## Introduction

**The Deer River Safe Schools Plan is a working document to be updated as indicated by changes in public health data.** The cover page will contain the date when updated versions have been released.

On June 4, 2021, The Minnesota Safe Learning Plan, as applicable to the Deer River Schools ended. This terminated the requirements in Executive Orders 20-19, 20-82, 20-94 and 20-95. On June 14, the Deer River Board of Education approved a plan to relax most pandemic related restrictions effective June 15. The Board looked forward with the intent to monitor the school district case rate. They planned to meet in special session, should the local case rate rise and sustain above 20 positive cases per 10,000 residents at any time during the summer. Our summer programs were completed successfully, with local case rates very low and no significant transmission through school activities.

Our public health data on October 11 indicates a case rate within the school district boundaries of 153 per 10,000 residents. Therefore, the Board has taken into consideration precautions that can assist in mitigating the spread of COVID-19 to our students, staff, and visitors. The Board will regularly evaluate the risk level and add or remove precautions as indicated by all sources of local data. The Board is regularly informed by recommendations from the Minnesota Department of Health (MDH) and the Centers for Disease Control (CDC), Itasca and Cass County Public Health, and the Leech Lake Band of Ojibwe Tribal Government.

The district's liability insurance policy, Minnesota Department of Education (MDE) guidelines and the Elementary and Secondary Schools Emergency Relief (ESSER III) Funds all require the district to post a Safe Return to In-Person Learning Plan. The plan must describe how the district intends to safely and responsibly operate in the new school year. The plan was presented to the Board and posted in a public format with engagement opportunities available to the public prior to June 21.

## Communication

### Our Mission

This Safe Schools Plan is based on a foundation of RESPECT. There are no easy answers for each family in assessing the benefits and risks of returning to in-person instruction. The Deer River Public schools will create options that are legal and reasonably safe with regard to local public health information. We will respect the options selected by each family and staff member. Our strategic mission of hope, happiness, and success will not be abandoned despite these unique challenges.

**Please take care of yourself and take care of each other!**

The customized schedule developed for each student constitutes private educational data. Staff will only discuss an individual student's educational program with people having a legitimate educational interest.

## Communication Methods

---

The District will release regular communication updates in the following ways:

- District website notices and Infinite Campus messages supplemented with mass/social media options. A new website format has been introduced to more effectively share COVID related information <https://www.isd317.org/>
- Infinite Campus messages sent to the contacts selected in your family profile.
- School Board meeting updates <https://meetings.boardbook.org/Public/Organization/2476>
- Outdoor digital messaging board at the high school campus.

Safety reminders will be present within the facility, including at the following locations:

- At all hand washing sinks to remind everyone of good hand washing practices.
- On entry doors to remind people who have symptoms or possible exposure not to enter.
- At entries notifying people of the screening methods being utilized.

## Urgent Messaging

---

- The district website and Infinite Campus messaging will be the **official forms of notification** regarding the daily status of school operations.
- The school board has approved an emergency closing protocol, which will be applied to weather, pandemic, or any other reason for closing of the schools on short notice. [https://2c8ec67b-9cb2-44c0-b482-a56c2da8c233.filesusr.com/ugd/2e554b\\_e485f923befd4d2aba04d6c51251934b.pdf](https://2c8ec67b-9cb2-44c0-b482-a56c2da8c233.filesusr.com/ugd/2e554b_e485f923befd4d2aba04d6c51251934b.pdf)

# Pandemic Etiquette

The Warrior Way: Take care of yourself and take care of each other!

## Universal Disease Prevention Strategies

---

The District will promote universal strategies to reduce the spread of COVID-19 and other communicable diseases in all school settings. These include: Vaccination when possible, stay home when sick, face coverings, personal protective equipment (PPE), personal hygiene, practical spacing and outdoor activity. The application of these strategies will intensify if local case rates increase or there is evidence of disease transmission occurring in a school setting.

## Face Coverings

---

All district programs welcome and support the use of face coverings and PPE in all settings! Effective October 11, 2021, face coverings are **required** for all staff, students, and visitors regardless of vaccination status during all indoor instruction and indoor events operated by the district during school hours. Exemptions and exceptions must be approved by the superintendent or otherwise described in the contents of the current Safe Schools Plan.

Effective January 10, 2022 face coverings are **strongly recommended** for all staff, students, and visitors regardless of vaccination status during after school events and facility reservations.

The core value of **RESPECT** should be demonstrated at all times. The basis for personal decisions on protection are considered private school data. Students, activity participants and drivers are **required to wear face coverings while riding on school provided transportation** per directive of the CDC. Please contact school principals to discuss requests for valid exemptions.

## Hand Washing and Personal Hygiene

---

Proper hand washing and personal hygiene practices are very important to reduce the spread of any communicable disease. Posters will be placed at all sinks to remind everyone of good hand washing practices. Hand sanitizer will be placed at strategic locations.

Hand sanitizer and cleaning wipes will be provided to all staff members for their desks and workspaces. Routine or spot cleaning (upon request) during the day will be the most effective strategy for maintaining a safe environment. The custodial staff will conduct a thorough cleaning of instructional and workspaces once daily. School-wide disinfectant strategies may be utilized during weekends and holidays dependent on current recommendations.

