Issue Number: IR-2022-234

Inside This Issue

**This version corrects the mileage rate in the first bullet point.*

IRS issues standard mileage rates for 2023; business use increases 3 cents per mile

WASHINGTON — The Internal Revenue Service today issued the 2023 optional standard mileage rates used to calculate the deductible costs of operating an automobile for business, charitable, medical or moving purposes.

Beginning on Jan. 1, 2023, the standard mileage rates for the use of a car (also vans, pickups or panel trucks) will be:

- 65.5 cents per mile driven for business use, up 3 cents from the midyear increase setting the rate for the second half of 2022.
- 22 cents per mile driven for medical or moving purposes for qualified active-duty members of the Armed Forces, consistent with the increased midyear rate set for the second half of 2022.
- 14 cents per mile driven in service of charitable organizations; the rate is set by statute and remains unchanged from 2022.

These rates apply to electric and hybrid-electric automobiles, as well as gasoline and diesel-powered vehicles.

The standard mileage rate for business use is based on an annual study of the fixed and variable costs of operating an automobile. The rate for medical and moving purposes is based on the variable costs.

It is important to note that under the Tax Cuts and Jobs Act, taxpayers cannot claim a miscellaneous itemized deduction for unreimbursed employee travel expenses. Taxpayers also cannot claim a deduction for moving expenses, unless they are members of the Armed Forces on active duty moving under orders to a permanent change of station. For more details see [Moving Expenses for Members of the Armed Forces](#).

Taxpayers always have the option of calculating the actual costs of using their vehicle rather than using the standard mileage rates.

Taxpayers can use the standard mileage rate but generally must opt to use it in the first year the car is available for business use. Then, in later years, they can choose either the standard mileage rate or actual expenses. Leased vehicles must use the standard mileage rate method for the entire lease period (including renewals) if the standard mileage rate is chosen.

[Notice 2023-03](#) contains the optional 2023 standard mileage rates, as well as the maximum automobile cost used to calculate the allowance under a fixed and variable rate (FAVR) plan. In addition, the notice provides the maximum fair market value of employer-provided automobiles first made available to employees for personal use in calendar year 2023 for which employers may use the fleet-average valuation rule in or the vehicle cents-per-mile valuation rule.

Hi Mindy,

I have been on extended leave from isd317 for the last two school years. I am writing this to let you know that I will officially retire on June 1, 2023, at which time I will switch from TRA disability and start using my TRA retirement pension as I will also have met my official Rule of 90. As I understand it, I needed to notify the district of this so that you fill out the last day of employment form from the district. I'm guessing that you send it to TRA as well as to me?! Does it work for this email to serve as my official notice? Please let me know. I can be reached at this email (pollyanna.sheppard@gmail.com) or prairielake@msn.com. My phone number is 218-244-5717 if you need to contact me for clarification.

Thank you,

Hello Jen,

I am writing to you to inform you that I will be resigning from my position as a paraprofessional at King Elementary School. My last day will be December 23, 2022. I have taken a position as a paraprofessional through ISD 318.

This is one of the hardest decisions I have had to make. I had to look at what is best for me and my family. It is really hard to leave such a wonderful team and school. I will miss everyone here in Deer River. I have learned so much from everyone. I appreciate everything that I have been given with my time here.

Thank you,

Good afternoon, I am writing to inform you that I am resigning from my paraprofessional position at king elementary with January 6th, 2023 being my last day.

I had originally spoken with Mrs. Stefan on Tuesday December 6th to let her know that I would not be coming back from Christmas break and after speaking with her we talked about the possibility of me staying if I could do 4 days a week. I checked in with Mrs. Stefan on Wednesday 21st to see if she had heard anything and she let me know that she was meeting with Mr. Rendle that afternoon and that she would talk to him about it then and that it would not be a simple answer or change and needed to be looked into.

After coming back from break it is even more clear to me that it is time for me to move on. I have had many good years here and honestly some not so good years. I have made some lifelong friendships and will always be thankful for them.

I do apologize for the short notice. My intent was for Christmas break to be my formal 2 week notice and it just didn't work out that way.

Thank you, Jennifer Williams

This is me officially stating that I will be resigning. After work I figured out a solid end date of next Friday. Which will be the 13th. If you would like me to come in for one or two days the following week to help someone else train in. I can do that as well it just need to know which days work the best. --

Thank You,
-Linz

Student Achievement:

The winter Choir and Band concerts where a big success.

Thursday December 22, 2022, the band under the direction of Mr. Truong performed at the Deer River Assisted Living facilities as well as DRHS and King Elementary. Also, on the 22nd DRHS had a winter celebration day. During 6th and 7th hour, Teachers sponsored games, movies and baking projects in classrooms.

Effective and Efficient Systems:

Flood of 2022

Would like to thank all the staff and students who help pitch in during the sprinkler head flood.

Students, Ernie Johnson, Wayne Cronin and Jady Foster were great help in hauling garbage cans of water to be dumped allowing staff the ability to contain the 1000's of gallons of water spewing from the system.

Respectfully Submitted

DEER RIVER STEP UP

Good evening Deer River School Board and community! In the past month, our coalition executive committee met to regroup heading into 2023. We discussed what accomplishments we have made in 2022 and what to prioritize moving into 2023. We are going to continue building our team by prioritizing the hiring of an assistant coordinator and a youth coordinator for the program. We are also going to focus on scripting our radio ads and creating them at the community tech hub with the STEP UP youth group. David is recruiting community members for a 12-month action plan committee, which will focus on strategic planning, along with goal setting for the rest of our fiscal year. We have also finalized a contract with the Montana Institute to conduct a Positive Community Norms Survey for DRHS students in February or March. David spoke with the Montana Institute and asked if we could get added questions on the survey about vaping. The Montana Institute was able to add additional questions about vaping for our students. We think the additional questions will provide our coalition with the information necessary to help reduce the use of vaping in our community. We want to thank the school board for their continued support!
