine whether he/she can honor the request. School work missed because of family vacation must be made up in accordance with the "Makeup Work" Section below.

MAKE-UP WORK DURING ABSENCES

Students who are absent from school will be allowed to make up work for equivalent academic credit. The time allow~~ed~~^{ed} to makeup work will generally be one school day for every one school day missed, starting with the first day the student returns to school. In extenuating circumstances a student may ask his/her teacher, school counselor, or the principal for additional time to make up work. It is the responsibility of the student (and his/her parent/guardian), not the teachers, to get the assignments, complete them, and turn them in, and to arrange a time with the teacher to make up any missed quizzes or tests. Incomplete work or failure to do the work ~~in a timely manner~~ may result in a lowering of grades.

The makeup rule applicable for students who are receiving Home or Hospital Instruction is set forth in the Student Services of this Handbook under the heading Home and Hospital Instruction.

LATE ARRIVALS TO SCHOOL

When a student arrives late to school, he/she must report to the office. The office will issue a tardy pass to admit him/her to class. Work missed may be made up if the teacher permits it. The date of the tardy will be recorded by the office. Students will be allowed only four (4) tardies each semester for any reason, such as appointments, car problems, oversleeping, etc. The only exceptions shall be unavoidable medical or dental appointments which cannot be scheduled during non-school hours. These must be accompanied by parent verification in a written note or in a phone call.

Tardy 3 = Notify student and parent of consequence at 5th tardy...Parent phone call/letter

Tardy 4 = Reminder to student of consequence at Tardy 5

Tardy 5 & 6 = 3 days of Lunch Detention/phone call and letter home

Tardy 7, 8, & 9 = After School Detention (2:50-3:30)/Phone call and letter home

Tardy 10 and over = Full Day Saturday School/phone call and letter home

LEAVING SCHOOL EARLY

Students who need to leave school early for medical purposes (doctor or dental appointments) must bring a note to the Attendance Office before leaving school. The note must be written by the parent in its entirety. The note should include: (1) the requested dismissal time, (2) the reason the student needs to leave early, and (3) a parent signature.

If a student is ill during the day, the student must check out in the Nurse's Office before leaving the building. Students should not arrange for parents/guardians to pick them up, or to leave school using their own car, without first having been seen by the Nurse. When the Nurse is not in the building, a student who is ill should report to the Main Office.

GENERAL INFORMATION

SCHOOL ARRIVAL / DEPARTURE

~~Students should not arrive at school until 15 minutes before their classes begin. Students should not arrive at school until 7:45 a.m.~~

Pupils should also leave the school grounds immediately after dismissal in the afternoon. Pupils who are transported by district buses will be given consideration because bus schedules cannot always fit these limitations.

TRAFFIC AT SCHOOL

Parents are urged to use extreme caution when driving in areas near the school. As you know, children often forget what they have been taught about pedestrian and bicycle safety, and it is the responsibility of the driver to anticipate the mistakes of children. Parents dropping off students should NOT enter the Bus Loading Zone when buses are loading or unloading.

PARENT PICK-UP / DROP-OFF

All student pick-ups and drop-offs between the hours of ~~7:30am~~^{7:45 a.m.} and 4:00 p.m. must be done at the front main entrance of the school.

UNLICENSED MOTORIZED VEHICLES

The use of unlicensed motorized vehicles on School District 301 property is prohibited. This includes, but is not limited to, all-terrain vehicles, motorcycles, snowmobiles, go-carts and any and all off-road vehicles. Consequences for violations may include suspension out of school as well as charges filed with the local authorities.

VISITORS

While visitors are welcome at District #301 Middle Schools, any person, including parents, visiting the school building must use front doors, report to the school office, sign in, and obtain an identifying badge.

STUDENT VISITORS

A student who wants to request permission to bring a guest from another school to school with him/her must contact the Principal for a visitor's pass at least one day before the proposed visit. Generally, visits by students from other schools are discouraged because they tend to be distracting to students and teachers and because they may encourage the absence of these students from their own schools.

SCHOOL SAFETY

The safety of our students and staff is our first priority at the middle schools. During school hours all exterior doors are kept locked and access to the building will be limited. Students are not to open any door to permit entry for anyone with whom they are not familiar and are not to permit anyone from the outside to enter the building. Additionally, the propping or opening doors to anyone from the outside is prohibited. All visitors should be directed to the Main Office. Failure to abide by this policy, may result in disciplinary consequences.

EMERGENCY / CRISIS PLAN

In the case of an emergency please be advised that all school personnel have been in-serviced on the implementation of the Crisis Plan should the need arise. If an emergency were to take place please keep school telephone lines open for emergency calls (do not call the school). Keep civilian vehicles out of the area allowing emergency vehicle access to school grounds.

SAFETY DRILLS

Periodically during the school year, safety drills will be held as required by Illinois law. When the alarm is sounded, students and teachers should proceed immediately according to appropriate procedures. Procedures for safety drills and school emergency and crisis response plans are posted in all classrooms.

TORNADO WARNING OR OTHER EMERGENCIES

Parents should not send children to school in the event a tornado warning is in effect at the time school should begin. If a warning is issued during school hours, school personnel will initiate appropriate protective action. If a WARNING is in effect at school dismissal time, students will not be dismissed or loaded on buses until the all clear has been given.

EMERGENCY CLOSING OF SCHOOL

In the event that a decision is made to close school, dismiss early or start late because of weather conditions or for some other reason, please tune your radio and/or television station to any of the following stations that serve our area:

<u>AM</u>	<u>TV</u>	<u>FM</u>
WGN – 720	WBBM - Channel 2	WONU - 89.7

WLBK – 1360	CLTV - Channel 19	WDKB - 95
WRMN – 1410	FOX - Channel 32	

Should an emergency or severe weather cause school to be closed, the District #301 will also notify parents via the **School Reach** phone system. Please update your phone numbers whenever you have a change. Information will also be available on our school web site: **www.burlington.k12.il.us**

It is important that parents advise their children as to what procedures to follow in the event that parents are not home when there is an emergency closing of school.

STUDENT INSURANCE

If an optional student insurance program is offered, it will be the responsibility of the student's parents, not that of the school, to file claims with the designated insurance representative in the event of injury. When an optional student insurance program is offered,

claim forms will be available in the school office.

LOST AND FOUND

If you have lost something in the school building, ask the school office secretary who will check into the "lost and found" collection in the office. If you find anything at school, on the bus, or at a school-sponsored event that appears to have been lost/left by someone, give it immediately to a secretary in the school office or a staff member so that it can be saved for its rightful owner. *The District may periodically dispose of any items left in the lost and found.*

SCHOOL NEWSLETTER

During the school year, District #301 Middle Schools publish a school newsletter to keep parents informed of school related activities and to encourage their involvement with the school. District #301 Middle Schools will E-blast the school newsletter to those who have provided e-mail addresses as well as post the school newsletter on the school web site. Please visit the District #301 Middle Schools' web sites through the links provided at www.burlington.k12.il.us.

- 3) Open containers of food and beverages may not be kept in lockers or carried around in the school building.
- 4) Energy drinks at school are strongly discouraged. These drinks have been proven to be very unhealthy for adolescent students and may cause students to become distracted from their schoolwork.
- 5) *Food brought in from the outside for the purpose of sharing is not permitted.*

CANDY / GUM POLICY

Candy may be eaten in classrooms when permitted by a teacher as a reward. Gum will be allowed provided that the gum and wrappers are disposed properly in garbage cans. However, teachers reserve the right to prohibit the chewing of gum in their individual classrooms.

LUNCH CAFETERIA (Board Policy 4:130)

Central Middle School and Prairie Knolls Middle School offer a USDA Reimbursable Value Meal and extra à la carte food items for sale to all their students. Each student may go through the line and choose from a variety of hot and cold foods. Each food item is priced individually so the student pays only for what he/she selects. The cost of the menu items in the daily Value Meal are set at a meal price. The daily Value Meal is identified as the "Daily Special." A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education.

STUDENT BEHAVIOR

PHILOSOPHY OF DISCIPLINE

It is the sincere desire of CCUSD 301 that each student practices self-discipline, so that discipline actions by teachers, administrators, and the Board of Education may be avoided. It is the desire of Prairie Knolls Middle School and Central Middle School (PKMS/CMS) to promote positive citizenship and a constructive school environment. General rules of conduct have been formulated to ensure that all students have the opportunity to realize their potential through education, and to promote mutual respect and responsibility among students and staff members. Adults at PKMS/CMS are expected to show care and respect towards young people. Students are expected to exhibit that same care and respect towards staff members and other students. In the event that a student violates the guidelines set forth in this Handbook, teachers, staff members, and administrators may take disciplinary measures as a means to address the student's behavior.

Disciplinary consequences and interventions will be made to ensure that all students receive a high quality education in a positive, non-threatening environment and assist with the development of productive members of society. Students, parents, administrators, faculty, and staff will cooperate in the creation of the discipline policy, its periodic review, and its fair and consistent enforcement.

STUDENT BEHAVIOR POLICY (BOARD POLICY 7:190)

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

 - h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a "weapon" as that term is defined in the Weapons section of this policy, or violating the Weapons section of this policy.
5. Using or possessing an electronic paging device.
6. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone.

CCUSD301 issues each student a Chromebook for educational purposes. All electronic devices (cell phones, radios, iPods, MP3 players, iPads, portable DVD players, gaming devices, and/or similar devices) may be used in a classroom setting with either administration or supervising teacher's discretion, if specified within the student's individual education program (IEP) or 504, or is needed in an emergency that threatens the safety of students, staff or other individuals.

7. Using or possessing a laser pointer, cell phone flashlight, or presentations remotes unless under a staff member's direct supervision and in the context of instruction.
8. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.

9. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
10. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying (as described in Board policy 7:180, Prevention of and Response to Bullying, Intimidation, and Harassment), bullying using a school computer or a school computer network, or other comparable conduct.
11. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault.–This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
12. Teen dating violence, as described in Board policy 7:185, Teen Dating Violence Prohibited.
13. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person’s personal property.
14. Entering school property or a school facility without proper authorization.
15. In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.
16. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truants.
17. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
18. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.

21. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
22. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Additional Examples of Prohibited Misconduct and Gross Disobedience

Additional examples of prohibited misconduct and gross disobedience include but are not limited to: inappropriate drawings; insubordination; parking violations; profanity or obscenity; transportation violation; the inappropriate use of the district’s network or district’s devices.

For purposes of this policy, the term “possession” includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student’s person; (b) contained in another item belonging to, or under the control of, the student, such as in the student’s clothing, backpack, or automobile; (c) in a school’s student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board’s authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Verbal Warning
2. Detentions
3. Notifying parent(s)/guardian(s).
4. Disciplinary conference.
5. Withholding of privileges / removal of privileges
6. Temporary removal from the classroom.
7. Return of property or restitution for lost, stolen, or damaged property.
8. ~~In-school suspension.~~ *Alternative Learning Environment.* The Building Principal or designee shall ensure that the student is properly supervised.
9. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure may be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
10. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
11. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
12. Suspension of bus riding privileges in accordance with Board policy 7:220, Bus Conduct.
13. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, Suspension Procedures. A student who has been suspended may also be restricted from being on school grounds and at school activities.
14. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, Expulsion Procedures. A student who has been expelled also shall be restricted from being on school grounds and at school activities.
15. Transfer to an alternative program upon written agreement with the student's parent(s) or following a Board of Education hearing.
16. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), "look-alikes," alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than 2 calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24 1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look-alikes" of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent/guardian. "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers. In addition, provided the appropriate procedures are followed, the Superintendent, Building Principal, Assistant Principal, or Dean of Students may issue in-school suspensions; may issue out-of-school suspensions to students guilty of gross disobedience or misconduct (including all school functions) for up to 10 consecutive school days; and may suspend students from riding the school bus for up to 10 consecutive school days. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment. Students and their parents/guardians must acknowledge receipt of the student handbook in some form upon receipt of the handbook.

MISCONDUCT BY STUDENTS WITH DISABILITIES (BOARD POLICY 7:230)

Behavioral Interventions

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The School Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for children with disabilities.

Discipline of Special Education Students

The District shall comply with the Individuals With Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, and the Illinois State Board of Education's Regulations when disciplining students with disabilities. No student with a disability shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability.