## Special Precautions

---

- Music education staff may adapt procedures to align with MDH guidelines for instruction.  
<https://www.health.state.mn.us/diseases/coronavirus/musicguide.pdf>
- Staff who provide necessary close contact and direct support services will follow state health department guidelines for personal protection.  
<https://www.health.state.mn.us/diseases/coronavirus/schools/directsupport.pdf>
- Extra-curricular sports, co-curricular activities, physical education/recess, laboratory classes, and other similar settings may adapt procedures at any time to align with MDH guidelines. Under the present Safe Schools Plan; active participants such as extra-curricular athletes, physical education students and laboratory classes may be approved by the coach or teacher to remove face coverings in well-spaced indoor settings. This adaptation may be necessary due to safety or increased respiration rate from the activity.

## **DAILY HEALTH SCREENING CHECKLIST**

**CONDUCT HEALTH SCREENING EVERY MORNING BEFORE YOUR CHILD GETS ON  
THE BUS OR ARRIVES TO SCHOOL**

Does your child have any of the following?

- Temperature 100.4 degrees Fahrenheit or higher
- A new cough that causes difficulty in breathing
- A new severe headache
- A sore throat, congestion, or loss of taste or smell
- Diarrhea, vomiting, or stomach pain

**If you answered “Yes” to ANY of the above screening questions,  
your child must stay home and away from other people and contact  
your health care provider.**

Please notify your child’s school:

King Elementary at 218-246-8860 or DRHS at 218-246-8241.

# Case Reporting, Quarantines and On-site Testing

The district will be informed by MDH guidance in developing its Safe Schools Plan.

<https://www.health.state.mn.us/diseases/coronavirus/schools/index.html>

Our Health Services Office requests parents, guardians and staff to self-report if they or their student have COVID-19 symptoms, a positive test or have been in close contact with someone with COVID-19 or awaiting test results.

District Health Services are required to report suspected or confirmed cases of COVID-19: Minnesota Rule 4605.7070 requires any person in charge of any institution, school, childcare facility, or camp to report cases of COVID-19 to the Minnesota Department of Health (MDH).

▪ Reportable Disease Rule [www.health.state.mn.us/diseases/reportable/rule/index.html](http://www.health.state.mn.us/diseases/reportable/rule/index.html)

Effective August 31, the superintendent and district nurse will collaborate on quarantine protocol and individual case decisions:

- Any student or employee with a positive COVID-19 test will be placed on a written quarantine plan. The individual will complete the full quarantine period, unless they can present evidence of an acceptable negative test for an earlier return.
- Any student who is ill will be sent home and required to stay home until they are healthy.
- The district will provide courtesy notices to the families of students who were in close contact with a positive case in a school setting.
- Any student or employee who is exposed to a positive COVID-19 case is strongly recommended to test (3-5 days after exposure) and self-quarantine under the guidance of the district nurse. Remember the Warrior Way: Take care of yourself and take care of each other! We can't offer in-person instruction if community transmission is occurring at our schools.
- Any extra-curricular or co-curricular participant may be required to present evidence of an acceptable negative test at any time during their season. Activities are a privilege that require teamwork and cooperation.
- No student will be tested at a school site without parental consent.

The district health office will offer multiple types of optional, free COVID-19 tests. The tests that are available will be dependent upon our access to testing supplies and available qualified staff. Testing at the school health office is offered as a convenience when possible. Students and employees may test at any provider available to them. The following link provides additional options for testing and support:

<https://www.health.state.mn.us/diseases/coronavirus/testsites/index.html>

Screening and monitoring systems will be in place at both school sites. Any student, visitor, or staff member determined by the administration to be at risk or to potentially put others at risk will be restricted from the school site. A designated containment area will be established at each site to safely isolate individuals who are waiting for transportation. Students restricted from school will be quarantined at school until a family member has picked up the student or health services staff has transported the student home with parent permission. A designated vehicle has been purchased and is restricted for quarantine use only. Class III licensed drivers will follow protocol for donning PPE when operating the designated vehicle for this purpose.

## Learning Models

**Deer River strives to be a district of choice.** We specialize in providing in-person, customized instruction built upon strong interpersonal relationships. During the past two years, various executive orders have required that we provide multiple learning models to our students. Our staff has responded to that challenge and provided instruction in many flexible ways out of necessity.

Presently, we are operating with only two mandates: face coverings on transportation and reporting of COVID-19 cases to MDH. All remaining decisions fall under the authority of our local Board of Education.

Therefore, we will strive to provide **in-person** instruction in as safe of a learning environment as possible. There is no scenario in which in-person instruction can be offered without some risk of exposure to COVID-19 or other communicable diseases. The school year will begin on September 7 with buses and schools at full capacity. In the event of local public health data that necessitates a change in instruction model, we will consider the following options:

1. Temporary closure of a classroom or school campus. Students would continue to complete daily assignments utilizing their Learning Management Systems (LMS) during the temporary closure. King students will use Seesaw or teacher provided assignments and High School students will use Schoology as their LMS. Attendance will be derived from participation in daily assignments.
2. If circumstances prevent the reasonably safe continuation at full occupancy, a classroom or school campus may be designated to schedule most students on an every other day basis. At approximately 50% occupancy, most students would attend school on an alternating day schedule. Students would remain at home on the opposite day and participate through their LMS.
3. There is currently **no option for Deer River students to participate in full-time or alternating day online instruction this year**, except for regular high school online programming options offered through the Itasca Area Schools Collaborative (IASC). Families who believe that an online program is the best match for their child (short or long term) should contact their child's principal for guidance.

