Dr. Charla Rudd

Background Information:

Following the review of program effectiveness (May 19, 2020), of Optional Flexible School Day Program (OFSDP) student performance at the Success Academy for 2019-2020, the board approved continuation. The board directed staff to complete the annual application to plan to participate. The OFSDP is a program, authorized under the Texas Education Code (TEC), §29.0822 and 19 Texas Administrative Code (TAC), §129.1027 that your school district or open-enrollment charter school may offer to provide flexible hours and days of attendance for students in any grade who meet one of the following criteria:

1. the student is at risk of dropping out of school, as defined by the TEC, §29.081;
2. the student, as a result of attendance requirements under the TEC, §25.092, will be denied credit for one or more classes in which the student has been enrolled;
3. the student is attending a campus with an approved early college high school program designation;
4. the student is attending a campus operating under a commissioner approved turnaround plan; or
5. the student is attending a community-based dropout recovery education program, as defined by TEC, §29.081 (e-1) or (e-2).

Participation in the program additionally requires the student, if less than 18 years of age and not emancipated by marriage or court order, and the student's parent, or person standing in parental relation to the student, to agree in writing to the student's participation.

The goal of the program is to improve graduation rates for students who are in danger of dropping out of school, have dropped out, or who are behind in core subject courses.

APPLICATION

Optional Flexible School Day Program (OFSDP)

2021-2022 School Year

ELIGIBLE APPLICANTS: The Texas Education Agency (TEA) will make available to eligible school districts and open-enrollment charter schools an application form that must be completed and submitted to the TEA for approval.

Definition of Program Provisions

Eligible Students

A student is eligible to participate in an optional flexible school day program (OFSDP) authorized under the Texas Education Code (TEC) §29.0822, if:

1. the student meets one of the following conditions:
 - the student is at risk of dropping out of school, as defined by the TEC, §29.081; or
 - the student, as a result of attendance requirements under the TEC, §25.092, will be denied credit for one or more classes in which the student has been enrolled;
 - the student is attending a school with an approved early college high school program designation; or
 - the student is attending an academically unacceptable campus implementing a campus turnaround plan approved by the commissioner under TEC 39A Subchapter C; or
 - **the student is attending a community-based dropout recovery education program as defined by TEC, §29.081 (e-1) or(e-2).**

and

2. the student, if less than 18 years of age and not emancipated by marriage or court order, and the student's parent, or person standing in parental relation to the student, agree in writing to the student's participation.

Assessment

The student must take the required state assessments specified under the TEC, §39.023, during the regularly scheduled assessment calendar.

Participation in University Interscholastic League (UIL)

A student enrolled in an OFSDP under the TEC, §29.0822, may participate in a competition or other activity sanctioned or conducted under the authority of the University Interscholastic League (UIL) only if he or she meets all UIL eligibility criteria.

Attendance Credit

A student attending an OFSDP under the TEC, §29.0822, may be counted in attendance for purposes of funding under the TEC, Chapters 46, 48, and 49, only for the actual number of contact hours the student receives, not to exceed 720 hours or 43,200 minutes per 12-month period. **Students in enrolled in the traditional program for part of the year and the OFSDP program for part of the year may not earn more than one ADA.**

Board Approval

The board of trustees of a school district must include the OFSDP as an item on a regular agenda for a board meeting. Board of trustees of a school district must discuss the progress of the program before approving the program and applying to operate an OFSDP. (see Appendix Two).

Continuation or Revocation of Program Authorization

Applications are approved for a period of one (1) school year. Continuation of the approval for the OFSDP will be contingent on the demonstrated success of the program. Determination of success will include a review and analysis of data provided in the mandatory final progress report(s). The commissioner of education may revoke authorization for participation in the OFSDP after consideration of relevant factors, including performance of students participating in the program on assessment instruments required under the TEC, Chapter 39; the percentage of students participating in the program who graduate from high school; and other criteria agreed to in the application and adopted by the commissioner of education. A decision to revoke approval of the program by the commissioner of education is final and may not be appealed.

