2. Schedules and Systems

- PLC work K-5 (B+M and LaHo) and 7-12 meeting routinely 2x/month.
- High Dosage Tutoring in place and closely monitored for adjustments each day/week. Students receive Tier 3 interventions every day in the afternoon in reading skills. Math is being added for the second semester and PLC's are working to add daily non-negotiables with math fact fluency practice.
- All round 1 formal observations and meetings have been held for the Dec. 15th deadline. Many informal coaching sessions have been conducted across all levels and all staff by Mrs. Shunk, Mr. Pearson, Ms. Knudson and contracted coach, Alycia.
- Instructional Rounds 1 and 2 have been completed and debriefs conducted and shared out to all staff.
- Mr. Pearson has greatly assisted in covering the assistant principal role in addition to his coaching duties to ensure staff are supported and students experience a positive learning experience.
- Routine Intervention Team meetings are held the first Tuesday of the month and wrap services are being provided at a highly engaged level.

- Staff were given the opportunity to provide feedback on our Strategic Plan and in developing our Maxims. We had three board members and three staff in attendance for the community engagement night. A link to the survey has been sent to staff and also posted via social media and our Remind for community input. Inflexion leadership will continue to lead us through this process and provide leadership coaching through a \$15,000 grant we recently secured.
- The Superintendent's Advisory Team had its third meeting. Students and staff/parents are excited to tackle the discipline matrix/protocols for student situations which support all students, developed a plan for a student leadership team and extended student engagement opportunities.
- MAC training has been established for the District Coordinator, Stacy Knudson, the District trainers and all Staff in January. Our winter survey will be held the last week of February and the Spring survey will be in May.
- Efficiencies are increasing through restructuring systems within HR and our business department. Staff leave program via Frontline has been eliminated, saving money and current staff are absorbing these tasks. The ordering process and leave request process is fully implemented and effective.
- Business Manager mentorship has been contracted with OASBO.
- Farm to School grant work and Fresh Fruit and Veggie program grants have been awarded and are underway. Meetings with local businesses for Farm to School use are being processed within our first \$3500 non-competitive grant and planning over the next biennium can open doors for competitive grants up to \$10,000. This can have a huge impact on what funds have been used in our food budget. Weekly snacks are being provided and well received by our students within the FFVP. So far we have tried Cosmic Crisps, Blood Oranges and purple cauliflower.
- The MCT event was a huge success with 39 students from our Alsea campus and home school cohort working together to put on an amazing event. This experience created high demand for a future campus program and staff are working to plan this class for the 2026-2027 year in partnership with our art program. We also received donations at this performance as well as networking with local experts from the Majestic Theater for potential partnerships in supporting the addition of this program.

ALSEA SCHOOL DISTRICT BOARD REPORT

Name: Heather Shunk **Position:** Principal

BOARD MEETING DATE: December 9, 2025

November Assembly- Celebrations for birthdays, attendance, welcoming new students, sharing what we are thankful for, silly dances, all the great learning happening in classes, students of the month, and sharing what we learned about “READINESS” and how important it is to be “ready” for learning, fun, and life.

Celebrating Student Success in 4-H

At our recent assembly, we were excited to recognize one of our Learn at Home Oregon students, Rowan, who received a major 4-H award for his outstanding participation and leadership. We are incredibly proud of his hard work and dedication.

This celebration also reflects something we value deeply. For online students, having in-person activities like clubs, sports, and community programs is so important. These experiences help students build friendships, practice teamwork, grow confidence, and stay connected to their communities across Oregon.

We are proud of Rowan and grateful to see our students thriving both online and out in the world.

4th Grade Volcano Science Experience

Our 4th graders recently completed a hands-on science project creating their own paper mâché volcanoes and experimenting with different household materials to produce eruptions. Alongside the creativity and excitement, students deepened their understanding of Oregon’s physical geography and how volcanic activity helped shape the landforms across our state.

This was an incredible learning experience that brought science to life and provided a meaningful opportunity for families to participate at home. Many parents shared that they had never done an experiment like this when they were young, and they loved being part of the excitement with their children. This project became a true core memory for both students and families and highlighted the joy, curiosity, and engagement that hands-on learning brings to our virtual community.

TO: Alesa School District Board of Directors
FROM: Jackie Olsen, OASOB
RE: Financial Statements for fiscal year 2025-26

Board Members,

Attached are the financial statements through November 30, 2025. The reports include:

- General Fund Statement of Revenues – Budget vs. Actual
- General Fund Statement of Expenditures – Budget vs. Actual
- Total Appropriations for the year
- Summary of Other funds

Fiscal Year 2025–26

For July 1 through November 30, actual revenues and expenditures show an estimated Ending Fund Balance of \$5,957,736. Of this total, \$5,467,217 is set aside as Contingency and Unappropriated Ending Fund Balance, with a remaining balance of \$490,519.

Updates

A new estimate for the State School Fund was released in November. The financial reports reflect the new estimates.

In November, the majority of the district's property taxes were received. Of the budgeted \$540,000 of current year property taxes, a total of \$498,961 has been collected.