ADDITIONAL DEFINITIONS

Detentions

A detention is a period of time to be made up before school, after school, or during lunch. A detention may be assigned by school staff or an administrator.

Alternative Learning Environment

Administrators may assign a student to an alternative learning environment location as a consequence for gross disobedience or

misconduct. During this time, students are restricted from participating in their scheduled classroom activities and, instead, report to the alternative learning environment for an amount of time determined by the Administration. Students ~~who are assigned to the alternative learning environment~~ will be provided an opportunity to complete their academic work *or given an alternative assignment for equivalent academic credit.*

Saturday School

Saturday School will be held periodically throughout the school year to serve as a disciplinary consequence for a student's gross disobedience or misconduct. Saturday school half sessions run from 8:00 am to 10:00 am, and full sessions run from 8:00 am to 12:00 pm. Students who fail to attend, arrive late, or are removed from Saturday School due to gross disobedience or misconduct will be considered to have missed the session and may be subject to further disciplinary consequences.

School/Community Service Program

The school/community service program is an alternative disciplinary agreement between a student, his/her parent/guardian, and the administration. Administrators retain the discretion to determine whether the school/community service program will be offered as an alternative disciplinary consequence and, if so, the nature of the school/community service program. Students who participate in the school/community service program may be assigned a service for the school or community.

OUT OF SCHOOL SUSPENSION (BOARD POLICY 7:200)

An out-of-school suspension is a temporary exclusion from school due to a student's gross disobedience or misconduct. School officials may impose out-of-school suspensions of one (1) to ten (10) school days. Longer suspensions may be imposed by the Board of Education. The District's suspension procedures are set forth in Board Policy 7:200.

When a student is suspended from school, he/she may not participate in or attend any District activity or event and is prohibited from being on District property.

A suspended student will have an opportunity to make up any missed work for equivalent academic credit. The work missed during the student's absence due to a suspension from school must generally be made up within a period of school days equal to the number of days missed due to being suspended.

Students who are suspended from school for five (5) or more school days will be informed of what, if any, appropriate and available support services will be provided to the student during the his/her suspension from school. These services may include, but are not limited to: a mentor program, social work, tutoring, etc.

A re-engagement meeting between the student, family, and school staff and administrators may be held upon a student's return to school from any period of suspension. The purpose of the meeting is to assist the student in the transition back to school.

EXPULSION BY THE BOARD OF EDUCATION (BOARD POLICY 7:210)

Upon the recommendation of the Superintendent or designee, the Board of Education may expel students guilty of gross disobedience or misconduct. Expulsion shall take place only after the parent(s)/guardian(s) of the student have been provided a written request to appear at a hearing before the Board or with a hearing officer appointed by it. The District's expulsion procedures are set forth in Board Policy 7:210.

A student who has been expelled from school may not participate in or attend any District activity or event and is prohibited from being on District property during the period of the expulsion.

If a student is suspended or expelled for any reason from any public or private school in this or any other state, the student must complete the entire term of the suspension or expulsion before being admitted into District.

STUDENT SEARCH AND SEIZURE (BOARD POLICY 7:140)

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Superintendent or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

BULLYING POLICY (BOARD POLICY 7:180)

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any non-school-related activity, function, or program.

Definitions from Section 27-23.7 of the School Code (105 ILCS 5/27-23.7)

Bullying includes cyber-bullying and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyber-bullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. Cyber-bullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. Cyber-bullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of bullying.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, and (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Bullying Prevention and Response Plan (To replace bullying intervention policy on pages 23 and 24 of middle school handbook.)

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12.

1. The District uses the definition of bullying as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the District Complaint Manager or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District Complaint Manager or any staff member. Anonymous reports are also accepted.

4. Consistent with federal and State laws and rules governing student privacy rights, the Superintendent or designee shall promptly inform the parent(s)/guardian(s) of every student involved in an alleged incident of bullying and discuss, as appropriate, the availability of social work services, counseling, school psychological services, other interventions, and restorative measures.
5. The Superintendent or designee shall promptly investigate and address reports of bullying, by, among other things:
 - a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of a bullying incident was received and taking into consideration additional relevant information received during the course of the investigation about the reported bullying incident.
 - b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.

The Superintendent or designee shall investigate whether a reported incident of bullying is within the permissible scope of the District's jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

6. The Superintendent or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.

7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. A student's act of reprisal or retaliation will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.
8. A student will not be punished for reporting bullying or supplying information, even if the District's investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.
9. The District's bullying prevention and response plan must be based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Superintendent or designee shall post this policy on the District's Internet website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must also be distributed annually to parents/guardians, students, and school personnel, including new employees when hired.
11. The Superintendent or designee shall assist the Board with its evaluation and assessment of this policy's outcomes and effectiveness. This process shall include, without limitation:
 - a. The frequency of victimization;
 - b. Student, staff, and family observations of safety at a school;
 - c. Identification of areas of a school where bullying occurs;
 - d. The types of bullying utilized; and
 - e. Bystander intervention or participation.

The evaluation process may use relevant data and information that the District already collects for other purposes. The Superintendent or designee must post the information developed as a result of the policy evaluation on the District's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students.

12. The Superintendent or designee shall fully implement the Board policies, including without limitation, the following:

 - h. 7:310, Restrictions on Publications. This policy prohibits students from and provides consequences for: (1) accessing and/or distributing at school any written, printed, or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (2) creating and/or distributing written, printed, or electronic material, including photographic material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.

STUDENT EXPRESSION

School officials retain the right to regulate and exercise editorial control over the style and content of student speech in school-sponsored expressive activities so long as their actions are reasonably related to legitimate educational concerns. To the extent that student expression through publications, theatrical productions, speeches and other expressive activities is inconsistent with the basic educational mission of the school, it may be forbidden or restricted.

DISTRIBUTION OF PRINTED MATERIAL

No printed material, which is obscene, vulgar, libelous, threatening, inflammatory, inciting, damaging or disruptive to a good educational climate, will be permitted to be displayed or distributed, by or to, students.

POSTING OF PRINTED MATERIALS

The school reserves the right to control the posting of materials and messages within the school building. Students may not display posters, pictures, and other materials in the hallways and elsewhere in the building without the prior approval of building administration. A judgment will be made on whether the subject and/or message is appropriate for posting and directions will be given on how to post materials in such a way that damage is not caused to wall surfaces.

POTENTIALLY DISRUPTIVE ITEMS

Because of their potential for disturbing the orderly environment of the school, certain items are not to be brought to school. Some examples of such items could be, but are not limited to:

- Electronic games

- Toys

If you believe there is a chance that your clothing may be in violation of the dress code policy, it is better to not wear those particular clothes to school. Any student not in accordance with the above-mentioned dress expectations may be subject to disciplinary consequences, including changing into appropriate clothes or making immediate arrangements for appropriate clothing before returning to class. **If appropriate clothing is not available, the school will lend the student a uniform from the physical education department.**

No student will be excused from school unless a parent/guardian or designated person has been notified and appropriate transportation arranged, including if the student has his/her own car at school. Communicable and Chronic Infectious Disease (Board Policy 7:280)

A student with or carrying a communicable and/or chronic infectious disease has all rights, privileges, and services provided by law and the School Board's policies. The Superintendent will develop procedures to safeguard these rights while managing health and safety concerns.

~~In the event of serious symptoms or injury, paramedics will be called and a parent/guardian contacted. In emergency situation, school officials will be guided by the information provided by parents/guardians on the registration documents filled out annually. It is the responsibility of the parent/guardian to provide accurate contact information to the school in case of illness, injury, or emergency, and notify the school of any updates to the information. Parents/guardians should select emergency contacts who are likely to be available to pick up their child in a timely manner if they are unable to. (Move to Illness/Injury)~~

Illness/Injury

It is expected that injuries that occur outside of the typical school day will be cared for by parents/guardians prior to arrival at school. Notify the nurse of any injuries that need attention at school.

For the protection of the whole student body, students are not permitted to ride the bus home if they are exhibiting signs/symptoms of a contagious illness or communicable and/or chronic infectious disease. The student's parent/guardian will be contacted by the school and expected to arrange transportation.

In the event of serious symptoms or injury, paramedics will be called and a parent/guardian contacted. In emergency situation, school officials will be guided by the information provided by parents/guardians on the registration documents filled out annually. It is the responsibility of the parent/guardian to provide accurate contact information to the school in case of illness, injury, or emergency, and notify the school of any updates to the information. Parents/guardians should select emergency contacts who are likely to be available to pick up their child in a timely manner if they are unable to.

If a student exhibits any of the following during the school day, the student's parent/guardian will be contacted and the student must be picked up from school to go home:

- Fever (temperature of 100 degrees or above)
- Vomiting
- Diarrhea (3 or more loose stools in past 24 hours, or stools that contain blood)
- Excessive cough and/or unable to manage secretions
- Suspicious Rash
- Loss of consciousness

A student should not return to school after he/she has been out of school due to an illness until there is evidence that the student is no longer contagious. This may include a release from the student's physician, absence of symptoms for over 24 hours, or documentation of treatment. These determinations will be guided by the nurse.

Students who come to school with mobility devices (such as crutches, walking boot/shoe, wheelchair, splints or casts) for an acute episode need to submit a note from the doctor that states the activity restriction that warrants the use of the device at the school, including the time frame for the restriction.

MEDICAL EXCUSES FROM PE (Board Policy 7:260)

Excuses for Medical Reasons

Students healthy enough to attend school are *generally* considered healthy enough to attend physical education (PE) class. Notes to excuse students from PE classes for medical reasons are to be presented to the Main Office. Office staff will notify the PE teacher of the excuse. A parent note excusing the student from physical activity can be accepted for up to two days for an injury or illness. A maximum of two parent notes per semester will be accepted. Any duration of time beyond two days will require a ~~note signed~~ *statement* from the student's healthcare provider. The ~~medical excuse note should~~ *statement from healthcare provider shall* include a diagnosis, *any* restrictions needed, and the length of ~~time for~~ the restriction. If the length of time is undetermined or "until further notice," a new note from the healthcare provider will be needed every three months until the student is released from the restriction.

If the student is allowed limited or modified participation, the healthcare provider's note should list specifically what activities/modifications are allowed. A modified physical activity form is available in the Nurse's Office.

Excuses for Religious Reasons

In addition, students may be excused from PE based on a religious prohibition. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Notes to excuse students from PE classes for religious reasons are to be presented to the Main Office. Office staff will notify the PE teacher of the excuse.

MEDICATION POLICY (BOARD POLICY 7:270)

Whenever possible, the parent/guardian should make arrangements for medication to be administered at home, before or after school hours and not at school or school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for a student to take medication during school hours or school-related activities, the student's parent/guardian must request that the school dispense the medication to the student and school district guidelines must be followed for dispensing or administering the medication. The District may reject requests for administration of medication.

No District employee shall administer to any student, or supervise a student's self-administration of, any medication until the required documentation is completed, signed, and submitted by the student's parent/guardian. No student shall possess or consume any medication on school grounds or at a school-related activity other than as provided in the District's policy and these guidelines.

1. Medication is defined as either prescription or non-prescription drugs.

2. Medication will not be given by a school employee to a student without the completion and submission of a Med-A form, and other documentation if required, signed by both the parent/guardian and the student's licensed health care provider.
3. ~~Special~~ *Specific* forms are required for *students with* asthma, diabetes, allergies, and seizures. Forms and packets can be obtained in the Main Office or Nurse's Office or on the District website. *Parent(s)/guardian(s) of a student with asthma are requested to submit an Asthma Action Plan for the student. If provided, the Asthma Action Plan will be kept on file by the Nurse. The District's Asthma Emergency Response Protocol is available from the Main Office or Nurse's Office.*
4. The Med-A form must be completed annually for each medication and updated upon any changes.
5. Students may not transport medication to and/or from school. It is the parent/guardian's responsibility to personally deliver the medication to school and to pick up any "left over" medication at the close of the school year. Any medications left at the school at the end of the school year will be disposed of in a safe and appropriate manner.
6. Medications must be in their original containers and the containers must include the student's name, the medication's name, dosing information (the amount to be dispensed and the time at which or circumstances under which the medication is to be administered), and expiration date. No medication will be given by school personnel if the medication arrives at the school in an envelope or improperly labeled bottle/inhaler.
7. Medications at school will be stored in a locked cabinet in the *Nurse's Office*, or in the school nurse's refrigerator, if required.
8. When necessary, the school nurse will provide appropriate staff members with information concerning the medications being taken by students (i.e., side effects, other medical implications, etc.).
9. Medication dispensing guidelines include:
 - a. Medications will be dispensed to one student at a time.
 - b. The designated school employee will transfer the indicated dosage from the container to the student.
 - c. The designated school employee will initial the Individual Student Med Log form at the time it is administered.