We will be returning to our **early dismissal schedule on Wednesdays** to facilitate professional learning communities. Please review, print, or pick up the district calendar from your school site

<https://www.isd317.org/district-calendar>

## Food Service

### Meals

---

District Food Service programs will continue to be informed by safe health practices according to guidelines established by the Centers for Disease Control (CDC) and Minnesota Department of Health (MDH).

<https://www.health.state.mn.us/people/foodsafety/emergency/covid.html>

Most aspects of food service will return to normal operations for the start the school year. Each site will adapt meal protocols and schedules to create the safest environment possible.

Deer River will continue to offer breakfast and lunch on site each school day. A combined breakfast and lunch bag is also available for any person 18 years old or younger enrolled or residing in the school district. These meals can be picked up at King Elementary School (Door #1) between 11:00 a.m. and noon each school day. Families in need of meal delivery should inquire with Deanna Hron, Director of the Full Service Community Schools program at [dhron@isd317.org](mailto:dhron@isd317.org). Evening meals will be available to residents of all ages at King Elementary through the Community Café (Door #9).

In March, 2019, the federal government provided waivers to create an open site meal program in which all student meals were free of charge. Those waivers became available again on September 15, 2021 and the Deer River Schools are eligible to participate. For the duration of the waivers, breakfast and lunch will be free for all students.

Our district typically receives approximately \$3000 in federal compensatory aid and grants for each student who qualifies for federal education benefits (Free and Reduced Price Lunch). Because meals will be free for all students again this year, it is extremely important that families continue to complete the confidential application for benefits if their household income is anywhere close to the eligibility limits. The traditional paper application and a new easy to use online application are available this year. Access to the applications will be posted on our website at this link <https://www.isd317.org/food-and-nutrition>

District staff members will be following up with families to assist in collecting these applications. All funds generated are used directly in educating our students. Please help us access all resources available to our kids!

## Transportation

### Bus Ridership

Parents and Guardians are expected to screen their children each day prior to sending them to the bus. Students will be screened and monitored again at their school site. Families will be responsible for retrieving students who arrive at school with any symptoms that may indicate a safety risk. Students unable to participate will be assigned to a designated quarantine waiting area until picked up or transported back home. Parents/guardians or siblings may also provide personal transportation to and from school for their household members.

All people are required by a CDC order to wear face coverings on all public transportation conveyances (airports, public buses, etc.), including school buses.

▪ CDC: Requirement for Face Masks on Public Transportation Conveyances and at Transportation Hubs [www.cdc.gov/coronavirus/2019-ncov/travelers/face-masks-public-transportation.html](http://www.cdc.gov/coronavirus/2019-ncov/travelers/face-masks-public-transportation.html)

District provided student transportation is a privilege and passengers are expected to board wearing a face covering. Each bus will have a limited supply of disposable masks to prevent delays in boarding. Any special circumstances will be communicated by staff to route/van drivers. Drivers will be responsible for assigning seats to create the maximum space between riders. Following the instructions of the driver is critical to creating the safest environment and to maintain a daily seating chart if contact tracing becomes necessary.

Drivers will utilize windows and roof vents to promote fresh air circulation. Transportation staff will be responsible for cleaning high touch areas as needed during and between routes. NorTran will implement a daily cleaning protocol for all vehicles provided for district use.

## Facilities

Public schools serve as a primary facility provider for youth and adult organizations in Minnesota. Most state restrictions for community use of school facilities have now ended. All requests for use permits from outside organizations will be considered on a case by case basis by the facilities scheduler.

### Physical Barriers

The District has installed barriers in some work areas or high interaction areas.

### Water and Ventilation Systems

Most drinking fountains will be turned back on. Water bottle filling stations are operational, and students are encouraged to carry and clean their own water bottles to stay hydrated and healthy. Locker rooms are available for use when authorized by the Activities Director or Physical Education teachers.

The school buildings will operate with the maximum outside air exchange possible for our current Heating Ventilating and Air Conditioning (HVAC) units. The sites will be equipped with the most efficient air filters recommended for our mechanical systems. All staff will receive training on the comprehensive air quality site plan for each school and will be expected to follow guidelines set by the Director of Building and Grounds. Staff may also select alternate spaces to include outdoor locations at their discretion. Targeted rooms at each school will feature high efficiency room filtration systems or other recommended air cleaning apparatus. Both the cleaning protocol and ventilation plans are intended to reduce exposure to pathogens, which may present themselves as droplets or aerosols.

All windows will remain closed to maximize the volume of fresh air turnover and minimize recirculation. Closed windows also improve the efficiency of individual room air cleaners.

### Routine Cleaning

Routine cleaning of high touch points will be conducted as listed below, per Centers for Disease Control (CDC) guidelines. In addition, staff members who occupy a space will be provided with hand sanitizer and recommended disinfectant wipes to use frequently during the day. When technology items are in need of cleaning, alcohol wipes will be utilized to prevent damage to the equipment.

