Financing Scenario and Summary of Assumptions

We present the following scenario for the District's consideration:

Financing Scenario:	Issue maximum amount of unlimited tax bonds in one installment, utilizing a 30-year amortization, structured to produce a level 50-cent I&S tax rate. **Proceeds to the District are currently estimated to be $240,550,000.** (This amount would include the District's remaining authorization of $15,000,000 if it choose to utilize it.)

The projected costs of the new bond plan are based upon the assumptions detailed below:

- Assumes a bond election is held in May 2022 and the first installment of bonds is sold in February 2023.
- Assumes a tax collection rate of 96.0%.
- Assumes current market interest rates plus 75 basis points (0.75%). (Subject to change.)
- Assumes the District's 2021/22 certified gross taxable assessed valuation is $3,017,370,534 and grows at 15.00% for two years and 10.00% for three years.
- Assumes the District's 2021/22 certified net taxable assessed valuation is $2,703,486,668 and grows at 15.00% for two years and 10.00% for three years.
- Assumes the District receives $1,010,000 in 2021/22 for the I&S portion of its frozen levy revenues and that amount remains constant thereafter.
- Assumes the District's Interest and Sinking Fund tax rate for fiscal year 2021/22 is 47.3 cents. Any increase is based off this amount and will take place in fiscal year 2023/24.

Please note that the above scenarios are preliminary and the projected results are subject to change as interest rates fluctuate, more structuring dialogue takes place with District administration and Bond/Tax Counsel have a chance to thoroughly review the financing plan and do a full tax analysis on any contemplated issuance. Bond/Tax Counsel will need to review the useful life of any assets being financed (especially technology improvements) against the average life of the proposed bond issue. This analysis does not contemplate the average life of the assets being financed and as such, the ultimate tax rate impact and debt service associated with the new financing may be different than what is shown herein.

Preliminary Bond Capacity Analysis

Summary of Assumptions (continued)

The projected costs of the new bond plan are based upon the assumptions detailed below:

- Assumes the bonds will not receive Existing Debt Allotment ("EDA") funding or Instructional Facilities Allotment ("IFA") funding due to the District's wealth per student level.
- Assumes the District receives the Permanent School Fund ("PSF") guarantee for the bonds. (PSF approval has not been confirmed by TEA.)
- Assumes all bonds are sold as fixed rate with 10-year call redemption provisions.
- The District must be able to demonstrate at the time of issuance of new bonds that it can levy an Interest & Sinking Fund tax rate of no more than $0.50 for all Bonds issued after September 1, 1992, based upon its current taxable assessed valuation. Note the District's current year EDA, IFA and the Subchapter B portion of its Tier I funds may be used to comply with this test. For purposes of calculating the 50-cent test, the District must use the step rate associated with any variable rate debt. The District may need to pledge up to $8,218,924 in Tier I funds to pass the 50-cent test for the scenario contemplated herein. (Subject to change.)

AN ORDER CALLING A BOND ELECTION TO BE HELD BY THE MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT, MAKING PROVISION FOR THE CONDUCT OF A JOINT ELECTION, AND RESOLVING OTHER MATTERS RELATED TO SUCH ELECTION

WHEREAS, the Board of Trustees (the *Board*) of the MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT (the *District*), located in Medina and Bexar Counties, Texas (individually, the *County*, collectively, the *Counties*), hereby finds and determines that an election should be held to determine whether the District shall be authorized to issue bonds of the District in the amount and for the purposes hereinafter identified (the *Election*); and

WHEREAS, concurrently with the Election, the District is conducting an election for certain Board trustee positions; and

WHEREAS, the District anticipates conducting its Board election and the Election jointly with the City of Castroville, Texas (the *City*), which is a municipality within the District, on Election Day only (and unless the City cancels its election, in which case the District's compliance with Section 11.0581 is no longer required because of, as described above, impossibility), in a manner permitted under applicable Texas law; and

WHEREAS, the District will contract with the elections administrator of Medina County and the elections administrator of Bexar County (individually, the *Administrator*; together, the *Administrators*) to conduct all aspects of the Election; and

