Hey Joe,

I tried giving you a call and when I went to the office it looked like you were busy in a meeting. I just wanted to let you know that I will be resigning at the end of this school year. It is a tough decision, but my fiance Danielle received a job offer in Lake City, MN that is just too good to pass up. Joe, Deer River High School has been nothing but kind to me and it really is hard for me to do this. I am sorry for leaving. I figured we can discuss my resignation more in detail when we meet to discuss my 2nd observation. Just wanted to give you a heads up.

Thank you,
-Cole

- i. compliance with District performance criteria outlined in SECTION 3.2 of the SPECIFICATION.

The District requires that this Annual Service Plan be maintained on a current basis, with the Service Provider(s) submitting supplements to the District as needed from time-to-time. In the interest in maintaining the Service Plan current, the District is interested in the Service Provider’s capacity to maintain route details on a “real time” basis using an application such as Google Docs.

7. PERFORMANCE SECURITY

The District will implement SECTION 6.2. of the SPECIFICATION during the term of this AGREEMENT, but will waive this surety provision at this time. The District reserves the right, at its sole discretion, to cancel or modify this waiver should conditions occur that the District determines requires performance security/surety in the form of contract security or other for the performance of this AGREEMENT.

The District reserves the right, at its sole discretion and Contractor cost liability, at any time during the initial term or extension of this AGREEMENT, to require Contractor to provide performance

security in the form of a bond or irrevocable letter of credit equal to 100% of the estimated annual services then remaining to be performed under this AGREEMENT.

8. LIQUIDATED DAMAGES FOR NON-COMPLIANCE

In the event of non-compliance with the terms of this AGREEMENT and items in SECTION 8, which includes the SPECIFICATION and related District policies and procedures included herein, the following liquidated damages shall apply:

- a. The normal daily rate per route or unit of service will be imposed on the Contractor for any of the following:
 - i. Failure to correct within three (3) calendar days a problem or complete an agreed change in a route, service or schedule.
 - ii. Running a route without an aide, if an aide is required by the District.
 - iii. Conduct of a Contractor's employee or agent that is not fully satisfactory to the District after being put on notice on two (2) prior occasions.
 - iv. Running a route without the required equipment as required by this AGREEMENT.
 - v. Transporting persons other than those assigned, without the prior approval of the District.
 - vi. Failure to have a driver fully prepared to complete the assigned bus services prior to the school year or commencing a trip, including completing a practice run prior to the start of school for all regular routes.
- b. Twice the normal daily rate per route or unit of service will be imposed on the Contractor for any of the following :
 - i. Allowing a driver to drive a route without the appropriate driver's license.
 - ii. Failure to provide a bus for a route or bus service due to lack of drivers or equipment.
 - iii. Allowing a driver to provide any bus services after the driver has been suspended for non-compliance of federal, state or District rules, regulations, laws or procedures.
 - iv. Running a route with a vehicle that does not have a current inspection sticker.

The normal daily rate for purposes of this section shall be the rate per route per day identified in the EXHIBIT A of this AGREEMENT during the Term of this AGREEMENT.

District must inform the Contractor within seven (7) days of a listed violation and its intent to assess liquidated damages for such violation. Failure to notify the Contractor shall relieve the Contractor of its obligation to pay liquidated damages for the alleged violation.

The provisions of this SECTION shall not replace the provision for performance security as outlined in SECTION 6.2 of the SPECIFICATION and SECTION 7 of this AGREEMENT.

9. OTHER PROVISIONS

Contractor agrees to comply with the following:

a. Governing Law

This AGREEMENT shall be deemed to be made in and shall be construed in accordance with the laws of the State of Minnesota. All references in this AGREEMENT to the "State" shall mean the State of Minnesota.

b. Data Privacy

Contractor agrees and understands that certain student information and data will be provided to the Contractor as required to provide the services required in this AGREEMENT. Contract further agrees that the Contractor and its employees will fully comply with the provisions of Minnesota Statute Chapter 13, also known as "Minnesota Government Data Practices Act", and in particular the following section as it applies to contracts for services with units of government:

Subd. 6. Contracts. Except as provided in section 13.46, subdivision 5, in any contract between a governmental unit subject to this chapter and any person, when the contract requires that data on

individuals be made available to the contracting parties by the governmental unit, that data shall be administered consistent with this chapter. A contracting party shall maintain the data on individuals which it received according to the statutory provisions applicable to the data.

c. Force Majeure

In the event Contractor is unable to provide the transportation services herein specified because of any act of God, civil disturbance, fire, flood, war, governmental action, labor dispute, including picketing, strike, or lockout, or any condition or cause beyond Contractor's control, District may excuse Contractor from performance under this AGREEMENT. For the reasons identified, the District shall also have the right to terminate this AGREEMENT or assume responsibility for providing the services required under this AGREEMENT. The District shall also have the right to operate the buses provided by the Contractor under this AGREEMENT and employ such employees as the District deems appropriate and necessary to provide the regular services and operations contemplated by this AGREEMENT.