### Professional Cleaning Plan

Although staff users will provide routine cleaning of their spaces during the day, our custodial staff is prepared to use professional products for requested spot cleaning and regular daily maintenance. The frequency of these two approaches is most likely to limit contact transmission of any communicable disease. If a school is required to temporarily close to investigate a possible COVID-19 exposure, an intensive cleaning process will be developed to trace the footprint of the suspected source individual. Building-wide cleaning treatments will also be explored as trials suggest possible effectiveness:

- Building and Grounds staff will utilize Arsenal Q.T.3 from Hillyard, which is a disinfectant on American Chemistry Council approved list.  
<https://www.americanchemistry.com/Novel-Coronavirus-Fighting-Products-List.pdf>
- The dwell time of product is five minutes.
- Personal Protective Equipment (PPE) which includes chemical resistant rubber gloves and eye protection is required to apply this product.

# Unique Space Considerations

## Playgrounds

---

Playgrounds at King Elementary will remain open and will be cleaned daily, per CDC guidelines. This includes cleaning high touch surfaces (swing chains, slides and grab handles) using soap and water. Students will be directed to wash hands before and after playground use.

## Classrooms

---

Some rugs may be removed from pre-kindergarten and kindergarten rooms and may be replaced with labeled, individual yoga style mats.

Classrooms will be limited to essential teaching tools. Limiting the number of personal items in the classroom will lighten the cleaning load of the custodial staff. During this time, most rugs, and all other non-standard furniture (couches, chairs, bean bag chairs, lamps, food prep appliances, etc.) will not be allowed in the classroom as they present cleaning challenges.

## Special Cleaning Considerations

### **Toys in Classrooms**

During this time, toys in classrooms that cannot be cleaned and sanitized will not be used. After use they are placed in a separate bin and cleaned by the instructor by cleaning with water and detergent, rinsing, sanitizing with an EPA-registered disinfectant, rinsing again, and air-drying.

### **Porous Surfaces**

During this time, unnecessary rugs and other porous objects will be removed from classrooms. Other porous surfaces may include: chairs, furniture, rugs, linens, clothing, etc. If porous surfaces do need to be cleaned, the following steps will be followed:

- Handle laundry wearing gloves
- Transport laundry in disposable garbage bags when possible or clean and disinfect the method of transportation
- Do not shake laundry out
- Wash on hottest water setting with regular detergent
- Dry thoroughly

Subject: School District Boundary Review

Dear Dr. Pesta,

With 2022 fast approaching and redistricting on the horizon, your cooperation in the preparation of your school district boundary information is appreciated! I am requesting that your School Board review the enclosed map.

The school district boundary displayed on the map is a representation of the legal description for the school district's boundary within Cass County, based on historic tax parcel information on file in the Auditor's office. This boundary, as verified by the school district, is used by the county to determine the taxing district and voter registration for each address and tax parcel. Thorough review ensures that all voting registration and parcel records include proper school district designation.

After your School Board has completed review, please affirm that these district boundaries correctly reflect your records or report any inconsistencies to our office by March 29<sup>th</sup>, 2022.

If you need any additional information or resources to assist with your review, please let me know and I would be happy to assist you.

Sincerely,

*Pamela J Smith*

**124D.78 PARENT AND COMMUNITY PARTICIPATION.**

Subdivision 1. **Parent committee.** School boards and American Indian schools must provide for the maximum involvement of parents of children enrolled in education programs, programs for elementary and secondary grades, special education programs, and support services. Accordingly, the board of a school district in which there are ten or more American Indian students enrolled and each American Indian school must establish an American Indian education parent advisory committee. If a committee whose membership consists of a majority of parents of American Indian children has been or is established according to federal, tribal, or other state law, that committee may serve as the committee required by this section and is subject to, at least, the requirements of this subdivision and subdivision 2.

The American Indian education parent advisory committee must develop its recommendations in consultation with the curriculum advisory committee required by section 120B.11, subdivision 3. This committee must afford parents the necessary information and the opportunity effectively to express their views concerning all aspects of American Indian education and the educational needs of the American Indian children enrolled in the school or program. The school board or American Indian school must ensure that programs are planned, operated, and evaluated with the involvement of and in consultation with parents of students served by the programs.

Subd. 2. **Resolution of concurrence.** Prior to March 1, the school board or American Indian school must submit to the department a copy of a resolution adopted by the American Indian education parent advisory committee. The copy must be signed by the chair of the committee and must state whether the committee concurs with the educational programs for American Indian students offered by the school board or American Indian school. If the committee does not concur with the educational programs, the reasons for nonconcurrence and recommendations shall be submitted directly to the school board with the resolution. By resolution, the board must respond in writing within 60 days, in cases of nonconcurrence, to each recommendation made by the committee and state its reasons for not implementing the recommendations.

Subd. 3. **Membership.** The American Indian education parent advisory committee must be composed of parents of children eligible to be enrolled in American Indian education programs; secondary students eligible to be served; American Indian language and culture education teachers and paraprofessionals; American Indian teachers; counselors; adult American Indian people enrolled in educational programs; and representatives from community groups. A majority of each committee must be parents of children enrolled or eligible to be enrolled in the programs. The number of parents of American Indian and non-American Indian children shall reflect approximately the proportion of children of those groups enrolled in the programs.

Subd. 4. **Alternate committee.** If the organizational membership or the board of directors of an American Indian school consists of parents of children attending the school, that membership or board may serve also as the American Indian education parent advisory committee.