WHEREAS, the Board hereby finds and determines that the necessity to construct various capital improvements within the District dictates that it is in the public interest to call and hold the Election at the earliest possible date to authorize the issuance of bonds for the purposes hereinafter identified; and

WHEREAS, the Board hereby finds and determines that the anticipated capital improvements identified in proposition A may be submitted to the qualified voters of the District as a single proposition pursuant to Section 45.003(g) of the Texas Education Code because these capital improvements will be predominantly used for educational and administrative purposes, none of which are the type of facilities described in Section 45.003(g)(1-6); and

WHEREAS, the Board hereby finds and determines that the anticipated capital improvements identified in proposition B must be submitted to the qualified voters of the District

as an additional proposition because these facilities are the type of facilities described in Section 45.003(g)(1) of the Texas Education Code; and

WHEREAS, the Board hereby finds and determines that the actions hereinbefore described are in the best interests of the residents of the District; now, therefore,

BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT THAT:

The Board authorizes the Administrators, or the designees thereof, to appoint the Presiding Judges, the Tabulation Supervisors, and the Programmers of their respective Stations and may appoint Station clerks as needed or desirable. The Administrators will publish (or cause to be published) notice and conduct testing on the automatic tabulation equipment relating to the Station and conduct instruction for the officials and clerks for their respective Stations according to the Code.

SECTION 5. The official ballot shall be prepared according to the Code so as to permit voters to vote "FOR" or "AGAINST" the aforesaid measure that shall appear on the ballot substantially as follows:

PROPOSITION A

PROPOSITION B

THE ISSUANCE OF $_____ OF BONDS BY THE MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT FOR SCHOOL STADIUM FACILITIES, AND THE LEVYING OF A TAX IN PAYMENT THEREOF. THIS IS A PROPERTY TAX INCREASE.

SECTION 6. All resident, qualified voters of the District shall be permitted to vote at the Election, and on Election Day, such voters shall vote at the designated polling places. The Election shall be held and conducted according to the Code and other applicable law. To the extent required by law, materials and proceedings relating to the Election shall be printed in both English and Spanish.

SECTION 7. Notice of election, including a Spanish translation thereof, shall be published at least one time in a newspaper of general circulation in the District, with such publication occurring not more than 30 days and not less than 10 days before Election Day. Moreover, a substantial copy of this Order and the voter information attached to and incorporated herein for all purposes, including a Spanish translation thereof, shall be posted (a) not less than 21 days prior to Election Day (1) on the bulletin board used for posting notices of Board meetings, (2) in three additional public places within the District's boundaries, (3) in a prominent location on the District's internet website, and (b) in a prominent location at each polling place on Election Day and during early voting. assessed valuation. Based on the bond market conditions on the date of the Board's adoption of this Order, the maximum interest rate for any series of bonds authorized at the Election is ___% (expressed as a net effective interest rate applicable to any such series of bonds). The bonds that are the subject of this Election shall mature serially or otherwise over a specified number of years (but not more than 40 years from their date), as prescribed by applicable Texas law, though the District estimates that, based on current bond market conditions, such bonds will amortize over a 30-year period from their respective date of issue. The foregoing estimated maximum net effective interest rate and amortization period are only estimates, provided for Texas statutory compliance; they do not serve as a cap on the per annum interest rate at which any series of bonds authorized at the Election may be sold, or the amortization period for bonds that are the subject of this Election.

SECTION 9. The Board authorizes the District's President of the Board of Trustees, the Superintendent of Schools, or their designees to negotiate and enter into one or more joint election agreements, election services contracts, and/or similar contracts or agreements with the County, acting by and through the Administrators, and any Participants if desired or if required to comply with applicable law, as permitted and in accordance with the Code. In addition, the Board authorizes the President of the Board of Trustees, the Superintendent of Schools, or their designees to make such technical modifications to this Order that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board, as evidenced herein.

SECTION 10. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Order for all purposes and are adopted as a part of the judgment and findings of the Board.

SECTION 11. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters ordered herein.

SECTION 14. If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Order would have been enacted without such invalid provision.

SECTION 15. This Order shall be in force and effect from and after its final passage, and it is so ordered.