Administering Medication to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed "School Medication Authorization Form" is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

Self-Carry & Self-Administration of Medication

A student may possess ("self-carry") an asthma inhaler or epinephrine auto-injector (EpiPen®) for immediate use at the student's discretion, provided the completed Med-A form and other required forms (available in the Nurse's Office and on the District's website) are signed and returned to the Nurse's Office.

The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel.

The District may authorize the provision of an epi-pen to a student authorized under a student's Individual Health Care Action Plan, Illinois Food Allergy Emergency Action Plan and Treatment Authorization Form, or plan pursuant to Section 504 of the federal Rehabilitation Act of 1973 to administer an epi-pen to the student that meets the prescription on file.

~~The~~ *A student's* possession, distribution, or use of any medication (including non-prescription drugs) without proper authorization is in violation of the school policy relating to drug use, and a student may be subject to discipline (see Discipline).

School District Supply of Undesignated Epinephrine Auto-Injectors

The Superintendent or designee shall implement Section 22-30(f) of the School Code and maintain a supply of undesignated epinephrine auto-injectors in the name of the District and provide or administer them as necessary according to State law. Undesignated epinephrine auto-injector means an epinephrine auto-injector prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated epinephrine auto-injector to a person when they, in good faith, believe a person is having an anaphylactic reaction.

This section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated epinephrine auto-injectors from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school epinephrine auto-injectors.

Upon any administration of an undesignated epinephrine auto-injector, the Superintendent or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Upon implementation of this policy, the protections from liability and hold harmless provisions as explained in Section 22-30(c) of the School Code apply.

No one, including without limitation parents/guardians of students, should rely on the District for the availability of an epinephrine auto-injector. This policy does not guarantee the availability of an epinephrine auto-injector; students and their parents/guardians should consult their own physician regarding this medication.

Field Trip Medications

Only "daily" medications and "emergency" medications are to be sent on field trips. A Med-A form, and other documentation if required, must be on file in the Nurse's Office to ensure those medications are taken on the field trip. Medications designated "as needed" are not taken unless pre-arranged by a parent/guardian and the school nurse.

Medicaid Fees for Services

Medicaid reimbursement is a source of federal funds approved by Congress to help school districts maintain and improve special education services. If Medicaid eligible, therapy and diagnostic services provided to children are partially reimbursable. With the parent/guardian's written consent, CCUSD 301 will claim Medicaid reimbursement for services provided. These claims will have no impact on the parent/guardian's or student's ability to receive Medicaid funding either now or in the future.

CONCUSSION POLICY

The District takes the safety of its students seriously and has developed a program to manage student concussions and head injuries. Please see Board Policy 7:305 for the District's concussion policy. The District's concussion management resources, including consent forms, return-to-play protocol, and return-to-learn protocol, are available for PKMS at <http://il.8to18.com/PrairieKnolls> and for CMS at <http://il.8to18.com/bcms/>. Please contact the Athletic & Activities Director or school nurse with any questions regarding concussions or the District's concussion management program.

STUDENT SERVICES

GRADE REPORTING

Report cards will be posted through Skyward Parent Access at the end of each quarter of the school year.

GRADING POLICIES

- 1) Students will earn letter grades for courses in both the core and exploratory curriculum programs.
- 2) Student work will be evaluated using the following letter grades:
A=100-90%; B=89-80%; C=79-70%; D=69-60%; F<60%; I= Incomplete; P= Pass
- 3) The points for letter grades on the report card is as follows:
A=4.00; B=3.00; C=2.00; D=1.00; F=0.
- 4) Pluses and minuses may be appended to letter grades, but do not affect grade points.
- 5) Grades will be published quarterly. Semester averages will not be reported. No semester exam grades will be published on

report cards.

6) A teacher may determine to issue an incomplete grade to a student who has experienced prolonged periods of absence during the grading period. All incompletes must generally be cleared within two weeks of the end of the semester. At the conclusion of the two week extension, teachers will calculate the student's grade with a score of zero entered for any assignments/assessments not completed. The resulting grade will be recorded in place of the incomplete. (If extenuating circumstances exist, the Principal or designee may exercise discretion in extending the two week deadline.)

HONOR ROLLS

Gold, Silver and Bronze Honor Rolls will be completed at the end of each quarter.

Gold Honor Roll = grade point average of 3.75 or better.

Silver Honor Roll = grade point average of 3.4 to 3.74 (with no grades of D or F)

Bronze Honor Roll = grade point average of 3.0 to 3.39 (with no grades of ~~D or~~ F)

No student who receives an F or I (incomplete) for the grading period in any course may be placed on any of the three honor rolls regardless of the grade point average earned. Students receiving a D for the grading period in any course may attain no higher than honorable mention (Bronze Honor Roll) status regardless of their grade point average. (Note: Students who are held off the honor roll due to one or more "incomplete(s)" and who makeup the work in the time allotted, may be added to the Honor Roll at a later date, once an accurate grade point average has been calculated.)

DEFICIENCY / PROGRESS REPORTS

Student grades are available online throughout the school year through Skyward. Families desiring hard copies of Progress Reports may contact the office to make this request.

Referrals to the P.S.T. can be made by any member of the team, a staff member, and/or a parent.

HOME AND HOSPITAL INSTRUCTION (BOARD POLICY 6:150)

A student who is absent from school, or whose physician anticipates that the student will be absent from school, because of a medical condition may be eligible for instruction in the student's home or hospital. Eligibility shall be determined by State law and the Illinois State Board of Education rule governing (1) the continuum of placement options for students who have been identified for special education services or (2) the home and hospital instruction provisions for students who have not been identified for special education services. A student qualifies for home and hospital instruction when a physician anticipates a student's absence due to a medical

condition for an extended period of time (i.e., for 2 or more consecutive weeks) or on an ongoing intermittent basis (i.e., the child's medical condition is such a nature or severity that it is anticipated the student will be absent from school due to the medical condition for periods of at least 2 days at a time multiple times during the school year totaling at least 10 days or more of absence).

Appropriate educational services from qualified staff will begin no later than 5 school days after receiving a physician's written statement. Instructional or related services for a student receiving special education services will be determined by the student's individualized educational program.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction (1) before the birth of the child when the student's physician indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to 3 months after the child's birth or a miscarriage.

Periodic conferences will be held between appropriate school personnel, parent(s)/guardian(s), and hospital staff to coordinate course work and facilitate a student's return to school.

EDUCATION OF CHILDREN WITH DISABILITIES (BOARD POLICY 6:120)

The School District shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the Individuals with Disabilities Education Act (IDEA) and implementing provisions of the School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act. The term "children with disabilities," as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined, through definitions and procedures described in the Illinois State Board of Education's Special Education rules, that special education services are needed.

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the Illinois State Board of Education's Special Education rules. For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the Rehabilitation Act of 1973, need or are believed to need special instruction or related services, the District shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), representation by counsel, and a review procedure.

The District may maintain membership in one or more cooperative associations of school districts that shall assist the District in fulfilling its obligations to the District's disabled students.

RETENTION

The school district reserves the right to retain a student at any grade level based on professional evaluation and in view of each student's individual progress. In accord with the Illinois School Code, criteria relating to academic success will be used as the basis for a student's being considered for retention.

DISTRICT 301# MIDDLE SCHOOL RETENTION POLICY

Our policy, as stated in the Student / Parent Handbook is that “the school district reserves the right to retain a student at any grade level based on professional evaluation and in view of each student’s academic progress.” Moreover, state legislation prohibits school districts from promoting students to the next grade level without evidence of mastery of the academic content of the student’s present grade.

In order for a student to be promoted to the next grade level, he or she must have an overall grade average of D- or higher. The way in which this will be determined will be through a credit system. Middle school students are scheduled in 20 credit hours per year. The following is the credit break-down for middle school academic courses:

ELA	=	1 credit per quarter
Math	=	1 credit per quarter
Science	=	1 credit per quarter
Social Studies	=	1 credit per quarter
Encore	=	1/2 credit per quarter
P.E.	=	1/2 credit per quarter
Band / Chorus	=	1/4 credit per quarter

*Reading Intervention and Special Education Courses taken in place of Core Courses also count as 1 credit per quarter.

To be promoted to the next grade level, a student must earn 12 core credits throughout the school year. These 12 credits are the equivalent of a D- grade point average. If a student fails to earn 12 credits for the school year, he or she would be required to take summer school course(s). Students may take up to 4 credits in the summer, thus giving the student a chance to still be promoted if all required summer credits are earned. If the student fails to make up the required credits, retention will occur. If a student earned 7 credits or less during the school year, he or she would be unable to make up the required 4 credits during the summer due to the maximum of 4 summer credits accepted. This would also result in retention. The Assistant Principal or designee will be responsible for the management of all retention issues, while keeping the building Principal informed at all stages of the process.

8th Grade Credit Recovery Program

Any student who receives an F in a core subject course, in a given quarter, will be placed in an on-line Credit Recovery Course for the following quarter. This includes students who fail a 4th quarter core course in 7th grade. Students who have received multiple F's in Quarters 1, 2 and 3 of his or her 7th grade year may be placed in this course as well. The 8th Grade Credit Recovery Courses are taken in place of the student's current encore class. This program is designed to provide intervention in content areas covered in the previous Quarter. Completion of each Credit Recovery Course will result in the recovery of the subject area credit for one quarter.

- 8th graders who have not earned at least the required 12 credits by the last day of school will not be allowed to participate in the 8th Grade Promotion Ceremony.

Communication and Intervention with students and parents regarding retention will occur in the following ways:

1. Parents of students who earn multiple failing grades will receive an academic concern letter at the end of Quarter 1 and Quarter 2. Interventions such as Parent-Teacher meetings, Task Intervention placements, and/or Problem Solving Team meetings may also occur.
2. At the end of quarter 3, parents of possible retention candidates will receive a retention warning letter along with summer school information. Parents will also be notified by phone.
3. At the end of quarter 4, students who haven't earned the required 12 credits will receive a retention letter with the summer school subjects that are required for promotion (if applicable).

STUDENT RECORDS (BOARD POLICY 7:340)

School student records are confidential. ~~Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below: As provided in State or federal law student records do not include:~~

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 17 years who has been arrested or taken into custody

~~State and federal law grants students and parents/guardians certain rights, including the right to inspect, copy, and challenge school records. The information contained in school student records shall be kept current, accurate, clear, and relevant. All information~~

~~maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The District may release directory information as permitted by law, but a parent/guardian shall have the right to object to the release of information regarding his or her child. However, the District will comply with an ex parte court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to, or the consent of, the student's parent/guardian.~~

~~The Superintendent shall fully implement this policy and designate an official records custodian for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records. Upon request, the District will disclose school student records without a parent/guardian's or student's (if 18 or over) consent to officials of another school district in which a student has enrolled or intends to enroll, as well as any person as specifically required by State or federal law or court order.~~

Required Notices and Directory Information

Under the Illinois School Student Records Act (ISSRA) and the Family Educational Rights and Privacy Act (FERPA), parents/guardians and students over 18 years of age ("eligible students") have certain rights with respect to the student's education / school student records.

In compliance with Illinois and federal law, the District shall maintain two sets of student records. The **permanent record** shall include basic identifying information concerning the student, his or her parents' names and addresses, the student's gender, ~~and~~ date/place of birth, academic transcripts, attendance record, health records required for enrollment, unique student identifier, a certified copy of the student's birth certificate, and a record of any release of this information. The permanent record may also include honors/awards received and information concerning participation in activities/athletics. No other information shall be placed in the permanent record.

The **temporary record** consists of all other records maintained by the District concerning the student and by which the student may be individually identified. The temporary record must include a record of release of the information contained in the temporary records, scores received on state assessment tests administered in grades K-8, a completed home language survey form, information regarding serious disciplinary infractions (i.e., those involving drugs, weapons, or bodily harm to another) that resulted in punishment or sanction of any kind, information regarding any indicated report pursuant to the Abused and Neglected Child Reporting Act, health-related information, and accident reports. It also may include family background information, intelligence/aptitude scores, achievement test results, psychological reports, honors/awards, athletics/activities, other disciplinary information, teacher anecdotal records, special education records, records associated with Section 504 of the Rehabilitation Act of 1973, participation in extracurricular activities, and/or other information relevant to the education of the student which is not required to be in the permanent record. Information in this record shall reference authorship, position, and date. No person may condition the granting or withholding of any right, privilege, or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.