UNREQUESTED LEAVE OF ABSENCE (ULA) AND SENIORITY AGREEMENT**

**Section 1. Purpose**

The purpose of this article is to implement the provisions of M.S. 122A.40, Subd. 10. which article, when adopted, shall constitute the required plan for ULA because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of school districts

**Section 2. Definitions**

For purposes of this article, the terms defined shall have the meanings respectively ascribed to them.

**Subd. 1. Teacher**

“Teacher” shall mean those members of the unit as defined by PELRA and this Agreement, except the provisions of this article shall not be applicable to any other bargaining unit member who is not a teacher as defined by M.S. 122A.40, Subd.1.

**Subd. 2. Qualified Teacher**

“Qualified” shall mean a teacher who, in addition to the state license, has a major in the subject matter or field taught and, as solely determined by the School District, has successfully had teaching experience in such subject matter or field within the past five (5) years.

**Subd. 3. Original Date of Hire**

For the purposes of seniority, the original date of hire shall refer to the first day of instructional service.

**Subd. 4. Seniority**

“Seniority” applies only to Tier 3 and Tier 4 qualified teachers and commences with the first day of continuous teaching service in the School District. For seniority purposes, teachers employed as District-wide coordinators and consultants will be considered as part of the subject matter area most closely related to the teacher’s current assignment or licensure as determined by the School District.

**Subd. 5. Part-time seniority**

Prior to July, 1981, original date of hire shall determine seniority. Part-time service shall equal full-time seniority for each year prior to July 1, 1981.

- (a) Teachers working 50% of the school year or more shall receive a full year of seniority.
- (b) Subsequent to July 1, 1981, seniority for less than 50% time personnel shall use the following formula:
  - (1) All less than 50% time teachers shall be placed on a seniority list with experience to accrue by accumulating hours with one year being equal to 1,260 hours. (Example: a teacher working 2/7 of a year's seniority.)
  - (2) Long term substitute working under M.S. 123.35 (full year) shall accrue one full year seniority.

**Section 3. Unrequested Leave of Absence**

In placing an individual on unrequested leave, the Board shall be governed by the following provisions:

**Subd.1. Terms**

The School Board may place on ULA such teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes. Such leave of absence shall continue for a period of three (3) years, after which the right to reinstatement shall terminate; provided the teacher’s right to reinstatement shall also terminate if the teacher fails to file with the Superintendent, by March 1st of each year, a written statement

requesting reinstatement. Such leave shall be effective no later than the close of the school year or at such earlier time as mutually agreed upon by the teacher and the School Board.

#### Subd. 2. Notice

Teachers placed on such leave shall receive notice by April 15<sup>th</sup> of the school year prior to the commencement of such leave with reasons for said placement.

#### Subd. 3. Placement

No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence while probationary teachers, Tier 1, or Tier 2 teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed.

Teachers shall be placed on ULA in inverse order of seniority in the field and subject matter employed with the following exceptions: 1) No teacher shall be placed on ULA if any other qualified teacher employed in the same field and subject matter is on a "Teacher Improvement Plan" as provided for in the "Teacher Evaluation and Peer Review Process" required in M.S. 122A.40, Subd. 8.; 2) No teacher holding a master's degree or higher in the field and subject matter employed shall be placed on ULA if any other qualified teacher employed in the same field and subject matter holds less than a master's degree in the field or subject matter employed. A graduate degree of master's or higher will not provide protection from ULA if the degree is not in the subject matter for which the teacher is employed; 3) No teacher who has received specialized training or certification at the expense of the School District shall be placed on ULA if there exists any other qualified teacher employed in the same field and subject matter.

#### Subd. 4. Tiebreaker

In the event a reduction in number of teachers creates a situation requiring that a choice be made among teachers who have equal seniority, the selection of the teacher(s) for purposes of reduction shall be made at the discretion of the School District in consultation with the DREA president based on criteria including:

- 1) Special or advanced certifications obtained in the teacher's field and subject matter employed.
- 2) Performance and evaluations
- 3) Evidence of training outside of degree/work toward professional growth
- 4) Evidence, including experience in other school districts
- 5) Involvement in district/building leadership
- 6) Involvement in extra-curricular assignments/activities

#### Subd. 5. Reinstatement

##### Process:

No new teacher shall be employed by the School District while any qualified teacher is on ULA in the same field and subject matter, unless the teacher fails to advise the School Board within ten (10) weekdays of the date of notification that a position is available to the teacher.

Failure to accept, in writing, within such ten (10) weekday period shall constitute a waiver on the part of the teacher to any further rights of employment or reinstatement, and that teacher shall forfeit any future reinstatement or employment rights, unless said teacher is under contract to another school system, in which case, the teacher may defer return until a time convenient to the programs of both Districts, but in no event beyond the start of the next school year.

Teachers placed on ULA shall be reinstated to the positions from which they have been placed on ULA or any other available positions in the School District in the fields in which they are qualified as such positions become available. The order of reinstatement shall be in inverse order in which teachers were placed on ULA.

The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year shall be determined following the same tie-breaker considerations and process listed in Section 3, Subd TBD.

Subd. 6. Notices: When placed on ULA, a teacher must file his/her name and address, to which any notice of reinstatement or availability of position shall be mailed, with the School District personnel office. Proof of

service by the person in the School District depositing such notice to the teacher at the last known address shall be sufficient. The teacher on ULA shall be responsible to provide an address for forwarding of mail or for address changes. Failure of a notice to reach a teacher shall not be the responsibility of the School District if any notice has been mailed as provided in this article.