The audit should be completed soon, and the fund balances have been rolled into the new year. The general fund beginning fund balance is \$6,465,781, which is \$234,219 less than budgeted.

Oregon's December Economic and Revenue Forecast shows Net General Fund and Lottery resources up \$318.8 million since September, reducing the previously projected budget deficit from roughly \$400 million to about \$80 million. Despite this improvement, revenues remain \$635.9 million below the Close of Session Forecast, and significant uncertainty remains due to pending federal decisions and other emerging state cost pressures. The forecast also notes a \$31.1 million decrease in Corporate Activity Tax revenues, though reserves keep Student Success Act funding stable for now. Overall, the state is still facing an estimated budget shortfall closer to \$600 million, underscoring the need for continued vigilance and strong advocacy to protect K–12 programs. A final forecast in February will guide remaining adjustments for the 2025–27 budget cycle.

Investments

As of November 30, 2025, Alsea's investments total \$7,298,456.36 in the Local Government Investment Pool, earning an annualized interest rate of 4.43%, down from 4.57% from the prior month.

Please don't hesitate to reach out with any questions or concerns about these statements.

This Grant Agreement (“Grant”) is between the State of Oregon acting by and through its Department of Education (“Agency”) and **Alsea SD 7J** (“Grantee”), each a “Party” and, together, the “Parties”.

SECTION 1: AUTHORITY

Pursuant to the **Student Success Act**, codified at 2019 Oregon Laws Chapter 122, as amended from time to time (the “Act”), ORS 327.175 establishes the Student Investment Account, and subsection (4) provides that moneys in the Account are continuously appropriated to the Oregon Department of Education for the purpose of distributing grants under ORS 327.195.

In accordance with ORS 327.185, Student Investment Account grants may be awarded to eligible applicants: school districts, eligible charter schools, Youth Corrections Education Programs (YCEP), and Juvenile Detention Education Programs (JDEP).

SECTION 2: PURPOSE

The purpose of this grant is to provide funding to assist in meeting students’ mental and behavioral health needs, increase academic achievement, and reduce academic disparities for student populations identified in ORS 327.180(2)(b). These populations include , but are not limited to, economically disadvantaged students, students from racial or ethnic groups that have historically experienced academic disparities, students with disabilities, English language learners, students who are homeless, and students who are foster children, and any other student groups that have historically experienced academic disparities, as determined by the State Board of Education by rule.

SECTION 3: EFFECTIVE DATE AND DURATION

When all Parties have executed this Grant, and all necessary approvals have been obtained (“Executed Date”), this Grant is effective and has a Grant funding start date as of July 1, 2025 (“Effective Date”), and, unless extended or terminated earlier in accordance with its terms, will expire on September 30, 2027.

SECTION 4: GRANT MANAGERS

4.1 Agency’s Grant Manager is:

SECTION 5: PROJECT ACTIVITIES

Grantee must perform the project activities set forth in Exhibit A (the “Project”), attached hereto and incorporated in this Grant by this reference, for the period beginning on the Effective Date and ending on the expiration date set forth in Section 3 (the “Performance Period”).

SECTION 6: GRANT FUNDS

In accordance with the terms and conditions of this Grant, Agency will provide the Grantee the following amounts (“Grant Funds”): the full 2025-27 biennial allocation and a projected Quarter 1 disbursement for the 2027-29 biennium.

Grant Period	Performance Period	Amount
2025-27 Total Biennial Allocation (TBA)	July 1, 2025 – June 30, 2027	\$672,055.29
Less: 2025–27 Q1 projected amount made available under Agreement number 34318 (the “Prior Grant Agreement.”)	July 1, 2025 – June 30, 2027	(\$131,948.03)
2025-26 Year 1 – Allocation - CURRENT	July 1, 2025 – June 30, 2027	\$197,359.06
2026-27 Year 2 – Allocation - RESERVED (not yet released)	July 1, 2025 – June 30, 2027	\$342,748.20
2027-29 Quarter 1 projected (2027-29 Q1)	July 1, 2027 – September 30, 2027	\$87,975.08
Total Grant Funds (2025-27 Current and Reserved Allocation + 2027-29 Q1 Projection)		\$628,082.34

The line items provided in the table above have the following meanings:

1. **TBA** equals the total final allocation for 2025 -27 based on the final approved budget.
2. **2025-27 Q1** amount reflects the portion of the 2025-27 biennium projected and made available under the Prior Grant Agreement.
3. **2025-26 Year 1 Allocation - CURRENT** represents the portion of the 2025-27 TBA remaining after subtracting the amount already made available under the Prior Grant Agreement. These funds are authorized for disbursement during year 1 of the biennium.
4. **2026-27 Year 2 Allocation - RESERVED** represents the portion of the 2025-27 TBA that is identified for Year 2 but not yet released. Disbursement of this amount is contingent upon written authorization from Agency confirming funds are available for release.
5. **2027-29 Quarter 1** is a projection and will be disbursed subject to the provisions in Exhibit A. The terms and conditions of this Grant apply to the use of these funds. While this allocation is administered under this Grant, its period of performance under this Grant will roll into the full 2027-29 biennial period of performance under the subsequent grant agreement.
6. **Total Grant Funds** include both the current biennium allocation and the projected 2027-29 Q1 amount.