Under the latter circumstance above, District shall pay the Contractor for the use of such buses used by the District consistent with the rates and provisions in this AGREEMENT that applied to the Contractor and the District minus all expenses and costs incurred by the District as reasonably necessary to secure the services of drivers and other hourly employees to provide the services. The District deduction of reasonable expenses and costs shall not exceed the difference between the total compensation paid the Contractor for such buses less the Contractor's fixed costs of operation for this AGREEMENT. If the District agrees to use and operate the Contractor's buses, the District will provide the Contractor with a lease agreement, along with insurance and compliance matters, consistent with that required of the Contractor under this AGREEMENT.

d. Indemnity

The Contractor agrees to indemnify and save the District harmless from any claims involving personal injury or property damage arising out of, or in the course of, providing transportation of assigned students. Notwithstanding the foregoing, Contractor will not indemnify and save the District harmless from any claims arising out of or in connection with the negligent acts or willful misconduct of the District."

e. Assignment

The services contemplated under this AGREEMENT are deemed to be in the nature of personal services. The Contractor, without the prior written consent of the District, shall not assign this AGREEMENT. The Parties agree that assignment by Contractor of any sums due and owing Contractor under this AGREEMENT shall not constitute an assignment of the AGREEMENT.

f. Subcontract

The Contractor shall not subcontract any of the services required to be performed in this AGREEMENT, unless the Contractor has received the full prior written consent of District.

g. Termination

If either party shall violate any of the covenants or duties imposed upon it by this AGREEMENT, such violation shall entitle the other party to terminate this AGREEMENT. The party desiring to terminate for such cause shall give the offending party thirty (30) days written notice to remedy the violation. If at the end of such time the party notified has not removed the cause of complaint or remedied the purported violation, then this AGREEMENT shall be deemed terminated.

h. Severability

In the event any provision specified herein is held or determined by a court of competent jurisdiction to be illegal, void or in contravention of any applicable law, the remainder of this AGREEMENT shall remain in full force and effect.

i. Modification

District and Contractor may modify the terms of this AGREEMENT in whole or in part as circumstances may justify by mutual written agreement executed by the duly authorized representatives of the Parties. All other terms and conditions will remain as described in this AGREEMENT.

j. Survival

The mutual obligations described in this AGREEMENT shall survive the termination or expiration of this AGREEMENT.

k. District Crisis Management Policy

The Contractor will be familiar and will comply with District crisis management policy and plans where applicable.

BUS GARAGE LEASE

This Bus Garage Lease (Lease), dated May 9, 2022, between Independent School District 317, Deer River, Minnesota, hereafter called OWNER, and Nor-Tran, Inc., P.O. Box 52, 103 2nd Ave. NE, Deer River, Minnesota, hereafter called TENANT. The OWNER and TENANT are collectively referred to as the “PARTIES” and individually referred to as a “PARTY”.

WHEREAS, a Student Transportation Services Agreement (Agreement) exists between the District and Nor-Tran, effective July 1, 2022 and continuing through June 30, 2024.

WHEREAS, the PARTIES have a mutual interest in Nor-Tran leasing space for operation of the Student Transportation Services Agreement;

NOW THEREFORE, in consideration of the mutual promises, covenants and consideration contained therein, the parties agree as follows:

OWNER, in consideration of the rents and agreements hereafter mentioned, to be paid and performed by TENANT, hereby leases to TENANT, and TENANT agrees to lease the following premises located at 101 1st Avenue NE in the City of Deer River, County of Itasca, State of Minnesota, as shown on attached exhibit entitled “Bus Garage Costs 03-23-04.xls”:

- Heated bays 1, 3 and 4 in the heated portion of the Owner’s Bus Garage building, approximately 2,155 sq. ft.;
- Unheated bay 5, adjacent to the three heated bays described above, with capacity to store four vans, approximately 917 sq. ft.; and
- Unheated bays 6 through 9 adjacent to the three heated bays described above, approximately 1,635 sq. ft.

The length of this Lease shall begin on June 1, 2022, and shall run with the term of the Agreement currently in effect between OWNER and TENANT.

TENANT agrees with OWNER, for itself, its heirs and assigns to pay OWNER and assigns as rent for the above-described premises, the sum of \$7,300.00 (seven thousand, three hundred dollars) to be paid in ten equal monthly payments of \$730.00 (seven hundred thirty dollars) per month, by deducting same amount from the ten monthly payments made by OWNER for Regular “To and From” Transportation Services as provided in the Agreement.

If OWNER, at TENANT’S request, permits TENANT to end this lease before its expiration, TENANT must sign and deliver a “Request to Terminate Lease” form and pay liquidated damages equal to one month’s rent to cover OWNER’S administrative and housekeeping expenses. This additional payment is NOT in substitution of rent but is in addition to rent.

OWNER will be responsible for providing heat, lights, and other basic utilities. OWNER will be responsible for maintenance and repair of the leased premises. TENANT will be responsible for any costs of phone service, and any costs incurred by OWNER at the request of TENANT.

TENANT will be permitted to make minor leasehold improvements, subject to the express approval of OWNER.

OWNER agrees to carry liability, fire and extended coverage insurance on the premises. However, the TENANTS shall be responsible for any damage or loss to their furniture or other personal property, whether caused by theft, fire, or other cause. TENANT SHALL HAVE TO CARRY ITS OWN INSURANCE FOR SUCH PROTECTION. OWNER WILL NOT BE responsible for damage caused by water, flood, fire or theft, nor injuries or damages resulting from the willful act, or negligence of TENANT itself or other tenants in the building, or their guests or third parties.

IN WITNESS WHEREOF, the Parties hereto have executed this AGREEMENT this 9th day of May, 2022.