Subd. 7. Vacancies

No appointment of a new teacher shall be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the School Board within thirty (30) days of the date of notification that a position is available to the teacher, that the teacher may return to employment and will assume the duties of the position to which appointed on a future date determined by the Board.

Subd. 8. Reinstatement Rights: Reinstatement rights shall automatically cease three (3) years from the date ULA was commenced, and no further rights to reinstatement shall exist unless extended by written mutual consent of the School Board and the qualified teacher.

Subd. 9. Employment Elsewhere During ULA

Any teacher placed on such leave may engage in teaching or any other occupation during such period and may be eligible for re-employment insurance if otherwise eligible for such compensation under that law, and such leave will not result in a loss of credit for years of service in the School District earned prior to the commencement of such leave.

Subd. 10. Continuing Contract Rights Impairment

The unrequested leave of absence shall not impair the continuing contract rights of the teacher or result in a loss of credit for previous year of service.

Subd. 11. Re-Employment Compensation

Nothing in this subdivision shall be construed to impair the rights of a teacher placed on unrequested leave of absence to receive reemployment compensation if otherwise eligible.

Subd. 12. Recall While Employed Elsewhere

If a teacher being recalled is under contract to another school system, the teacher may, defer return until a time convenient to the programs of both Districts, but in no event beyond the start of the next school year.

Subd. 13. ULA While on Regular Leave

A teacher who is on leave of absence but who would have been placed on unrequested leave had they been actively working in the District, will be placed on unrequested leave in accordance with the applicable provisions of this Article.

Subd. 14. Vacancies Due to Approved Leave

If there is a vacancy created by an approved leave those teachers on unrequested leave of absence (if appropriately licensed) shall be eligible to fill such positions.

Subd. 15. Health Insurance Provisions

Employees on unrequested leave can remain in the medical insurance plan PURSUANT TO COBRA. The full premium cost shall be pre-paid to the District on a monthly, quarterly or annual basis.

Subd. 16. Filing of Licenses

In any year in which a reduction of teaching positions is occurring and the School Board is placing teachers on ULA, only those licenses active and valid according to state of Minnesota shall be considered for purposes of determining ULA within areas of licensure for the following school year. A license filed after January 15th shall be considered for purposes of reinstatement but not for the current reduction.

Subd. 17. ULA Challenge Procedure

Right to a hearing and decision: If the teacher requests a hearing, teachers proposed for placement on unrequested leave of absence pursuant to school board action shall be entitled to a hearing and challenge the

proposed placement pursuant to the grievance procedure as provided in this agreement commencing at the arbitration level.

Subd. 18. Effect

Article XIV shall be effect at the beginning date of this Master Agreement and shall be governed by its duration clause. This article shall govern all teachers, as defined in Section 2., Subd. 1. above and shall not be construed to limit the rights of any other licensed employee not covered by the Master Agreement or other Master Agreement affecting such licensed employee.

**Section 4. Establishment of Seniority List**

Subd. 1. Seniority List Preparation and Posting Procedure

The School Board shall annually cause a seniority list (by name, date of employment, licensure and subject area taught) to be prepared from its records by no later than October 1. It shall thereupon post such list in an official place in each school building of the District.

Subd. 2. Disagreement of Seniority List

Any person whose name appears on such list and who may disagree with the findings of the School Board and the order of seniority in said list shall have twenty (20) working days from the date of posting to supply written documentation, proof and request for seniority change to the School Board.

Subd. 3. Disagreement Evaluations and Annual Updates

Within ten (10) days thereafter, the School District shall evaluate any and all such written communications regarding the order of seniority contained in said list and may make such changes the School Board deems warranted. Disputes regarding the seniority list shall be resolved using the grievance procedure. A final seniority list shall thereupon be prepared by the School Board, which list as revised shall be binding on the School District and any teacher. Each year thereafter the School Board shall cause such seniority list to be updated to reflect any addition or deletion of personnel caused by retirement, death, resignation, other cessation of services, of new employees. Such yearly revised list shall govern the application of the unrequested leave of absence policy until thereafter revised.

**Section 5. Name and Address Change Notification Requirements**

When placed on unrequested leave, a teacher shall file his/her name and address with the School District personnel office to which any notice of reinstatement or availability of position shall be mailed. Proof of service by the person in the School District depositing such notice to the teacher at the last known address shall be sufficient and it shall be the responsibility of any teacher on unrequested leave to provide for forwarding of mail or for address changes. Failure of a notice to reach a teacher shall not be the responsibility of the School District if any notice has been mailed as provided herein.

**ARTICLE XV  
GRIEVANCE PROCEDURE**

**Section 1. Definitions**

Subd. 1. Grievance

The word "grievance" shall mean a written allegation by a teacher that the teacher has been negatively affected as a result of a dispute or disagreement between the teacher and the School District as to the interpretation or application of specific terms and conditions contained in this Agreement.

Subd. 2. Group of Teachers

A group of fewer than ten (10) teachers may file a grievance if a complaint arises out of the same transaction or occurrence and the facts and claim are common to all teachers in the group. Such grievance must be in writing and signed by all grievants in the group.