Agency will pay the Grant Funds from monies available in the Student Investment Account (“Funding Source”). A reduction in the monies in the Funding Source may result in a decrease in Grant Funds available to Agency and a reduction in disbursements to Grantee under this Grant.

SECTION 7: DISBURSEMENT GENERALLY

7.1 Disbursement.

- 7.1.1 Subject to the availability of sufficient moneys in and from the Funding Source based on Agency’s reasonable projections of moneys accruing to the Funding Source, Agency will disburse Grant Funds to Grantee for the allowable Project activities described in Exhibit A that are undertaken during the Performance Period.
- 7.1.2 Grantee must provide to Agency any information or detail regarding the expenditure of Grant Funds required under Exhibit A prior to disbursement or as Agency may request.
- 7.1.3 Agency will only disburse Grant Funds to Grantee for activities completed or materials produced, that, if required by Exhibit A, are approved by Agency. If Agency determines any completed Project activities or materials produced are not acceptable and any deficiencies are the responsibility of Grantee, Agency will prepare a detailed written description of the deficiencies within 15 days of receipt of the materials or performance of the activity, and will deliver such notice to Grantee. Grantee must correct any deficiencies at no additional cost to Agency within 15 days. Grantee may resubmit a request for disbursement that includes evidence satisfactory to Agency demonstrating deficiencies were corrected.

- 7.2 **Conditions Precedent to Disbursement.** Agency’s obligation to disburse Grant Funds to Grantee under this Grant is subject to satisfaction of each of the following conditions precedent:

- 7.2.1 Agency has received sufficient funding, appropriations, expenditure limitation, allotments or other necessary expenditure authorizations to allow Agency, in the exercise of its reasonable administrative discretion, to make the disbursement from the Funding Source;
 - 7.2.2 No default as described in Section 15 has occurred; and
 - 7.2.3 Grantee's representations and warranties set forth in Section 8 are true and correct on the date of disbursement(s) with the same effect as though made on the date of disbursement.
- 7.3 **No Duplicate Payment.** Grantee may use other funds in addition to the Grant Funds to complete the Project; provided, however, the Grantee may not credit or pay any Grant Funds for Project costs that are paid for with other funds and would result in duplicate funding.
- 7.4 **Suspension of Funding and Project.** Agency may by written notice to Grantee, temporarily cease funding and require Grantee to stop all, or any part, of the Project dependent upon Grant Funds for a period of up to 180 days after the date of the notice, if Agency has or reasonably projects that it will have insufficient funds from the Funding Source to disburse the full amount of the Grant Funds. Upon receipt of the notice, Grantee must immediately cease all Project activities dependent on Grant Funds, or if that is impossible, must take all necessary steps to minimize the Project activities allocable to Grant Funds.

If Agency subsequently projects that it will have sufficient funds, Agency will notify Grantee that it may resume activities. If sufficient funds do not become available, Grantee and Agency will work together to amend this Grant to revise the amount of Grant Funds and Project activities to reflect the available funds. If sufficient funding does not become available or an amendment is not agreed to within a period of 180 days after issuance of the notice, Agency will either (i) cancel or modify its cessation order by a supplemental written notice or (ii) terminate this Grant as permitted by either the termination at Agency's discretion or for cause provisions of this Grant.

SECTION 8: REPRESENTATIONS AND WARRANTIES

- 8.1 **Organization/Authority.** Grantee represents and warrants to Agency that:
- 8.1.1 Grantee is eligible to accept Grant Funds for this purpose, and is validly organized and existing under the laws of the State of Oregon;
 - 8.1.2 Grantee has all necessary rights, powers and authority under any organizational documents and under Oregon Law to (i) execute this Grant, (ii) incur and perform its obligations under this Grant, and (iii) receive financing, including the Grant Funds, for the Project;
 - 8.1.3 This Grant has been duly executed by Grantee and when executed by Agency, constitutes a legal, valid and binding obligation of Grantee enforceable in accordance with its terms;

- 8.1.4 If applicable and necessary, the execution and delivery of this Grant by Grantee has been authorized by an ordinance, order or resolution of its governing body, or voter approval, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings; and
- 8.1.5 There is no proceeding pending or threatened against Grantee before any court or governmental authority that if adversely determined would materially adversely affect the Project or the ability of Grantee to carry out the Project.
- 8.2 **False Claims Act.** Grantee acknowledges the Oregon False Claims Act, ORS 180.750 to 180.785, applies to any “claim” (as defined by ORS 180.750) made by (or caused by) Grantee that pertains to this Grant or to the Project. Grantee certifies that no claim described in the previous sentence is or will be a “false claim” (as defined by ORS 180.750) or an act prohibited by ORS 180.755. Grantee further acknowledges in addition to the remedies under Section 16, if it makes (or causes to be made) a false claim or performs (or causes to be performed) an act prohibited under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against the Grantee.
- 8.3 **No limitation.** The representations and warranties set forth in this Section are in addition to, and not in lieu of, any other representations or warranties provided by Grantee.