CCUSD 301 may release directory information to the general public, including local media and military recruiters, and publish such information in a school directory, school yearbook, or similar District publications. The District has designated the following information as **directory information**: the student's name, address, telephone number, date and place of birth, major field of study, participation in school-sponsored organizations and activities membership on athletic teams, dates of attendance, and academic awards, degrees, and honors received. Directory information also includes photographs, videos, or digital images of students used for informational or news-related purposes of a student participating in a school or school-sponsored activity, organization, and athletics that have appeared in school publications. However, photographs highlighting individual faces and used for commercial purposes require prior, specific, dated, and written consent of the parent. An image on a school security videotape recording is not directory information. Further, student social security numbers or student identification or unique student identifiers are not directory information. Parents/guardians will be given the opportunity to object to the release of directory information prior to its release. A parent/guardian or eligible student may prohibit the release of any or all of the above-designed directory information by providing a written request to the Building Principal.

Parent(s)/guardian(s) ~~and~~ or eligible students have the right to inspect, copy, and challenge the student's record. *In addition, a student less than 18 years old may inspect or copy information in his/her permanent school record. A request to inspect or copy a student's school record shall be granted within 15 school days after the receipt of such a request.* Parent(s)/guardian(s) may request a qualified professional to be present to interpret the student's records. *Access shall not be granted the parent(s)/guardian(s) or the student to the following: confidential letters, recommendations concerning the admission to a post-secondary educational institution; application for employment. For further information, please contact your building principal.*

Unless the District has actual notice of a court order or a notice of a parenting plan under the Illinois Marriage and Dissolution of Marriage Act, indicating otherwise: Divorced or separated parents/guardians with and without parental responsibilities (formerly

custody) are both permitted to inspect and copy the student's school student records; ~~the building principal shall send copies of the documents listed below to both divorced or separated parents/guardians at either's request (academic progress reports or records; health reports; notices of parent teacher conferences; school calendar regarding the student; notices about open houses, graduations, and other major school events including student-parent/guardian interaction).~~ The school District will deny access to a student's school records *only* to a parent against whom an order of protection was issued *if the order of protection prohibits the parent from inspecting or obtaining such records.* ~~The school will deny access to a student's school records to a parent/guardian who is not allocated parenting time (formerly visitation), unless they present a court order. Access shall not be granted the parent(s)/guardian(s) or the student to the following: confidential letters, recommendations concerning the admission to a post-secondary educational institution; application for employment. For further information, please contact your Building Principal.~~

The District shall maintain and destroy student records in accordance with Illinois and federal law. A student's permanent record is maintained for at least 60 years after the student has graduated, withdrawn, or transferred from the District. A student's temporary record is maintained for at least 5 years after the student has graduated, withdrawn, or transferred from the District. Upon graduation, transfer, or permanent withdrawal of a student from the District, the school shall notify the parents/guardians and student, at their last known address, of the destruction schedule for the student's permanent and temporary records. Parents/guardians, or the student if at least 18 years of age at the time of the request, may request a copy of the student's records prior to the destruction date for a copying fee.

Students in grades 10-12 ~~and~~ *or* their parent(s)/guardian(s) may deny access to the student's name, address, and phone number to official military and higher education recruiting representatives by submitting a written request to the Building Principal before the end of the student's 10th grade year, or ~~by~~ *within thirty-30* days *of transfer* for students who transfer into the high school after that point.

Parent(s)/guardian(s) and *eligible students* have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington DC 20202-4605.

CENTRAL COMMUNITY UNIT SCHOOL DISTRICT 301 TRANSPORTATION HANDBOOK

BUS TRANSPORTATION (Board Policy 7:220)

Illinois law requires that ~~School~~ *the* District provide transportation to and from school for all ~~public school pupils~~ *students* living ~~more than~~ *1 ½ miles or more away* from their school of attendance. ~~Where a hazard is identified which significantly jeopardizes the safety of a student living less than 1 ½ miles from their school of attendance, the District will follow the State of Illinois guidelines.~~ **All students are assigned a CCUSD 301 bus unless they are within walking boundaries.** *If a serious safety hazard exists along the walking route of students who lives less than 1 ½ miles from their school of attendance, the District will follow the State of Illinois guidelines.*

The State of Illinois has very strict ~~legislation~~ *rules and regulations* on the matter of school buses. CCUSD 301 is committed to carrying out these regulations in order to provide the most efficient and safest transportation possible. The following rules are included here to ensure students and parents have an understanding of what is expected of students while entering, riding, or leaving the school bus.

Instructions to Parents

Busing information for the current school year is available on the District's website through the [Bus Information Link](#) . This is a web-based program that will provide the most current busing information, such as bus time, bus stop location, and bus number.

Please complete the [Student Transportation Information](#) (STI) form ONLY if you require busing to/from an alternate location within your attending school's boundaries, if you do not require CCUSD 301 transportation, or if you are making a change to your child's transportation. Students are allowed only one inbound bus and only one outbound bus. (Accommodations cannot be made for different buses on different days.) Please allow up to 48 hours to process any changes to your student's transportation. To verify the request has been processed, please visit the Bus Info link located at www.burlington.k12.il.us. *Contact Dr. Todd Stirn with questions about transportation for foster care students.*

Instructions to School Bus Riders

The school bus is an extension of the classroom; therefore, all school rules apply on the school bus. The CCUSD 301 Transportation Handbook, which is included in this Handbook, governs school bus conduct.

School bus riders, while in transit, are under the jurisdiction of the school bus driver and any adult designated by the Board of Education to supervise bus riders. Any student who violates the following regulations ~~and/or~~ school rules while riding the bus may be reported ~~by the bus driver~~ to the middle school administration. ~~via a bus conduct report and a disciplinary consequence may be issued to the student.~~ *The student may be subject to disciplinary consequences.* Transportation guidelines are in addition to CCUSD 301 policies and procedures, including those outlined in this ~~Student~~ Handbook.

Safety Regulations and Guidelines:

1. Ride only on your assigned school bus.
2. Arrive at designated bus stop 5 minutes prior to your scheduled pickup time. Be careful in approaching the place where the bus stops. Do not move toward the bus until the bus has been brought to a complete stop.
3. Remain in your assigned seat while the bus is in motion.
4. Always be alert and listen for any instructions given by the driver.
5. Keep windows at or above the white safety line at all times. Do not throw anything out of the windows. When you are on the bus, keep hands and feet inside the bus at all times.
6. Refrain from making abrupt, loud noises, and/or causing any unnecessary confusion that could divert the driver's attention from safely riding the bus. Be absolutely quiet when approaching and crossing a railroad track.
7. Refrain from littering, defacing, or destroying bus property. Never tamper with the bus or any of its equipment.
8. Assist in keeping the bus safe and sanitary at all times. Eating, drinking, or gum chewing is not allowed in the bus.
9. Do not bring any animals on the bus, unless a service animal.
10. Respect the driver, fellow pupils, *other riders*, and yourself.
11. Do not ask the driver to stop at places other than ~~the~~ regular assigned bus stops. The driver is not permitted to alter their route or drop students off anywhere except for designated *points bus stops* without proper authorization from ~~the~~ a *middle school* administrator.
12. Walk at least 10 feet in front of the bus if you must cross the street after being dropped off and wait for the driver to signal to cross the road. Never run in front of a car or bus.

If necessary, students may have to sit 3 in a seat on a school bus due to the number of students riding the bus.

It is imperative that all students actively observe and support these transportation regulations and actions. The same rules and regulations apply on all bus trips, including for school sponsored trips as well as between home and school. Students who are unable to abide by the rules and expectations in order to maintain a safe environment when riding a school bus may face disciplinary consequences depending on the severity of the action.

Students who are suspended from the bus and who do not have alternative transportation to school will be provided the opportunity to make up any missed work for full academic credit pursuant to the "Makeup Work" rules set forth in the Attendance and Truancy Policy of this Student Handbook. It is the responsibility of the student's parent to notify the school principal or other administrator that the student does not have alternative transportation to school to ensure the student receives appropriate make up work.

Restricted Items

~~1. Because of the potential for disrupting the school bus driver, certain items are not to be brought on the bus. Some examples of such items could be, but are not limited to:~~

- ~~— Electronic games~~
- ~~— Toys~~
- ~~— Playing cards~~
- ~~— Laser lights~~
- ~~— Cameras~~
- ~~-~~

~~In some cases the student may seek approval from the Transportation Director or building administration for special situations (i.e., field trips, athletic trips, etc.)~~

~~2. Cell Phones may be used responsibly on the school bus. Any misuse of a cell phone will result in disciplinary action as outlined in the Student/Parent Handbook. Examples of misuse include, but are not limited to:-~~

- ~~— Using phone as a camera~~
- ~~— Displaying inappropriate images/websites~~
- ~~— Use of inappropriate language during calls or texts~~
- ~~— Use of phone for Harassment or Intimidation~~

~~3. Music devices are allowed on the school bus as long as they are kept at a volume that can not be heard by others and the listener can still hear emergency directions.—~~

Emergency Days - School Dismissal Due to Weather

At times during the winter, severe snow conditions may make bus transportation impossible or unsafe and all schools in the district will be forced to close *or have a delayed starting time*. ~~Notification of such closing will be made prior to 7:00 in the morning and will be done via local radio stations. If weather conditions are questionable, tune your radio to WRMN in Elgin (1410 AM or 94.3 FM).— Other local radio stations will also be notified.— Other emergency information will be disseminated via student outreach and the district website. In such cases, local radio stations will be notified prior to 7:00am. If weather conditions are questionable, tune your radio to WRMN in Elgin (1410 AM or 94.3 FM), WLBK in DeKalb (1360 AM or 92.5 FM), or to WFXW in Geneva (1480 AM). The school may also utilize School Reach via phone and/or email to notify parents.~~

~~In the event the start of the school day is delayed for any reason, information will be available on the radio stations.—~~

Also, on occasion during the school day, weather conditions may become severe and it may be advisable to close school early. Since it is impossible to notify parents when this is done, it is suggested that if parents plan to be away from home on a school day they arrange with their child as to where he/she should go if any early dismissal is deemed necessary.

Many bus routes have some places where buses are required to turn around in a driveway. At these points, during times with considerable snow and drifting, it may be advisable for the bus to stay on the main route and to eliminate all points where backing is necessary. Parents are requested to give their bus driver full cooperation and to provide transportation to and from the bus in all cases where snow conditions are bad.

TO: Parents and Guardians of Elementary School Children
FROM: The Elementary Principals
SUBJECT: The 2016-2017 Elementary Handbook

Dear Parents:

It is a pleasure to provide the children of our school district with an excellent education. Since the elementary grades form the foundation of our system, we are particularly proud of the teachers, curricula, and programs we are able to offer the youngest members of our school community. All of our elementary schools continue to expand horizons of opportunity with dedicated teachers and support personnel investing considerable time and talent developing exciting programs and activities for the children of our district. The numerous ways we continue to respond to the ever-changing, dynamic needs within the public school setting are visible throughout each grade school building.

While this handbook is not a contract with students, it is one key resource for you to use in learning about our schools' policies, practices, procedures, guidelines and expectations. The board reserves the right for school administrators to exercise professional discretion when enforcing these policies, allowing for situational differences that may arise. The handbook has been organized to help answer your inquiries. This format was designed with the help of many parents, teachers, and school office personnel. We do hope you will invest some time in reading and using this book.

Our goal is to meet the needs of our students. As parents, you are our foremost partners in achieving that goal. Together, we can forge learning opportunities for each and every child attending our classes and programs. Communication is essential for our success. We ask that you work with your school's personnel to insure that information is exchanged in a positive and purposeful manner. We pledge to do the same. We look forward to working with each of you during the coming year.

Sincerely,

GENERAL INFORMATION

Cafeteria

Elementary schools offer a USDA Reimbursable Value Meal each day. Each morning, classroom teachers' provide an accounting of the students who wish to have the "Value Meal of the Day", or a count of the students who wish to have a "Grilled Cheese Sandwich", in place of the meat/protein item and a count of how many students who brought their lunch from home and will be purchasing a milk. These counts are shared with the Head Cook so enough food is prepared and available each day.