**Subd. 3. Exclusive Representative Grievance**

The exclusive representative may file a grievance if a complaint involving ten (10) or more teachers arises out of the same transaction or occurrence and the facts and claim are common to all members of the group. In order to pursue a group grievance, the exclusive representative must provide the names and signatures of the affected teachers no later than the third level of the grievance procedure. The exclusive representative group grievance may proceed only as to the teachers identified in the appeal to arbitration. The exclusive representative may also file a grievance if the allegation involves a specific right of the exclusive representative as provided in this Agreement.

**Section 2. Representative**

The grievant, administrator, or School Board may be represented during any step of the procedure by any person or agent designated by such party to act in the party's behalf.

**Section 3. Definitions and Interpretations**

**Subd. 1. Extension**

Time limits specified in this Agreement may be extended by mutual written agreement.

**Subd. 2. Days**

Any reference to days regarding time periods in this procedure shall refer to working days. A "working day" is defined as all weekdays not designated as holidays by state law.

**Subd. 3. Computation of Time**

In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event, the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

**Subd. 4. Filing and Postmark**

The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

A grievance shall not be valid for consideration unless the grievance is submitted to the School District's designee in writing, signed by the grievant, setting forth the facts and the specific provision(s) of the Agreement allegedly violated and the particular relief sought within twenty five (25) days after the date that the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the teacher and the School District's designee.

**Section 5. Grievance Steps**

The School District and the teacher shall attempt to adjust all grievances which may arise during the course of employment of any teacher within the School District in the following manner:

**Subd. 1. Level I**

**Subd. 2. Level II**

In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent, provided such appeal is made in writing within ten (10) days after the receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or his/her designee shall set a time to meet regarding the grievance within fifteen (15) days after receipt of the appeal. Within ten (10)

days after the meeting, the Superintendent or his/her designee shall issue a decision in writing to the parties involved.

**Subd. 3. Level III**

In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such appeal is made in writing within ten (10) days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School Board shall set a time to hear the grievance within twenty (20) days after receipt of the appeal. Within ten (10) days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level and report the findings and recommendations to the School Board. The School Board shall then render its decision.

**Section 6. School Board Review**

The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the School Board, or its representative(s) notifies the parties of the intention to review within ten (10) days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

**Section 7. Denial of Grievance**

Failure by the School Board or its representative to issue a decision within the time period provided herein shall constitute a denial of the grievance, and the teacher may appeal it to the next level.

**Section 8. Mediation Procedures**

In the event that the teacher and the School Board are unable to resolve any grievance, the grievance may be submitted to mediation as defined herein:

In the event that the grievant(s) and the School District are unable to resolve any grievance, the parties may jointly agree to participate in mediation by the Bureau of Mediation Services (BMS) for the purpose of compromising, settling, or resolving the grievance prior to submitting a grievance to arbitration.

**Subd. 1. Request**

A request to submit a grievance to mediation must be made in writing using a Grievance Mediation Agreement form, signed by the grievant(s) or the School District, and delivered to the designee of the other party. The other party shall respond within ten (10) working days to accept or deny the submission of a grievance to mediation.

**Subd. 2. Mediation**

The assigned mediator shall schedule one (1) or more mediation sessions. The mediation shall be conducted in conformance with Bureau of Mediation Services Policies and Procedures regarding Grievance Mediation. The mediator does not have authority to order discovery.

Grievance timelines shall automatically be suspended while in Grievance Mediation.

**Subd. 3. Costs of Mediation**

The costs of mediation shall be borne equally by both parties. Each party shall bear its own costs related to representation during the mediation process.

**Subd. 4 Recommendation**

The recommendations of the mediator, if any, shall be advisory only and shall not be binding on either party. No offers, counter offers, recommendations, references to the mediation, or any documentation relating to grievance mediation shall be used by either party in any subsequent proceeding.

**Subd. 5 Resolution**

If resolution is reached, the agreement shall be put in writing. If agreement or resolution is not reached, the grievance process shall be automatically resumed at the beginning of the timeline for the moving party to request arbitration.

## **Section 9. Arbitration Procedure**

### **Subd. 1. Request**

A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten (10) days following the decision in Level III of the grievance procedure.

### **Subd. 2. Prior Procedure Required**

No grievance shall be considered by the arbitrator which has not first been duly processed in accordance with the grievance procedure and appeal provisions.

### **Subd. 3. Selection of Arbitrator**

Upon the proper submission of a grievance under the terms of this procedure, the parties may, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Commissioner of the Bureau of Mediation Services to submit a panel of seven (7) arbitrators to the parties, pursuant to PELRA, provided such request is made within twenty (20) days after request for arbitration. The request shall ask that the panel be submitted within ten (10) days after the receipt of said request. Within ten (10) days after receipt of the panel, the parties shall alternately strike names, and the remaining name shall be the arbitrator to hear the grievance. The order of striking will be determined by lot. Failure to agree upon an arbitrator or the failure to request an arbitrator from the Commissioner within the time period as provided herein shall constitute a waiver of the grievance.

### **Subd. 4. Hearing**

The grievance shall be heard by a single arbitrator, and both parties may be represented by such person(s) as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing denovo.

### **Subd. 5. Decision**

The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided in PELRA. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

### **Subd. 6. Expenses**

Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording of the hearing shall be made at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of such transcript shall pay for such a copy.