SECTION 9: OWNERSHIP

- 9.1 **Intellectual Property Definitions.** As used in this Section and elsewhere in this Grant, the following terms have the meanings set forth below:

“Third Party Intellectual Property” means any intellectual property owned by parties other than Grantee or Agency.

“Work Product” means every invention, discovery, work of authorship, trade secret or other tangible or intangible item Grantee is required to create or deliver as part of the Project, and all intellectual property rights therein.

- 9.2 **Grantee Ownership.** Grantee must deliver copies of all Work Product as directed in Exhibit A. Grantee retains ownership of all Work Product, and grants Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, to reproduce, to prepare derivative works based upon, to distribute, to perform and to display the Work Product, to authorize others to do the same on Agency’s behalf, and to sublicense the Work Product to other entities without restriction.
- 9.3 **Third Party Ownership.** If the Work Product created by Grantee under this Grant is a derivative work based on Third Party Intellectual Property, or is a compilation that includes Third Party Intellectual Property, Grantee must secure an irrevocable, non-exclusive, perpetual, royalty-free license allowing Agency and other entities the same rights listed above for the pre-existing element of the Third party Intellectual Property employed in the Work Product. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires Agency or the United States to own the intellectual property in the Work Product,

then Grantee must execute such further documents and instruments as Agency may reasonably request in order to make any such grant or to assign ownership in such intellectual property to the United States or Agency.

- 9.4 Real Property.** If the Project includes the acquisition, construction, remodel or repair of real property or improvements to real property, Grantee may not sell, transfer, encumber, lease or otherwise dispose of any real property or improvements to real property paid for with Grant Funds for a period of six (6) years after the Effective Date of this Grant without the prior written consent of the Agency.

SECTION 10: CONFIDENTIAL INFORMATION

- 10.1 Confidential Information Definition.** Grantee acknowledges it and its employees or agents may, in the course of performing its responsibilities, be exposed to or acquire information that is: (i) confidential to Agency or Project participants or (ii) the disclosure of which is restricted under federal or state law, including without limitation: (a) personal information, as that term is used in ORS 646A.602(12), (b) social security numbers, and (c) information protected by the federal Family Educational Rights and Privacy Act under 20 USC § 1232g (items (i) and (ii) separately and collectively “Confidential Information”).
- 10.2 Nondisclosure.** Grantee agrees to hold Confidential Information as required by any applicable law and in all cases in strict confidence, using at least the same degree of care Grantee uses in maintaining the confidentiality of its own confidential information. Grantee may not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties, or use Confidential Information except as is allowed by law and for the Project activities and Grantee must advise each of its employees and agents of these restrictions. Grantee must assist Agency in identifying and preventing any unauthorized use or disclosure of Confidential Information. Grantee must advise Agency immediately if Grantee learns or has reason to believe any Confidential Information has been, or may be, used or disclosed in violation of the restrictions in this Section. Grantee must, at its expense, cooperate with Agency in seeking injunctive or other equitable relief, in the name of Agency or Grantee, to stop or prevent any use or disclosure of Confidential Information. At Agency’s request, Grantee must return or destroy any Confidential Information. If Agency requests Grantee to destroy any Confidential Information, Grantee must provide Agency with written assurance indicating how, when and what information was destroyed.
- 10.3 Identity Protection Law.** Grantee must have and maintain a formal written information security program that provides safeguards to protect Confidential Information from loss, theft, and disclosure to unauthorized persons, as required by the Oregon Consumer Information Protection Act, ORS 646A.600-628. If Grantee or its agents discover or are notified of a potential or actual “Breach of Security”, as defined by ORS 646A.602(1)(a), or a failure to comply with the requirements of ORS 646A.600-628, (collectively, “Breach”) with respect to Confidential Information, Grantee must promptly but in any event within one calendar day (i) notify the Agency Grant Manager of such Breach and (ii) if the applicable Confidential Information was in the possession of Grantee or its agents at the time of such Breach, Grantee must (a) investigate and remedy the technical causes and technical effects of the Breach and (b) provide Agency with a written root cause analysis of the Breach and

the specific steps Grantee will take to prevent the recurrence of the Breach or to ensure the potential Breach will not recur. For the avoidance of doubt, if Agency determines notice is required of any such Breach to any individual(s) or entity(ies), Agency will have sole control over the timing, content, and method of such notice, subject to Grantee's obligations under applicable law.

- 10.4 Subgrants/Contracts.** Grantee must require any subgrantees, contractors or subcontractors under this Grant who are exposed to or acquire Confidential Information to treat and maintain such information in the same manner as is required of Grantee under subsections 10.1 and 10.2 of this Section.
- 10.5 Background Check.** If requested by Agency and permitted by law, Grantee's employees, agents, contractors, subcontractors, and volunteers that perform Project activities must agree to submit to a criminal background check prior to performance of any Project activities or receipt of Confidential Information. Background checks will be performed at Grantee's expense. Based on the results of the background check, Grantee or Agency may refuse or limit (i) the participation of any Grantee employee, agent, contractor, subgrantee, or volunteer, in Project activities or (ii) access to Agency Personal Information or Grantee premises.