- Students who choose the "Value Meal of the Day", will receive all meal components: meat/protein item, whole grain bread/pasta item, vegetables, fruit and milk. Students are served the "Value Meal of the Day" without eliminations.
- The cost of all menu items in the Value Meal are set at one meal price.
- If a student would like to have a non-meat item, they will be served a "Grilled Cheese Sandwich" in place of the meat/protein item, at no additional charge.
- Milk is sold to students who would like to have a milk with the lunch they brought from home or if the student would like an extra milk to drink with his "Value Meal of the Day".
- The only ala carte item sold in Elementary schools is milk. Each student will be charged for each carton of milk purchased.

A student's eligibility for free or reduced priced meals shall be determined by family size income guidelines set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education.

So the system can work efficiently for all students, we ask that the following rules be observed:

1. Students are to eat only at their scheduled lunch time.
2. Students need to be orderly and move through the lunch line picking up their tray, proceed to the cashier and sit at a chosen table.
3. Students should pick-up all lunch debris from the table and floor and empty lunch trays into trash bins and return the trays to the kitchen.
4. Put lunchroom materials appropriate for recycling in the specified recycling containers.

Every student has a lunch account based on his/her Student ID Number. Money can be placed in the account by giving cash or a check to the kitchen, or by activating an account through www.myschoolbucks.com. (There is a \$1.95 service fee charged by myschoolbucks.com for each lunch account deposit.) All checks given to the Head Cook or Cashier will be credited to

the student's lunch account. A student may not receive money back from a check given to Head Cook or cashier to credit his/her lunch account.

Central 301 Schools' Food Service Department is committed to serving lunches to all Elementary students. Due to varied circumstances, students may not have money to purchase a lunch. Elementary students will be allowed to charge up to \$10.00 before they are given a cheese sandwich and milk at a charge of \$1.50. Students will only be allowed to charge 5 milks or \$2.00. Parents will receive notification weekly, via email, if your child's account becomes negative. The Negative Balance Policy also applies to students eligible for reduced price lunches.

Contacting Your Child's Teacher

We encourage you to contact your child's teacher if you have any questions about your child or our program. If you would like to speak to a teacher, please call the office. If you leave your name, number, and a brief message, we will have the teacher call you back as soon as possible. You may also contact the teacher by school email. Most emails follow this format: first name.last name@central301.net (john.smith@central301.net.) Keep in mind that our district spam filter may interrupt the delivery of some messages

Dress Code

We request your assistance in making sure that your child is dressed properly, particularly during the colder months. Students are encouraged to wear layers during the winter months; if the building temperature fluctuates during the day, it is easy to add or remove sweaters or sweatshirts. During the warm months students should wear cooler clothing. Please note:

- Clothing which is considered revealing will not be allowed on any student. Short shorts/skirts, bare mid-driffs, halter tops, exposed undergarments, spaghetti straps and other clothing items determined by school personnel to pose a significant distraction of the learning environment are not considered appropriate attire.
- For safe movement within and out of the building please provide appropriate footwear for your child.
- Articles of clothing that have weapons, alcohol, or tobacco messages are prohibited. Messages/logos on clothing must be appropriate to the elementary school environment.

Electronics (See Board Policy 6:235 and related exhibits)

CCUSD301 issues each student a Chromebook for educational purposes. All electronic devices (cell phones, radios, iPods, MP3 players, iPads, portable DVD players, gaming devices, and/or similar devices) may be used in a classroom setting with either administration or supervising teacher's discretion, if specified within the student's individual education program (IEP) or 504, or is needed in an emergency that threatens the safety of students, staff or other individuals.

Electronic Devices (Board Policy 6:235)

The District's electronic networks, including the Internet, is a part of the District's instructional program and serves to promote educational excellence by facilitating resource sharing, innovation, and communication. Use of all electronic devices allowed as part of the District's Bring Your Own Device ("BYOD") program and the CCUSD301 issued Chromebook must be consistent with District policies and procedures. Such electronic devices may be used during instructional time only for educational purposes as approved by the administration or teacher. Personal devices may be used by students during non-instructional time, such as during passing periods, lunch, and before or after school. Students may not place or receive phone calls during school day hours (8:50am-3:35pm).

Use is a privilege, not a right. Students and staff members have no expectation of privacy in any material that is stored, transmitted, accessed via the District's electronic networks. The District's rules for behavior and communications apply when using the electronic networks. Refer to the Chromebook Handbook issued by the district.

Emergency Day: School Dismissal Due to Weather

At times during the winter, severe snow conditions may make bus transportation impossible or unsafe and all schools in the District will be forced to close or have a delayed starting time. In such cases, local radio stations will be notified prior to 7:00am. If weather conditions are questionable, tune your radio to WRMN in Elgin (1410 AM or 94.3 FM), WLBK in DeKalb (1360 AM or 92.5 FM), or to WFXW in Geneva (1480 AM). The school may also utilize School Reach via phone and/or email to notify parents.

Also, on occasion during the school day, weather conditions may become severe and it may be advisable to close school early. Since it is impossible to notify parents when this is done, it is suggested that parents arrange with their child in advance where he/she should go if any early dismissal is deemed necessary.

Many bus routes have areas where buses are required to turn around in a driveway. At these points, during times with considerable snow and drifting, it may be advisable for the bus to stay on the main route and to eliminate all points where backing is necessary. Parents are requested to give their bus driver full cooperation and to provide transportation to and from the bus in all cases where snow conditions are bad.

Excuses from Physical Education and Recess

Medical Reasons

Students healthy enough to attend school are considered healthy enough to attend PE and recess. A parent note excusing the student from physical activity, PE and recess, can be accepted for up to two days for an injury or illness. A maximum of two parent notes per semester will be accepted. beyond this, a medical excuse from a physician is required. When a doctor is providing a medical excuse for a child, the note should include a diagnosis, restrictions needed, and the length of time for the restriction. If the length of time is undetermined or "until further notice," a new note from the healthcare provider will be needed to release the student from restriction.

Any duration of time beyond two days will require a signed statement from the student's healthcare provider. The statement from healthcare provider shall include a diagnosis, any restrictions needed, and the length of the restriction. If the length of time is undetermined or "until further notice," a new note from the healthcare provider will be needed every three months until the student is released from the restriction.

Religious Reasons

In addition, students may be excused from PE based on a religious prohibition. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Notes to excuse students from PE classes for religious reasons are to be presented to the Main Office. Office staff will notify the PE teacher of the excuse.

Items Brought to School

1. BIRTHDAY TREATS: should be in the form of a non-food item such as birthday pencils or bringing your favorite story to have the teacher read for the class. Food items are not allowed as they can distract from the educational environment and is counterproductive to the health curriculum standards.

2. **BICYCLES, SKATEBOARDS, IN-LINE SKATES:** If you ride a bike to school it must be walked on school property and parked in the bike racks provided. All bicycles should be kept locked when you are in the school building. The school is not responsible for damage or theft of parts while bicycles are parked in the racks. Bicycles may be ridden to and from school provided good safety rules are followed. Bicycles cannot be housed in the school. Bicycle racks will be off limits during school hours. Skateboards, in-line skates, and wheelies (including shoes with wheels built into them) are not allowed on school grounds. Any students found with such items will:
 - a. receive a verbal warning
 - b. have such item confiscated to be picked up by a parent/guardian
 - c. have such item confiscated for the remainder of the school year

3. **CELLPHONES:** If a parent deems it necessary for a student to have a cell phone, the phone must be turned off and kept zippered in the child's backpack.  - a. Student Dismissal Using phone as a camera.
 - b. Displaying inappropriate images/websites.

7. **MOTORIZED VEHICLES:** The use of unlicensed motorized vehicles on School District 301 property is prohibited. This includes but is not limited to all-terrain vehicles, dirt bikes, snowmobiles, go-carts, and any off-road vehicles. Consequences for this behavior may include suspension out of school as well as charges filed with local authorities.

Lost and Found

The lost and found is kept in a clearly marked container. Please label all items of clothing that a child removes during the course of a day (e.g. sweaters, mittens, hats, boots, gym shoes, etc.); proper labeling will help keep your child's things out of the lost and found. The schools donate all unclaimed lost and found items to charity after fall conferences and after the last day of school.

Lunch

~~Your children may bring their lunch from home or they may participate in our hot lunch program. All District 301 schools will be using an on-line payment system. Money can be sent to school in an envelope marked with the child's name, grade, and teacher's name or by going to the website and paying with a credit or debit card. Students who do not have a lunch or lunch~~

~~money will be given a lunch or sandwich and milk. Students will be billed for this lunch and a lunchroom staff member will contact parents regarding money owed. (See "cafeteria" above)~~

Notification Regarding Sex Offender Information

Public Act 94-994, requires a principal or teacher to notify parents during school registration or parent teacher conferences that information about sex offenders is available to the public. The Illinois Sex Offender Information website is <http://www.isp.state.il.us/sor>. If you have any questions, please contact your building principal.

Outside Play

Please dress your child appropriately so that s/he may be outside when the weather permits. Snow and moderately cold weather do not keep the children inside. All children will participate in outdoor activities if the outside temperature with wind chill is 0 degrees or above. Snow pants and boots are required for children to play in the snow. Each school has playground rules to follow.

Parent-Teacher Organization / Committee (PTO/PTC)

Each of the elementary schools has a Parent-Teacher Organization / Committee. These organizations involve staff and parents in a partnership which better the education of the children. The PTOs/PTCs donate time and money which are used to enhance the students' academic environment. All parents are welcome; we encourage you to join and participate.

Safety Drills

Periodically during the school year, safety drills will be held as required by Illinois law. When the alarm is sounded, students and teachers should proceed immediately according to appropriate procedures. Procedures for safety drills and school emergency and crisis response plans are posted in all classrooms.

School Safety

The safety of our students and staff is our first priority at each elementary building. During the school hours before 8:50am and after 3:45pm, all exterior doors are kept locked and access to the building will be limited. **Students are not to open any door to permit entry from outside the building, even if the person is familiar to the student.** Additionally, the propping or opening doors to anyone from the outside is prohibited. All visitors should be directed to the Main Office. Failure to abide by this policy, may result in disciplinary consequences.

Student Insurance

If a student insurance program is offered, it will be the responsibility of the student's parents, not that of the school, to file claims with the designated insurance representative in the event of injury. When an optional student insurance program is offered, claim forms will be available in the school office.

Student Records and Directory Information (Board Policy 7:340)

~~A cumulative record folder is started when your child enters school. It contains basic identification facts, standardized test scores (when available), and other information which might be helpful to teachers (such as reading test scores). At your request, your child's folder will be made available for your examination. Please phone ahead so we can arrange to have a teacher or principal present to help you interpret the records.~~

Under the Illinois School Student Records Act (ISSRA) and the Family Educational Rights and Privacy Act (FERPA), parents/guardians and students over 18 years of age (“eligible students”) have certain rights with respect to the student’s education / school student records.

In compliance with Illinois and federal law, the District shall maintain two sets of student records. The **permanent record** shall include basic identifying information concerning the student, his or her parents’ names and addresses, the student’s gender, date/place of birth, academic transcripts, attendance record, health records required for enrollment, unique student identifier, a certified copy of the student’s birth certificate, and a record of any release of this information. The permanent record may also include honors/awards received and information concerning participation in activities/athletics. No other information shall be placed in the permanent record.

The **temporary record** consists of all other records maintained by the District concerning the student and by which the student may be individually identified. The temporary record must include a record of release of the information contained in the temporary records, scores received on state assessment tests administered in grades K-8, a completed home language survey form, information regarding serious disciplinary infractions (i.e., those involving drugs, weapons, or bodily harm to another) that resulted in punishment or sanction of any kind, information regarding any indicated report pursuant to the *Abused and Neglected Child Reporting Act*, health-related information, and accident reports. No person may condition the granting or withholding of any right, privilege, or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student’s temporary record which such individual may obtain through the exercise of any right secured under State law.