### **Subd. 7. Jurisdiction**

The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before him/her pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include, but are not limited to, such areas of discretion or policy as the functions and programs of the School District, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, the arbitrator's order shall give due consideration to the statutory rights and obligations of the School District to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

**Section 10. Election of Remedies and Waiver**

A party instituting any action, proceeding, or complaint in a federal or state court of law or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this article. Upon instituting a proceeding in another forum as outlined herein, the teacher shall waive the right to initiate a grievance pursuant to this article, or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in the Agreement or to enforce the award of an arbitrator.

**Section 3. Probationary Period**

The probationary period of ECFE teachers shall be three school years of continuous service. During the probationary period, the School District shall have the unqualified right to suspend, discharge or otherwise discipline an employee, and the employee shall have no recourse to the grievance procedure. Upon completion of the probationary period, an employee may be suspended or discharged only for just cause and such employee shall have access to the grievance procedure.

**Resolution in Support of the Congressional IDEA Full Funding Act  
Re-introduced on November 16, 2021 ([H.R. 5984](#) and [S. 3213](#))**

WHEREAS, the Deer River Public School District recognizes the need for a strong investment in the Individuals with Disabilities Education Act (IDEA); and

WHEREAS, the Individuals with Disabilities Education Act was first enacted in 1975 to help ensure that all students with disabilities will have access to a free appropriate public education and IDEA's enactment more than 45 years ago, the current federal investment in IDEA is less than 14 percent; and

WHEREAS, with the enactment of IDEA, the United States Congress committed to fund up to 40 percent of the additional cost of special education, thereby promising to provide up to 40 percent of the national average per pupil expenditure, which is currently estimated at \$13,828 by the U.S. Department of Education; and

WHEREAS, our nation's school districts face an increased demand for greater resources to fulfill the needs of students under IDEA, including those for students affected by multiple disabilities whose individual education plans require more resources; and

WHEREAS, with each increase in the IDEA child count, the Deer River Board of Education and others throughout the country continue to adjust their budgets to accommodate this increased need and ensure that each child educated through IDEA receives the appropriate supports, with some school districts dedicating forty percent or more of their general education budgets to special education services; and,

WHEREAS, The Deer River Public School District has a \$ 1,103,339 cross-subsidy for FY 20. which is a one part of the statewide cross-subsidy that was more than \$673 million in FY 20 and is expected to grow to \$806 million in FY 25.

BE IT RESOLVED, that the Deer River Board of Education supports the IDEA Full Funding Act that will help strengthen the federal investment in special education by authorizing a ten-year plan to fully fund the federal share of IDEA; and

BE IT RESOLVED, that the Deer River Board of Education urges Congress' strong bipartisan support for and passage of the IDEA Full Funding Act; and,

NOW, THEREFORE BE IT RESOLVED that the Deer River Board of Education remains committed to providing students with disabilities and their families the supports they need.

The Master Facility Plan, including an Asset Condition and Facility Optimization Assessment, is intended to furnish Deer River Public Schools with assessment findings, professional recommendations, advanced prioritization of needed facility improvements, alternatives, construction budgets, etc.

This process will assist the District's leadership in fashioning a comprehensive plan of action intended to provide an assessment of the conditions of the owned Deer River Public Schools' buildings, achieve adequate space to accommodate current/future student enrollment, improve learning environments, and enhance effectiveness, efficiency, and cost/effectiveness of the District's operations.

This Asset Condition and Facility Optimization Assessment involves surveying, inspecting, and documenting current operational and physical conditions and deficiencies evident in the above-referenced buildings. The information documented in the Asset Condition and Facility Optimization Assessment will be gathered primarily through field observation and supplemented by evaluation of existing information and discussion with District personnel. The survey will review the appearance, condition, and current uses of the buildings.

This data is used to determine the feasibility and cost of infrastructure replacement/enhancement, facility renovation/remodeling, reallocation, and/or expansion. The process includes a review of available existing floor plans and walk-through of all the buildings.

The Asset Condition and Facility Optimization Assessment explores conditions and potential needs or deficiencies in sixteen important areas, which are outlined below.

A	Accessibility	This section addresses the conformance of the facility to the intentions of accessibility requirements with focus on the following issues: accessible parking, an accessible route to the main entrance, ability to attain all levels of the facility, and access to each teaching space.

**WHEREAS**, when responsibilities are not specifically prescribed nor School District policy applicable, the Superintendent shall use personal and professional judgment, subject to review by the School Board, pursuant to School District Policy 302, *Superintendent*; and

**WHEREAS**, the Centers for Disease Control and Prevention (“CDC”) and the Minnesota Department of Health (“MDH”) have determined that the COVID-19 pandemic is currently ongoing and may remain ongoing for an unknown time; and

**WHEREAS**, the Minnesota Department of Education (“MDE”) has issued and may continue to issue written guidance for Minnesota schools on educational issues related to COVID-19; and

**WHEREAS**, the MDH has issued and may continue to issue written guidance for Minnesota schools on public health issues related to COVID-19; and

**NOW, THEREFORE, BE IT RESOLVED**, by the School Board of Independent School District No. 317 as follows:

Section 1: The Superintendent is hereby directed to implement the following health and safety measures effective February 22, 2022 and continuing until further board action declaring an end to the current local public health concern: **All staff, students, and visitors are welcome to continue to wear effective face coverings intended to reduce the rate of transmission of communicable respiratory diseases.**