SECTION 11: INDEMNITY/LIABILITY

- 11.1 Indemnity.** Grantee must defend, save, hold harmless, and indemnify the State of Oregon and Agency and their officers, employees and agents from and against all claims, suits, actions, losses, damages, liabilities, costs, and expenses of any nature whatsoever, including attorneys' fees, resulting from, arising out of, or relating to the activities of Grantee or its officers, employees, subgrantees, contractors, subcontractors, or agents under this Grant (each of the foregoing individually or collectively a "Claim" for purposes of this Section).
- 11.2 Defense.** Grantee may have control of the defense and settlement of any Claim subject to this Section. But neither Grantee nor any attorney engaged by Grantee may defend the Claim in the name of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without first receiving from the Attorney General, in a form and manner determined appropriate by the Attorney General, authority to act as legal counsel for the State of Oregon. Nor may Grantee settle any Claim on behalf of the State of Oregon without the approval of the Attorney General. The State of Oregon may, at its election and expense, assume its own defense and settlement in the event the State of Oregon determines Grantee is prohibited from defending the State of Oregon, or is not adequately defending the State of Oregon's interests, or an important governmental principle is at issue and the State of Oregon desires to assume its own defense. Grantee may not use any Grant Funds to reimburse itself for the defense of or settlement of any Claim.
- 11.3 Limitation.** Except as provided in this Section, neither Party will be liable for incidental, consequential, or other indirect damages arising out of or related to this Grant, regardless of whether the damages or other liability is based in contract, tort (including negligence), strict liability, product liability or otherwise. Neither Party will be liable for any damages of any sort arising solely from the termination of this Grant in accordance with its terms.

SECTION 12: INSURANCE

- 12.1 Private Insurance.** If Grantee is a private entity, or if any contractors, subcontractors, or subgrantees used to carry out the Project are private entities, Grantee and any private contractors, subcontractors or subgrantees must obtain and maintain insurance covering Agency in the types and amounts indicated in Exhibit C.
- 12.2 Public Body Insurance.** If Grantee is a “public body” as defined in ORS 30.260, Grantee agrees to insure any obligations that may arise for Grantee under this Grant, including any indemnity obligations, through (i) the purchase of insurance as indicated in Exhibit C or (ii) the use of self-insurance or assessments paid under ORS 30.282 that is substantially similar to the types and amounts of insurance coverage indicated on Exhibit C, or (iii) a combination of any or all of the foregoing.
- 12.3 Real Property.** If the Project includes the construction, remodel or repair of real property or improvements to real property, Grantee must insure the real property and improvements against liability and risk of direct physical loss, damage or destruction at least to the extent that similar insurance is customarily carried by entities constructing, operating and maintaining similar property or facilities.

SECTION 13: GOVERNING LAW, JURISDICTION

This Grant is governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively “Claim”) between Agency or any other agency or department of the State of Oregon, or both, and Grantee that arises from or relates to this Grant must be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event may this Section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, to or from any Claim or from the jurisdiction of any court. GRANTEE, BY EXECUTION OF THIS GRANT, HEREBY CONSENTS TO THE PERSONAL JURISDICTION OF SUCH COURTS.

SECTION 14: ALTERNATIVE DISPUTE RESOLUTION

The Parties should attempt in good faith to resolve any dispute arising out of this Grant. This may be done at any management level, including at a level higher than persons directly responsible for administration of the Grant. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each Party will bear its own costs incurred for any mediation or non-binding arbitration.

SECTION 15: DEFAULT

- 15.1 Grantee.** Grantee will be in default under this Grant upon the occurrence of any of the following events:
- 15.1.1** Grantee fails to use the Grant Funds for the intended purpose described in Exhibit A or otherwise fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Grant;
 - 15.1.2** Any representation, warranty or statement made by Grantee in this Grant or in any documents or reports relied upon by Agency to measure the Project, the expenditure of Grant Funds or the performance by Grantee is untrue in any material respect when made; or
 - 15.1.3** A petition, proceeding or case is filed by or against Grantee under any federal or state bankruptcy, insolvency, receivership or other law relating to reorganization, liquidation, dissolution, winding-up or adjustment of debts; in the case of a petition filed against Grantee, Grantee acquiesces to such petition or such petition is not dismissed within 20 calendar days after such filing, or such dismissal is not final or is subject to appeal; or Grantee becomes insolvent or admits its inability to pay its debts as they become due, or Grantee makes an assignment for the benefit of its creditors.
- 15.2 Agency.** Agency will be in default under this Grant if, after 15 days written notice specifying the nature of the default, Agency fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Grant; provided, however, Agency will not be in default if Agency fails to disburse Grant Funds because there is insufficient expenditure authority for, or moneys available from, the Funding Source.