CCUSD 301 may release directory information to the general public, including local media and military recruiters, and publish such information in a school directory, school yearbook, or similar District publications. The District has designated the following information as **directory information**: the student's name, address, telephone number, date and place of birth, major field of study, participation in school-sponsored organizations and activities membership on athletic teams, dates of attendance, and academic awards, degrees, and honors received. Directory information also includes photographs, videos, or digital images of students used for informational or news-related purposes of a student participating in a school or school-sponsored activity, organization, and athletics that have appeared in school publications. However, photographs highlighting individual faces and used for commercial purposes require prior, specific, dated, and written consent of the parent. An image on a school security videotape recording is not directory information. Further, student social security numbers or student identification or unique student identifiers are not directory information.

Parent(s)/guardian(s) or eligible students will be given the opportunity to object to the release of directory information prior to its release. A parent/guardian or eligible student may prohibit the release of any or all of the above-designed directory information by providing a written request to the Building Principal.

Parent(s)/guardian(s) or eligible students have the right to inspect, copy, and challenge the student's record. In addition, a student less than 18 years old may inspect or copy information in his/her permanent school record. A request to inspect or copy a student's school record shall be made in writing and directed to the Building Principal. Access to the records shall be granted within 15 school days after the receipt of such a request. Parent(s)/guardian(s) may request a qualified professional to be present to interpret the student's records. Access shall not be granted the parent(s)/guardian(s) or the student to the following: confidential letters, recommendations concerning the admission to a post-secondary educational institution; application for employment. For further information, please contact your Building Principal.

Unless the District has actual notice of a court order or a notice of a *parenting plan* under the *Illinois Marriage and Dissolution of Marriage Act*, indicating otherwise: Divorced or separated parents/guardians with and without *parental responsibilities* (formerly custody) are both permitted to inspect and copy the student's school student records. The District will deny access to a student's school records only to a parent against whom an order of protection was issued if the order of protection prohibits the parent from inspecting or obtaining such records. CCUSD 301 shall maintain and destroy student records in accordance with Illinois and federal law. A student's permanent record is maintained for at least 60 years after the student has graduated, withdrawn, or transferred from the District. A student's temporary record is maintained for at least 5 years after the student has graduated, withdrawn, or transferred from the District. Upon graduation, transfer, or permanent withdrawal of a student from the District, the school shall notify the parents/guardians and student, at their last known address, of the destruction schedule for the student's permanent and temporary records. Parent(s)/guardian(s), or the student if at least 18 years of age at the time of the request, may request a copy of the student's records prior to the destruction date for a copying fee.

Parent(s)/guardian(s) and eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington DC 20202-4605.

Suspected Child Abuse

State law requires all school personnel to inform the Department of Children and Family Services (DCFS) of suspected cases of child abuse. We recognize parents' rights to administer physical punishment, but punishment which is thought by the school to be excessive must be reported to this state agency.

Transferring Schools

If you anticipate moving, please notify the school of your intentions. You need to sign a release form from the new school so that we may process their request for records without delay.

Visiting the School

Our partnership with parents is highly valued. Our shared commitment to teaching and learning is the foundation of that partnership. To that end, you are welcome to visit school and we ask that you do so in partnership with the classroom teacher to ensure that a mutual purpose aides in the learning experience for all students. Please contact your child's teacher ahead of time to set up a schedule and purpose for the visit.

The district is committed to providing a safe environment for all students and staff. When you do visit, please stop by the office to *sign in and secure a visitor's pass*. This identifies you to school personnel and all students as a visitor in the building. This also gives us the chance to check your child's schedule. Because of the need to maintain the security of our building after hours and the safety of our community members, please understand that we will not be able to guarantee access to classrooms after 3:45pm. If you would like to have a conference with your child's teacher, please call ahead so that a time can be arranged that will be convenient to you and the teacher.

ACADEMIC POLICIES

If students and/or parents/guardians have questions related to the policies or procedures of the instructional process at the elementary level, the student and/or parent/guardian should first contact the assigned classroom teacher. Many times this communication clarifies the situation. The second step is to arrange a conference with the Principal or Assistant Principal.

Field Trips

Field trips correlate with the educational program. Our faculty prepares and defines trip objectives before a field trip is taken. Field trips are considered to be an extension and enrichment of the normal classroom. If prior notice is given by a parent denying attendance for a field trip and remains in school for the duration of the experience, a comparable assignment will be given to the student during that time.

In addition, students who attend the field trip will not be allowed to have a parent drive them separately to/from the location of the event.

Detailed descriptions of the trip and permission slips will be sent home prior to each field trip. The permission slips must be signed and returned for your child to participate. Unfortunately, field trip money is nonrefundable. If a child does not go on a field trip but attends school, a related educational experience is provided.

Grading

Grades are available electronically to parents and students after the end of each nine week grading period via the on-line report card in a student's Skyward "portfolio". Beginning in 3rd grade, parents and students are encouraged to monitor student progress throughout the semester via the Skyward "gradebook". (Remove the rest: by logging on to Skyward. All grades are available and viewable in the Skyward Portfolio (K-2) or Skyward Gradebook (3-5).

Homework

Homework is a vital part of education. Homework is not assigned as a punitive measure; it helps students learn and develop skills. Encouraging your child to complete assigned work to the best of his or her ability will help your child assume responsibility for learning. As general rule of thumb, students on average can expect 10 minutes of homework, per night, per grade level, outside of reading time. For example, a typical third grader could expect 30 minutes of homework plus independent reading time per night.

Parent Reports

Teachers and parents need to exchange information for the benefit of each student. Communication between home and school needs to be accurate and supportive. A child's

attitude toward school is in part determined by how effective communication is between home and school. Elementary schools issue report cards quarterly (or at the end of quarters 2, 3, and 4 for kindergarten.)

Retention Policy

The District reserves the right to retain a student at any grade level. This decision is based upon professional evaluation and consideration of a student's individual circumstances.

ATTENDANCE AND TRUANCY

Our attendance policy is based upon the firm belief that students are most successful when they are present in class and in school:

1. In accordance with Illinois compulsory attendance requirements, it is the policy of CCUSD 301 that students shall attend school on a regular basis. We believe that daily attendance, timeliness to class, and preparedness and participation in class will increase the student's probability for successful performance and fosters the development of self-discipline and responsibility. It is the intention of the instructor of each course to not only teach the subject matter, but also to encourage the positive attribute of regular attendance, punctuality, and participation.
2. Students are expected to attend every class. The school has an obligation to inform both students and parents/guardians of the student's progress and attendance in all classes. Parents/guardians are to follow proper procedures to inform the school when their child is absent and to provide a reason for the absences.

Attendance Procedures

Parents/Guardians and students should be aware of and follow these procedures:

1. When a student is absent from school, the student's parent/guardian is requested to contact the school between 7:45am-9:00am to inform the attendance secretary of the student's absence.
2. ~~A parent/guardian phone call made on the day of the student's absence shall be counted as an excused absence. If a parent/guardian fails to make a phone call on the date of the student's absence, the absence shall be counted as "unverified," unless a note is received from the student's parent/guardian to confirm the absence. If the parents do not call the school office, phone calls to parent's home and work will be necessary.~~

Leaving School Early

1. Students who need to leave school early for medical purposes (doctor or dental appointments) must bring a note to the Attendance Office before leaving school. The note should include: (1) the requested dismissal time, (2) the reason the student needs to leave early, and (3) a parent signature. Parents are encouraged to communicate any dismissal changes **no later than 2:30pm**.
2. If a student is ill during the day, the student must check out in the Nurse's Office before leaving the building. Students should not arrange for parents/guardians to pick them up, or to leave school using their own car, without first having been seen by the Nurse. When the Nurse is not in the building, a student who is ill should report to the Main Office.

Absences (Board Policy 7:70)

Central School District recognizes three (3) categories of absences:

1. Excused absences
2. Unexcused absences
3. Truant absences (after the 9th unexcused absence)

Excused Absence: An excused absence is recognized as:

1. A student's personal illness,
2. A death in the immediate family,
3. A family emergency,
4. Observance of a religious holiday,
5. Medical visits,
6. Other circumstances that cause reasonable concern to the parent/guardian for the student's safety or health,
7. Other situations beyond the control of the student (such as court appearances)
8. Other reasons approved by the Superintendent or designee,

~~Absences for any other reason may be considered unexcused.~~ A physician's note may be required to excuse a student and/or for returning to school after **the third consecutive day of being reported ill**. If medical documentation is not provided, the absence may be marked "unexcused." **Students that have an excessive amount of absences due to being sick may be required to provide a doctor's note to excuse the absences.**

Unexcused Absence: An unexcused absence is defined as an absence from school for a reason other than those listed above as an Excused Absence and/or an absence not authorized by the student's parent/guardian or the Superintendent or designee. When a student's absence is unexcused, the parent/guardian may recognize the absence as being valid or legitimate; however the school does not. The following are unexcused absences (even with parental/guardian consent):

- (1) Missing the bus
- (2) Vacations/going out of town
- (3) Needed at home
- (4) Other avoidable absences

Truant Absences: Truancy is defined as absence without valid cause for one or more periods of the student's school day. Parents/guardians may be notified following 3, 5, and 9 days of absence or tardies within a school year, and a school intervention may be initiated. After the 9th school day (5% of regular attendance days) on which a student is absent without valid cause, he/she is deemed to be truant under Illinois law. Interventions to address truancy may include attendance letters, parent-teacher/administrator conferences, student counseling, and/or involvement of the Kane County Truancy officers and/ or local law enforcement. No punitive action, including out-of-school suspensions, expulsions, or court action will be taken against a chronically truant student unless available support services and other school resources have been provided to the student, or offered to the student and refused. Any person who has custody or control of a child subject to compulsory attendance who knowingly or willfully permits the child to persist in truancy, if convicted, is guilty of a Class C Misdemeanor and may be subject to up to 30 days imprisonment and/or fine up to \$1,500.

Vacation Absences: Because the District believes in the importance of students being present in their academic classes during the school year, extended pre-arranged absences such as family vacations **are considered unexcused** ~~will no longer be considered excused~~. The District

strongly encourages families to plan vacations to coincide with the school calendar so as to avoid taking valuable educational time away from their students. Teachers are not required, and often are unable, to provide advance assignments. Schoolwork missed because of family vacations must be made up upon the student's return in accordance with policy.

Tardiness: Students are expected to be in class on time, so they may maximize their learning opportunities. Teachers and the Administration will monitor student's tardies. Students may be considered tardy if they arrive after the bell has rung. Students may receive consequences for excessive tardies.

Makeup Work

~~Students who are absent from school will be allowed to make up work for equivalent academic credit. Students will generally be given a day to make up work for every day missed, starting with the first day the student returns to school. Teachers are not required to provide academic assignments until the student returns to school. It is the responsibility of the student (and his/her parent/guardian), not the teachers, to get the assignments, complete them, and turn them in, and to arrange a time with the teacher to make up any missed quizzes or tests. Incomplete work or failure to do the work in a timely manner may result in a lowering of grades.~~

Students who **have excused absence(s)** from school will be allowed to make up work for equivalent academic credit. The time allowed for makeup work will generally be one **school day** for every **class period** missed, starting with the first day the student returns to school. In extenuating circumstances a student may ask his/her teacher, school counselor, or the principal for additional time to make up work. It is the responsibility of the student (and his/her parent/guardian), not the teachers, to get the assignments, complete them, and turn them in, and to arrange a time with the teacher to make up any missed quizzes or tests. Incomplete work or failure to do the work may result in a lowering of grades.

The makeup rule applicable for students who are receiving Home or Hospital Instruction is set forth in the Student Services of this Handbook under the heading Home and Hospital Instruction.

Attendance at Extra-Curricular Activities

Students who are absent, **or who left school for an illness during the day**, will not be allowed to attend or participate in extra-curricular activities until they have attended school.

MEDICAL INFORMATION/POLICY

Communicable and Chronic Infectious Diseases (Board Policy 7:280)

A student with or carrying a communicable and/or chronic infectious disease has all rights, privileges, and services provided by law and the School Board's policies. The Superintendent will develop procedures to safeguard these rights while managing health and safety concerns.

Please notify the school health office immediately for all contagious conditions so we can take proper measures within the school environment. All children suffering from contagious conditions must be excluded from school until no longer contagious.

In the case of head lice, please contact the nurse or principal immediately so that we can take proper measures in the classrooms and elsewhere within the school. Please instruct your child NOT to share combs, brushes, hats, scarves, and other "communicable" items.

Examples of communicable diseases and the procedures for re-admittance are as follows.

