SUBJECT: Approval of the use of Innovative Courses eligible for State Elective Credit – Retail Management

PRESENTER: Dr. Sharon Roberts, Deputy Superintendent for Curriculum and Instruction

BACKGROUND INFORMATION

Annually, the Texas Education Agency updates the TEA "List of Approved Innovative Courses", which allows districts to offer state-approved innovative courses to enable students to master knowledge, skills, and competencies not included in the essential knowledge and skills of the required curriculum. Use of these courses must be approved by the local board of trustees. The Board approved the attached list of innovative courses for the 2024-2025 school year. However, the Career and Technical Education Department needs to add an additional innovative course, Retail Management (N1303420), for students unable to complete the Advanced Marketing or Practicum in Marketing course, requiring work experience.