SECTION 16: REMEDIES

- 16.1 Agency Remedies.** In the event Grantee is in default under Section 15.1, Agency may, at its option, pursue any or all of the remedies available to it under this Grant and at law or in equity, including, but not limited to: (i) termination of this Grant under Section 18.2, (ii) reducing or withholding payment for Project activities or materials that are deficient or Grantee has failed to complete by any scheduled deadlines, (iii) requiring Grantee to complete, at Grantee's expense, additional activities necessary to satisfy its obligations or meet performance standards under this Grant, (iv) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief, (v) exercise of its right of recovery of overpayments under Section 17 of this Grant or setoff, or both, or (vi) declaring Grantee ineligible for the receipt of future awards from Agency. These remedies are cumulative to the extent the remedies are not inconsistent, and Agency may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever.
- 16.2 Grantee Remedies.** In the event Agency is in default under Section 15.2 and whether or not Grantee elects to terminate this Grant, Grantee's sole monetary remedy will be, within any limits set forth in this Grant, reimbursement of Project activities completed and accepted by Agency and authorized expenses incurred, less any claims Agency has against Grantee. In no event will Agency be liable to Grantee for any expenses related to termination of this Grant or for anticipated profits.

SECTION 17: WITHHOLDING FUNDS, RECOVERY

Agency may withhold from disbursements of Grant Funds due to Grantee, or Grantee must return to Agency within 30 days of Agency's written demand:

- 17.1 Any Grant Funds paid to Grantee under this Grant, or payments made under any other agreement between Agency and Grantee, that exceed the amount to which Grantee is entitled;
- 17.2 Any Grant Funds received by Grantee that remain unexpended or contractually committed for payment of the Project at the end of the Performance Period;
- 17.3 Any Grant Funds determined by Agency to be spent for purposes other than allowable Project activities; or
- 17.4 Any Grant Funds requested by Grantee as payment for deficient activities or materials.

SECTION 18: TERMINATION

- 18.1 **Mutual.** This Grant may be terminated at any time by mutual written consent of the Parties.
- 18.2 **By Agency.** Agency may terminate this Grant as follows:
 - 18.2.1 At Agency's discretion, upon 30 days advance written notice to Grantee;
 - 18.2.2 Immediately upon written notice to Grantee, if Agency fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient in Agency's reasonable administrative discretion, to perform its obligations under this Grant;
 - 18.2.3 Immediately upon written notice to Grantee, if federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that Agency's performance under this Grant is prohibited or Agency is prohibited from funding the Grant from the Funding Source; or
 - 18.2.4 Immediately upon written notice to Grantee, if Grantee is in default under this Grant and such default remains uncured 15 days after written notice thereof to Grantee.
- 18.3 **By Grantee.** Grantee may terminate this Grant as follows:
 - 18.3.1 If Grantee is a governmental entity, immediately upon written notice to Agency, if Grantee fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to perform its obligations under this Grant.
 - 18.3.2 If Grantee is a governmental entity, immediately upon written notice to Agency, if applicable laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project activities contemplated under this Grant are prohibited by law or Grantee is prohibited from paying for the Project from the Grant Funds or other planned Project funding; or

- 18.3.3** Immediately upon written notice to Agency, if Agency is in default under this Grant and such default remains uncured 15 days after written notice thereof to Agency.
- 18.4 Cease Activities.** Upon receiving a notice of termination of this Grant, Grantee must immediately cease all activities under this Grant, unless Agency expressly directs otherwise in such notice. Upon termination, Grantee must deliver to Agency all materials or other property that are or would be required to be provided to Agency under this Grant or that are needed to complete the Project activities that would have been performed by Grantee.

SECTION 19: MISCELLANEOUS

- 19.1 Conflict of Interest.** Grantee by signature to this Grant declares and certifies the award of this Grant and the Project activities to be funded by this Grant, create no potential or actual conflict of interest, as defined by ORS Chapter 244, for a director, officer or employee of Grantee.
- 19.2 Nonappropriation.** Agency's obligation to pay any amounts and otherwise perform its duties under this Grant is conditioned upon Agency receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to meet its obligations under this Grant. Nothing in this Grant may be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of Agency.
- 19.3 Amendments.** The terms of this Grant may not be altered, modified, supplemented or otherwise amended, except by written agreement of the Parties.
- 19.4 Notice.** Except as otherwise expressly provided in this Grant, any notices to be given under this Grant must be given in writing by email, personal delivery, or postage prepaid mail, to a Party's Grant Manager at the physical address or email address set forth in this Grant, or to such other addresses as either Party may indicate pursuant to this Section. Any notice so addressed and mailed becomes effective five (5) days after mailing. Any notice given by personal delivery becomes effective when actually delivered. Any notice given by email becomes effective upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system.

THE PROJECT

SECTION I – BACKGROUND AND GOALS

Signed into law in May of 2019, the Student Success Act (SSA) is a historic opportunity for Oregon schools. The law is rooted in equity, authentic community engagement and shared accountability for student success.