Communicable disease:	Return to school...
Chickenpox	A minimum of 5 days after eruption of last vesicles; once all vesicles have dried & crusted over; as directed by health dept.
Hepatitis	With doctor's written permission
Hand, Foot and Mouth	When fever is gone, and there are no open, draining lesions in mouth or on hands.
Impetigo	24 hours after initial dose of medication with lesion covered and/or no drooling/saliva
Measles	A minimum of 4-5 days after appearance of rash, with doctor's written permission, as directed by health dept.
Mononucleosis	With doctor's written permission; absence of fever > 100
Mumps	A minimum of 5 days after onset of swelling, and with doctor's written permission, as directed by health dept.
MRSA	24 hours after initial dose of medication and lesion begins to shrink, unless lesion can be covered
Pertussis (Whooping Cough)	A minimum of 5 days after initial dose of medication or until 3 weeks after onset of cough, and with doctor's written permission
Pink eye (Conjunctivitis)	24 hours after initial dose of medication
Rash of unknown origin	With doctor's written permission
Ringworm	24 hours after initial dose of medication and lesion begins to shrink, unless lesion can be covered
Rubella	A minimum of 7 days after appearance of rash, with doctor's written permission, as directed by health dept.
Shingles	When all lesions are crusted, and with doctor's written permission
Strep Throat/Scarlet Fever	24 hours after initial dose of medication and fever free
TB	With doctor's written permission

Injuries/Illness

A student who becomes ill or is injured at school may ask their teacher to be seen in the health office. Students who are exhibiting concerning symptoms will be sent to the health office by their teacher. If the possibility exists that the student may go home, the parent/guardian will be contacted by the nurse or office staff, not by the student on his/her device, to collaborate on that decision. Students must report to the nurse or office staff before going home ill or the absence may be considered 'unexcused.' When the nurse is not in the health office, a student who is ill should report to the main office.

It is expected that injuries/illness that occur outside of the typical school day will be cared for by parents / guardians prior to arrival at school.

For the protection of the whole student body, students are not permitted to ride the bus home if they are exhibiting signs/symptoms of a contagious condition; the parent/guardian is expected to arrange transportation.

In the event of serious symptoms or injury, paramedics will be called and a parent/guardian contacted. In emergency situations, school officials will be guided by the information provided by parents/guardians on the registration documents filled out annually. It is the responsibility of the parent/guardian to provide accurate contact information to the school in case of illness, injury, or emergency. Parents should select emergency contacts that are available to pick up their child in a timely manner, if they are unable to.

If your child exhibits any of the following, do not send child to school or if your child exhibits any of the following during the school day s/he must go home.

- Fever (temperature of 100 degrees or above)
- Vomiting
- Diarrhea (3 or more loose stools in past 24 hours, or stools that contain blood)
- Excessive cough and/or unable to manage secretions
- Suspicious Rash
- Loss of consciousness

Criteria for re-admittance is generally based upon evidence that the child is no longer contagious; this may include a release from the physician, absence of symptoms for over 24 hours without medication, or documentation of treatment; these determinations will be guided by the nurse.

Students who come to school with mobility devices (such as crutches, walking boot/shoe, wheelchair, splints or casts) for an acute episode need to submit a note from the doctor that states the activity restriction that warrants the use of the device at the school, including the time frame for the restriction.

Medication Administration (Board Policy 7:270)

~~Whenever possible, the parent or guardian should make arrangements for medication to be administered at home, before or after school hours. In situations when a student's health could be compromised by not receiving medication during school hours, school district guidelines must be followed in administering prescription and over the counter medications.~~

Whenever possible, the parent/guardian should make arrangements for medication to be administered at home, before or after school hours and not at school or school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for a student to take medication during school hours or school-related activities, the student's parent/guardian must request that the school dispense the medication to the student and school district guidelines must be followed for dispensing or administering the medication. The District may reject requests for administration of medication.

No District employee shall administer to any student, or supervise a student's self-administration of, any medication until the required documentation is completed, signed, and submitted by the student's parent/guardian. No student shall possess or consume any medication on school grounds or at a school-related activity other than as provided in the District's policy and these guidelines:

1. Medication is defined as either prescription or over-the-counter drugs.
2. Medication will not be given by a school employee without the completion and submission of a Med-A form or Individual Health Plan (IHP) signed by both the parent, and the medical doctor when required. ~~Special~~ Specific forms are ~~now~~ required for students with asthma, diabetes, allergies, and seizures. Forms & packets can be obtained in the school office or on the district website. ALL medications, even short-term treatments, ointments, or cough drops, require this documentation. Parent(s)/guardian(s) of a student with asthma are requested to submit an Asthma Action Plan for the student. If provided, the Asthma Action Plan will be kept on file by the Nurse. The District's

Asthma Emergency Response Protocol is available from the Main Office or Nurse's Office.

3. The Med-A & IHP forms must be completed annually or each time a prescription changes.
4. Children may self carry inhalers and epi pens only when specific district self-carry administration forms have been completed and are on file in the health office as per district policies; forms and packets can be obtained in the school office or on the district website at www.burlington.k12.il.us. (see new section below)
5. For safety, students may not transport medication to and/or from school. It is the parent's responsibility to personally deliver the medication to school and to pick up any "left-over" medication at the close of the school year. Any medication left at the school at the end of the school year will be disposed of in a safe manner.
6. Medications must be in their original containers labeled with the student's name, dosing information and expiration date and the containers must include the student's name, the medication's name, dosing information (the amount to be dispensed and the time at which or circumstances under which the medication is to be administered), and expiration date. No medication will be given by school personnel if the medication arrives at the school in an envelope or improperly labeled bottle/inhaler.
7. Medications at school will be stored in a locked cabinet in the school nurse's office or in the school nurse's refrigerator if required.
8. When necessary, the school nurse will provide appropriate staff members with information concerning the medications being taken by students (i.e., side effects, other medical implications).
9. Medication dispensing guidelines include:
 - a. Medications will be dispensed to one student at a time.
 - b. The designated school employee will transfer the indicated dosage from the container to the student.
 - c. The designated school employee will initial the Individual Student Med Log form at the time it is administered.
10. Field Trip Medications: Only routine 'daily' medications and 'emergency' medications are sent on field trips. A Meds-A form and /or IHP must be on file in the health office to ensure those medications are taken on the field trip. Medications such as Tylenol/Advil/Pepto-Bismol are considered 'as needed' and are not taken unless pre-arranged by a parent or guardian and the school nurse.

Privacy Practices (Board Policy 7:15)

State law mandates strict privacy rules. As a result, school personnel cannot contact a doctor, dentist, nurse, or pharmacist about a student, health records, or health exams unless the parent/guardian gives written consent. If desired, a consent form permitting communication between health care professionals and the school nurse can be provided to the school.

Pursuant to Illinois and Federal law, school personnel cannot contact a student's physician, advanced practice nurse, physician assistant, nurse, or pharmacist about a student or a student's records, including health records or health-related information, unless the student's parent/guardian gives written consent. If desired, a consent form permitting communication between a student's health care professionals and the school can be obtained in the main office.

Self-Carry & Self-Administration of Medication

A student may possess ("self-carry") an asthma inhaler or epinephrine auto-injector (EpiPen®) prescribed for immediate use at the student's discretion, provided the completed Med-A form and other required forms (available in the Nurse's Office and on the District's website) are signed and returned to the Nurse's Office.

The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel.

The District may authorize the provision of an epi-pen to a student authorized under a student's Individual Health Care Action Plan, Illinois Food Allergy Emergency Action Plan and Treatment Authorization Form, or plan pursuant to Section 504 of the federal Rehabilitation Act of 1973 to administer an epi-pen to the student that meets the prescription on file.

Nothing in these guidelines or the District's student medication administration policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

A student's possession, distribution, or use of any medication (including non-prescription drugs) without proper authorization is in violation of the school policy relating to drug use, and the student may be subject to discipline (see Discipline).

Significant or Chronic Health Conditions

To promote wellness, District 301 encourages the development of individualized healthcare plans for students with significant or chronic health conditions. If your child has diabetes, asthma, allergies, or seizures, please complete the necessary forms. Contact your building nurse to develop an individualized plan for any other concerning conditions.

STUDENT SUPPORT SERVICES / SPECIAL EDUCATION SERVICES

In accordance with state and federal legislation regarding the education for students with disabilities, Central District 301 offers a wide range of programs and services to eligible students age three to twenty-two.

Education of Children with Disabilities (Board Policy 6:120)

Students with disabilities receive special education assistance within the learning environment determined most appropriate: within their home schools and the regular classroom environment;

within special education classrooms; or within non-district facilities when alternatives to the public school setting are needed. Central District 301 works cooperatively with Mid-Valley Special Education Cooperative and Northwestern Illinois Association (NIA) to provide a full continuum of special education and related services.

In accordance with the provisions of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, Central District 301 has also developed policies and procedures designed to assure an appropriate education to eligible students. Additional information regarding these programs and services can be obtained by contacting your building principal or the Student Services Department.

The School District shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the Individuals With Disabilities Education Act (IDEA) and implementing provisions of the School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act. The term “children with disabilities,” as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined, through definitions and procedures described in the Illinois State Board of Education’s *Special Education* rules, that special education services are needed.

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the Illinois State Board of Education’s *Special Education* rules. For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the *Rehabilitation Act of 1973*, need or are believed to need special instruction or related services, the District shall establish and implement a system of procedural safeguards. The safeguards shall cover students’ identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student’s parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student’s parent(s)/guardian(s), representation by counsel, and a review procedure.

The District may maintain membership in one or more cooperative associations of school districts that shall assist the District in fulfilling its obligations to the District’s disabled students. If necessary, students may also be placed in nonpublic special education programs or education facilities.

Home and Hospital Bound Instruction (Board Policy 6:150)

All students who attend Central District 301 schools may be eligible for homebound tutoring if they are unable to attend school for an extended period of time because of illness or disability. For more information please contact your building principal.

A student who is absent from school, or whose physician anticipates that the student will be absent from school, because of a medical condition may be eligible for instruction in the student’s home or hospital. Eligibility shall be determined by State law and the Illinois State Board of Education rule governing (1) the continuum of placement options for students who have been identified for

special education services or (2) the home and hospital instruction provisions for students who have not been identified for special education services. A student qualifies for home and hospital instruction when a physician anticipates a student's absence due to a medical condition for an extended period of time (i.e., for 2 or more consecutive weeks) or on an ongoing intermittent basis (i.e., the child's medical condition is such a nature or severity that it is anticipated the student will be absent from school due to the medical condition for periods of at least 2 days at a time multiple times during the school year totaling at least 10 days or more of absence).

Appropriate educational services from qualified staff will begin no later than 5 school days after receiving a physician's written statement. Instructional or related services for a student receiving special education services will be determined by the student's individualized educational program.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction (1) before the birth of the child when the student's physician indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to 3 months after the child's birth or a miscarriage.

Periodic conferences will be held between appropriate school personnel, parent(s)/guardian(s), and hospital staff to coordinate course work and facilitate a student's return to school.

Homeless Information (Board Policy 6:140)

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, as provided to other children and youths, including a public pre-school education. A "homeless child" is defined as provided in the McKinney-Vento Homeless Assistance Act and Illinois Law.

Medicaid Data Release – Special Education Students Only

If your child receives special education services and is also Medicaid eligible, Central CUSD #301 can seek partial reimbursement from Medicaid for health services documented in your child's Individualized Education Program (IEP). Medicaid reimbursement is a source of federal funds approved by Congress to help school districts maintain and improve diagnostic and therapeutic services for students.

The reimbursement process requires the school district to provide Medicaid with your child's name, birth date, and Medicaid number. Federal law requires annual notification of our intent to pursue this reimbursement opportunity.

If you approve of the release of information to Medicaid, do nothing. If you object to the release of information to Medicaid, now or any time in the future, please state your objection in writing

and forward to the Director of Student Support Services, at 275 South Street, Burlington, IL 60109.

Regardless of your decision, CCUSD #301 must continue to provide, at no cost to you, the services listed in your child's IEP. This program has no impact on your child's current or future Medicaid benefits. Under federal law, participation in this program CANNOT:

- a) Decrease lifetime coverage or any other public insurance benefit,
- b) Result in the family paying for services that would otherwise be covered by Medicaid,
- c) Increase your premiums or lead to discontinuation of benefits or insurance, or
- d) Result in the loss of eligibility for home and community-based services

Your continued consent allows the district to recover a portion of the costs associated with providing health services to your child.