SSA established the Student Investment Account (SIA) to provide Oregon school districts, eligible charter schools, YCEP, and JDEP with access to non-competitive grant funds. Each SIA applicant is required to collaborate with educators, students, families, and their community to develop a plan that outlines priorities and activities aligned to the allowable uses defined in law.

The SIA grants are designed to achieve two primary purposes:

- 1) Meeting students' mental and behavioral health needs, and
- 2) Increasing academic achievement and reducing academic disparities for students from racial or ethnic groups that have historically experienced academic disparities; students with disabilities; English language learners; economically disadvantaged students; students who are homeless; and students who are foster children.

Achievement of these purposes will be measured through Progress Markers and, for larger districts, Longitudinal Performance Growth Targets (LPGTs), forming the basis for the activities, outcomes and reporting requirements described in the following sections of this Exhibit.

SECTION II – PROJECT DEFINITIONS

The following capitalized terms have the meanings assigned below for purposes of Exhibits A and B. Definitions are derived from the Act, applicable administrative rules, and the Guidance for Eligible Applicants issued by the Agency.

“Allowable Project Costs” means Grantee’s actual costs that are reasonable, necessary, and directly related to the implementation of the Integrated Plan and are allowable uses of the Grant Funds under the Act.

“Baseline Targets” means the minimum expectations for improvement set forth in the Integrated Plan by the district in either: (i) raising academic achievement or (ii) reducing academic disparities and closing gaps, as further defined in the December 2019 “Guidance for Eligible Applicants”.

“Common Metrics” means the Five-Year Completion Rate, Third-Grade Reading Proficiency Rate, Ninth-Grade On-Track Rate, Regular Attendance Rate, and Four-Year On-Time Graduation rate used by the Agency to measure the success of activities funded by the SIA.

“Disaggregated” has the meaning given in section 12(a) of the Act.

“Five-Year Completion Rate” has the meaning given in section 12(b) of the Act.

“Focal Student Groups” means students from racial or ethnic groups that have historically experienced academic disparities, students with disabilities, English language learners, students who are economically disadvantaged, students who are homeless and students who are foster children.

“Four-Year on-Time Graduation Rate” means the percentage of students who received a high school diploma or a modified diploma within four years of the student beginning the ninth grade.

“Gap Closing Targets” or “Closing Gap Targets” means the reduction of academic disparities between groups of students especially for Focal Student Groups set forth in the Integrated Plan based on the February 2022 “Aligning for Student Success: Integrated Guidance for Six ODE Initiatives”.

“Integrated Programs” means the integration of the following nine programs: High School Success (HSS), Student Investment Account (SIA), Continuous Improvement Planning (CIP), Career and Technical Education-Perkins V (CTE), Every Day Matters (EDM), Early Indicators Intervention Systems (EIS), Early Literacy School District Success Grants, Federal School Improvement (FSI) and Career Connected Learning. Together operationally, integrating these programs creates opportunities to improve outcomes and learning conditions for students and educators. Working within existing state statutes and administrative rules, Agency developed an Integrated Programs framework for success that meets the core purpose of each program while trying to create a stronger framework from which progress, long-term impact, and learning approach to monitoring and evaluation is a hallmark of high-performing educational systems. This work is informed through Integrated Guidance.

“Integrated Plan” means the Grantee’s approved biennial plan developed following the Integrated Guidance, which includes the SIA, which has a focus on increasing academic achievement by all students, reducing academic disparities for identified student groups, and meeting students’ mental and behavioral health needs in addition to other needs deemed important at each school, stated outcomes, strategies, and activities The Integrated Plan may only be adjusted with approval from ODE staff in order to align with the anticipated outcomes and approved by Agency.

“Local Optional Metrics” are optional metrics established in addition to the 5 common metrics that are designed to allow grantees to monitor progress connected to their outcomes.

“Longitudinal Performance Growth Targets (LPGTs)” means the required common metrics and optional locally defined metrics, including targets related to student mental and behavioral health needs, included in Grantee’s Integrated Plan.

“Ninth-grade On-Track Rate” has the meaning given in section 12(d) of the Act.

“Progress Markers” means sets of indicators set forth as a part of the Integrated Programs and Guidance that identify the kinds of changes the Agency expects to see in policies, practices and approaches that lead to Grantees reaching established LPGTs.

EXHIBIT B COMMON AND CUSTOMIZED PERFORMANCE FRAMEWORK ALSEA SD 7J

SECTION I – PROGRESS MARKERS FOR 2025-2027 BIENNIUM

The Progress Markers outlined in this Exhibit B provide a framework for measuring the outcomes and activities described in Exhibit A. They support a developmental approach to evaluation, focusing on the types of changes that result from distinct investments. Grantees will provide updates toward these Progress Markers through the quarterly and annual reports. The fifteen Progress Markers below are organized into three categories: A ‘Start to See,’ B ‘Gaining Traction,’ and C ‘Profound Progress,’ representing advancement from early signs of progress to substantial and transformational changes.

- A. **“Start to See: Early Signs of Progress”** Based on your investments and activities, what changes or contributions are you noticing? What practices are improving?
- B. **“Gaining Traction: Intermediate Changes”** Based on your investments and activities, are you seeing any of these impacts?
- C. **“Profound Progress: Substantial and Significant Changes”** Based on your investments and activities, are any of these more transformational changes noticeable?

A. Start to See: Early Signs of Progress

1	Community engagement is authentic, consistent, and ongoing. The strengths that educators, students, families, focal groups, and tribal communities bring to the educational experience informs school and district practices and planning.
2	Equity tools are utilized in continuous improvement cycles, including the ongoing use of an equity lens or decision-tool that impacts policies, procedures, people/students, resource allocation, and practices that may impact grading, discipline, and attendance.
3	Data teams are formed and provided time to meet regularly to review disaggregated student data in multiple categories (grade bands, content areas, attendance, discipline, mental health, participation in advanced coursework, formative assessment data, etc.). These teams have open access to timely student data and as a result decisions are made that positively impact district/school-wide systems and focal populations.
4	Schools and districts have an accurate inventory of literacy assessments, tools, and curriculum being used, including digital resources, to support literacy (reading, writing, listening, and speaking). The inventory includes a review of what resources and professional development are research-aligned, formative, diagnostic, and culturally responsive.

B. Gaining Traction: Intermediate Changes

5	Two-way communication practices are in place, with attention to mobile students and primary family languages. Families understand approaches to engagement and attendance, literacy strategy, math vision, what “9th grade on-track” means, graduation requirements, access to advanced/college-level courses and CTE experiences, and approaches to supporting student well-being and well-rounded education.
6	Student agency and voice is elevated. Educators use student-centered approaches and instructional practices that shift processes and policies that actualize student and family ideas and priorities.

7	Action research, professional learning, data teams, and strengths-based intervention systems are supported by school leaders and are working in concert to identify policies, practices, or procedures informed by staff feedback to meet student needs, including addressing systemic barriers, the root-causes of chronic absenteeism, academic disparity, and student well-being. These changes and supports are monitored and adjusted as needed.
8	Comprehensive, evidence-informed, culturally responsive literacy plans, including professional development for educators, are documented and communicated to staff, students (developmentally appropriate), and families. Literacy plans and instruction are evaluated and adjusted to deepen students' learning. Digital resources are being used with fidelity to advance learners' engagement with instruction.
9	A review of 9th grade course scheduling, as it relates to on-track status for focal student groups, accounts for core and support core class placement. School staff ensure emerging bilingual students are enrolled in appropriate credit-bearing courses that meet graduation requirements.
10	Foundational learning practices that create a culturally sustaining and welcoming climate are visible. This includes practices that ensure safe, brave, and welcoming classrooms, schools and co/extracurricular environments. Strengths-based, equity-centered, trauma and SEL-informed practices are present and noticeable. Policies and practices prioritize health, well-being, care, connection, engagement, and relationship building. Multiple ways of being are supported through culturally affirming and sustaining practices for students, staff, and administrators.

C. Profound Progress: Substantial and Significant Changes

11	Schools strengthen partnerships with active community organizations and partners, including local public health, mental health, colleges, workforce development boards, employers, labor partners, faith communities, Tribal nations, and other education partners in order to collaboratively support students' growth and well-being. Characteristics of strong partnerships include mutual trust and respect, strengths-based and collaborative approaches, clear communication around roles, and shared responsibilities and decision-making power.
12	Financial stewardship reflects high-quality spending with accurate and transparent use of state and federal funds in relationship to a comprehensive needs assessment, disaggregated data, and the priorities expressed by students, families, communities, business, and Tribal partners in resource allocation and review.
13	Students and educators experience a well-rounded and balanced use of assessment systems that help them identify student learning in the areas of the Oregon State Standards. Educators understand how to assess emerging multilingual students' assets to inform gauging progress.
14	Policies, practices, and learning communities address systemic barriers. Schools and districts have a process to identify, analyze, and address barriers that disconnect students from their educational goals, impact student engagement or attendance, and/or impede students from graduating on-time or transitioning to their next steps after high school. Staff members are consistently engaging in action research, guided by student's strengths and interests, to improve their practice and advance professional learning.
15	Schools create places and learning conditions where every student, family, educator and staff member is welcomed, where their culture and assets are valued and supported, and where their voices are integral to decision making. Instruction is monitored and adjusted to advance and deepen individual learners' knowledge and understanding of the curriculum. Educators are empowered with agency and creativity. Communities are alive with visions, stories, and systems of vitality, wholeness, and sustainability.

SECTION II – FINALIZED CO-DEVELOPED LPGTS

The Longitudinal Performance Growth Targets (LPGTs) include baseline, stretch, and gap-closing targets for each of the common metrics. These targets center focal student groups while supporting public transparency and learning. Progress toward meeting these Longitudinal Performance Growth Targets will be included in the Annual Report. While all three types of targets are named in the Grant Agreement, ODE will review and consider when or if intervention is needed using only the Baseline and Gap-Closing Targets, in alignment with ODE guidance on target-setting and reporting practices.