Response to Intervention / Problem Solving Team

In accordance with regulations set forth by the federal and state educational departments, Central must use a process known as Response to Intervention (RtI) to determine entitlement for special education services. A problem solving team (PST) consisting of two or more school staff members (Principal, School Psychologist, School Social Worker, Resource Teacher, Speech Pathologist, Reading Specialist, ELL teacher and/or OT/PT Specialist) School teams identify students struggling academically, emotionally, and/or behaviorally, and are This PST team is responsible for developing interventions to increase skills and monitor student progress. If a student is determined to be eligible, services may be delivered by speech and language therapists, occupational and physical therapists, school psychologists, school social workers, special education teachers, paraprofessionals, and hearing and vision itinerant teachers. With regard to the identification of students in need of special education, the district provides the following screenings: vision and hearing screenings, speech/language screenings, and early childhood screenings (ages 3-5).

SCHOOL DISCIPLINE POLICIES

Philosophy of Discipline

It is the sincere desire of CCUSD 301 that each student practices self-discipline, so that discipline actions by teachers, administrators, and the Board of Education may be avoided. It is the desire of Central School District 301 to promote positive citizenship and a constructive school environment. General rules of conduct have been formulated to ensure that all students have the opportunity to realize their potential through education, and to promote mutual respect and responsibility among students and staff members. Adults are expected to show care and respect towards young people. Students are expected to exhibit that same care and respect towards staff members and other students. In the event that a student violates the guidelines set forth in this Handbook, teachers, staff members, and administrators may take disciplinary measures as a means to address the student's behavior.

Disciplinary consequences and interventions will be made to ensure that all students receive a high quality education in a positive, non-threatening environment and assist with the development of productive members of society. Students, parents, administrators, faculty, and staff will cooperate in the creation of the discipline policy, its periodic review, and its fair and consistent enforcement.

Considerations include:

- Student's age
- Ability-functioning level
- Seriousness of the offense

- Frequency of inappropriate behavior
- Circumstances and intent – including family circumstances and/or home environment situations
- Potential effect of the misconduct on the school environment
- Relationship of the behavior to any handicapping condition
- Relationship of the behavior to alcohol or drug influence

Student Behavior Policy (Board Policy 7:190)

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than 2 calendar years:

2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alike" of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. 9. Temporary removal from the classroom.
10. Return of property or restitution for lost, stolen, or damaged property.
11. **Alternative Learning Environment**. The Building Principal or designee shall ensure that the student is properly supervised.
12. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
13. Suspension of bus riding privileges in accordance with Board policy 7:220, Bus Conduct.
14. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, Suspension Procedures. A student who has been suspended may also be restricted from being on school grounds and at school activities.
15. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, Expulsion Procedures. A student who has been expelled also shall be restricted from being on school grounds and at school activities.
16. Transfer to an alternative program upon written agreement with the student's parent(s) or following a Board of Education hearing.
17. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), "look-alikes," alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent/guardian. "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers. In addition, provided the appropriate procedures are followed, the Superintendent, Building Principal, Assistant Principal, or Dean of Students may issue in-school suspensions; may issue out-of-school suspensions to students guilty of gross disobedience or misconduct (including all school functions) for up to 10 consecutive school days; and may suspend students from riding the school bus for up to 10 consecutive school days. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment. Students and their parents/guardians must acknowledge receipt of the student handbook in some form upon receipt of the handbook.

MISCONDUCT BY STUDENTS WITH DISABILITIES (Board Policy 7:230)

Behavioral Interventions

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The School Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for students with disabilities.

Discipline of Special Education Students

The District shall comply with the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, and the Illinois State Board of Education's Regulations when disciplining students with disabilities. No student with a disability shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability.

DEFINITION OF DISCIPLINE MEASURES

Detentions

A detention is a period of time to be made up before school, after school, or during lunch. A detention may be assigned by school staff or an administrator.

Alternative Learning Environment

Administrators may temporarily assign a student to an alternative learning environment on school grounds as a consequence for gross disobedience or misconduct. During this time, students are restricted from participating in their scheduled classroom activities and, instead, report to the alternative learning environment for an amount of time determined by the administration. Students who are assigned to the alternative learning environment will be provided an opportunity to complete their academic work.

Saturday School

Saturday School will be held periodically throughout the school year to serve as a disciplinary consequence for a student's gross disobedience or misconduct. Saturday school half sessions run from 8:00 am to 10:00 am, and full sessions run from 8:00 am to 12:00 pm. Students who fail to attend, arrive late, or are removed from Saturday School due to gross disobedience or misconduct will be considered to have missed the session and may be subject to further disciplinary consequences.

School/Community Service Program

The school/community service program is an alternative disciplinary agreement between a student, his/her parent/guardian, and the administration. Administrators retain the discretion to determine whether the school/community service program will be offered as an alternative disciplinary consequence and, if so, the nature of the school/community service program. Students who participate in the school/community service program may be assigned a service for the school or community.

Out of School Suspension (Board Policy 7:200)

An out-of-school suspension is a temporary exclusion from school due to a student's gross disobedience or misconduct. School officials may impose out-of-school suspensions of one (1) to ten (10) school days. Longer suspensions may be imposed by the Board of Education. The District's suspension procedures are set forth in Board Policy 7:200.

When a student is suspended from school, he/she may not participate in or attend any District activity or event and is prohibited from being on District property.

A suspended student will have an opportunity to make up any missed work for equivalent academic credit. The work missed during the student's absence due to a suspension from school must be made up within a period of school days equal to the number of days missed due to being suspended.

Students who are suspended from school for five (5) or more school day will be informed of what, if any, appropriate and available support services will be provided to the student during the his/her suspension from school. These services may include, but are not limited to: a mentor program, social work, tutoring, etc.

A re-engagement meeting between the student, family, and school staff and administrators may be held upon a student's return to school from any period of suspension. The purpose of the meeting is to assist the student in the transition back to school.

Expulsion by the Board of Education (Board Policy 7:210)

Upon the recommendation of the Superintendent or designee, the Board of Education may expel students guilty of gross disobedience or misconduct. Expulsion shall take place only after the parent(s)/guardian(s) of the student have been provided a written request to appear at a hearing.

before the Board or with a hearing officer appointed by it. The District's expulsion procedures are set forth in Board Policy 7:210.

A student who has been expelled from school may not participate in or attend any District activity or event and is prohibited from being on District property during the period of the expulsion.

If a student is suspended or expelled for any reason from any public or private school in this or any other state, the student must complete the entire term of the suspension or expulsion before being admitted into District.

Student Search and Seizure (Board Policy 7:140)

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Superintendent or designee shall notify students and their parents/guardians of each of the following in accordance with the *Right to Privacy in the School Setting Act*, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

BULLYING POLICY (BOARD POLICY 7:180)

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from Section 27-23.7 of the School Code (105 ILCS 5/27-23.7)

Bullying includes *cyber-bullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyber-bullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or

intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyber-bullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyber-bullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, and (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12.

1. The District uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the District Complaint Manager or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District Complaint Manager or any staff member. Anonymous reports are also accepted.

5. The Superintendent or designee shall promptly investigate and address reports of bullying, by, among other things:

However, knowingly making a false accusation or providing knowingly false information will be treated as *bullying* for purposes of determining any consequences or other appropriate remedial actions.
9. The District's bullying prevention and response plan must be based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Superintendent or designee shall post this policy on the District's Internet website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must also be

BUS TRANSPORTATION (Board Policy 7:220)

Illinois State Law requires that School Districts provide transportation to and from school for

all public school pupils living more than 1 1/2 miles from their school of attendance. Where a hazard is identified which significantly jeopardizes the safety of a student (due to vehicular traffic), the district will follow the State of Illinois guidelines. **All students are assigned a District 301 bus unless they are within walking boundaries.**

The State of Illinois has very strict legislation on the matter of school buses. District 301 is committed to carrying out these regulations in order to provide the most efficient and safest transportation possible. ~~Usually common sense will clearly tell the pupil what his/her conduct should be in any school bus situation. However,~~ The following rules are included here to ensure **students and parents have an** understanding of what is expected while entering, riding, or leaving the school bus.

Instructions to Parents

Busing information for the current school year is available for viewing on the district's website through ~~E-link, [burlington.k12.il.us](http://www.burlington.k12.il.us)~~ **the busing information link.** ~~E-link~~ **This** is a web based program which will provide you with the most current busing information such as bus time, bus stop location and bus number.

Students should not be removed from the bus during the boarding/releasing of buses. Parents must give 60 minutes notice to the school to avoid any confusion during dismissal.

~~A Student Transportation Information Form needs to be completed for ALL students regarding their transportation arrangements. Please allow 48 hours to process any busing changes and then check the e-Link for the updated changes.~~

Please complete the Student Transportation Information (STI) form ONLY if you require busing to/from an alternate location within your attending school's boundaries, if you do not require CCUSD 301 transportation, or if you are making a change to your child's transportation. Students are allowed only one inbound bus and only one outbound bus. (Accommodations cannot be made for different buses on different days.) Please allow up to 48 hours to process any changes to your student's transportation. To verify the request has been processed, please visit the [Bus Info link](#) located at www.burlington.k12.il.us. Contact Dr Todd Stirn with questions about transportation for foster care students.

Instructions to School Bus Riders

The school bus is an extension of the classroom; therefore, all school rules apply on the school bus. The CCUSD 301 Transportation Handbook, which is included in this handbook governs school bus conduct.

~~School bus riders, while in transit, are under the jurisdiction of the school bus driver unless the local Board of Education designates some adult to supervise the riders. Any pupil who violates the regulations below will be reported by the driver to the building administration via a bus conduct report and a consequence will occur. This is in addition to the expectations and enforcement of other school rules as outlined in the student handbook. Days of bus riding suspension will be effected only when a student is in school. That is, if a student is suspended from bus riding for one day, he/she must be in attendance at school for one day without riding the bus.~~

School bus riders, while in transit, are under the jurisdiction of the school bus driver and any adult designated by the Board of Education to supervise bus riders. Any student who violates the following regulations and/or school rules while riding the bus may be reported by the bus driver

to the Principal or Assistant Principal via a bus conduct report and a disciplinary consequence may be issued to the student. Transportation guidelines are in addition to CCUSD 301 policies and procedures, including those outlined in this Student Handbook.

1. Students may only ride their assigned school bus.
2. Arrive at your designated bus stop (5) five minutes prior to your scheduled pickup time. ~~Students may only ride their assigned school bus.~~ Be careful in approaching the place where the bus stops. Do not move toward the bus until the bus has been brought to a complete stop.
3. Remain in your assigned seat while the bus is in motion.
4. Always be alert and listen for any instructions given by the driver.
5. Windows are to remain at or above the white safety line at all times. Do not throw anything out of the windows. When you are on the bus, keep hands and feet inside the bus at all times.

13. ~~Observe safety precautions at discharge points. Know and observe the rules. When it is necessary to cross the roadway proceed to a point at least 10 feet in front of the bus on the right shoulder of the roadway where traffic may be observed in both directions. Wait for a signal from the bus driver permitting you to cross. Walk at least 10 feet in front of the bus if you must cross the street after being dropped off and wait for the driver to signal to cross the road. Never run in front of a car or bus.~~
14. Students must sit three (3) in a seat on the school bus when necessary due to the

load.

15. The same rules and regulations apply on other school sponsored trips as between home and school. Respect the wishes of the chaperone appointed by the school. It is imperative that all students actively observe and support these transportation regulations and actions. The same rules and regulations apply on all bus trips, including for school sponsored trips as well as between home and school. Students who are unable to abide by the rules and expectations in order to maintain a safe environment when riding a school bus may face disciplinary consequences depending on the severity of the action.

Students who are suspended from the bus and who do not have alternative transportation to school will be provided the opportunity to make up any missed work for full academic credit pursuant to the "Makeup Work" rules set forth in the Attendance and Truancy Policy of this Student Handbook. It is the responsibility of the student's parent to notify the school principal or other administrator that the student does not have alternative transportation to school to ensure the student receives appropriate make up work.

It is district policy that If no one is available at drop off location, the bus driver will notify the school of the situation and the school will notify the parent/guardian that the student will be brought back to the school for parent pick up.