Reporting Requirements

Following approval of the application, the applicant may be required to submit progress reports based on criteria selected by the applicant and agreed to by the commissioner. When requested, reports will require applicants to disclose the overall progress of the students in the program, the number of students enrolled in the program (disaggregated by ethnicity, age, gender, and socioeconomic status), the number of students graduating from high school (disaggregated by ethnicity, age, gender, and socioeconomic status), and additional criteria selected by the applicant and agreed to by the commissioner. The TEA will provide notice to applicants and additional instructions for completion of reports at least 45 days before the date a report is due, or as soon as possible, in order to give school districts and charter schools adequate time to prepare and submit the reports to the TEA. The TEA may request additional reports as necessary to monitor and assess progress of students participating in the program.

Attendance and Compliance Procedures of Proposed Program

1. The total number of OFSDP students served per teacher ranges from 6-10 students per semester for a yearly total of approximately 30 students.
2. The OFSDP program offers special education and bilingual education services. The program has two full-time teachers and one-half teacher plus support staff. Between the three teachers, two have the required certifications for special education and ESL.
 - a. Lead Teacher
 - i. Generalist 4-8
 - ii. Special Education (EC-12)
 - iii. English as a Second Language Supplemental (EC-12)
 - iv. Principal (EC-12)
 - b. Full-time classroom teacher – provides support for all ESL students. This certified teacher has the following certificates:
 - i. English Language Arts and Reading (7-12)
 - ii. English as a Second Language Supplemental (7-12)

Special Education students are placed in the Lead Teacher’s classroom. These students receive direct instruction from this teacher because of meeting the certification requirements. For instruction in English Language Arts, special education students are served by both teachers with the Lead Teacher serving as support, while the classroom teacher provides direct instruction.

Because all three teachers have the ESL Supplemental certifications, students identified as ELL at the beginning or intermediate level are placed in the classroom teacher’s classroom since the teacher is bilingual. For all other ELL students, students are placed equally in the two teacher’s classrooms and receive the accommodations and services recommended through the LPAC.

Any student who requires an ESOL I or ESOL II will be taught by the full-time classroom teacher because of the two certifications (ELAR and ESL 7-12).

Student program information is recorded on the daily contact register by the number of minutes served by teacher.

3. Record of actual number of students’ instructional minutes.
 - a. Teachers track, record and verify the actual number of minutes of instruction each day. Actual attendance begins when the student arrives in the classroom and begins work on coursework.
 - b. Teachers note individual instructional time (hour: minute) on a daily contact register. When students depart for the day or transition to another classroom, the end time is noted by the classroom teacher on the teacher’s daily contact register. (hour: minute).
 - i. Daily attendance sheets for every classroom teacher are collected and converted from hour: minute format to instructional minutes per student per teacher. The Success Academy Lead Teacher and the PEIMS Clerk generate a weekly student detail instructional minute report. Students with less than 45 minutes on any day are left blank on the official Daily Contact Register.
 - c. At the end of day, teachers will certify the number of minutes each student was in attendance. The teacher will sign the the log sheet. At the conclusion of the week, each teacher signs and dates the completed instructional minutes log for their classroom.
 - i. Each 3-week reporting period, the PEIMS Clerk and Lead Teacher along with the High School PEIMS clerk review for reasonableness, counseling needs, parent conferences needed, etc.
 - ii. Detailed student daily minute reports are stored electronically and shared with District PEIMS coordinator. The District PEIMS Coordinator, Asst. Superintendent for Curriculum, Instruction,

and Assessment, High School Principal, and Lead Teacher for Success Academy review individual student progress and attendance from multiple perspectives.

- d. The High School and Success Academy Credit Recovery Program tries to minimize the possibility of students generating more than one ADA but transferring students from a traditional program to the OFSDP at the beginning of a 6-week period. Parent – student conferences, ARD meetings, LPAC, 504 and Student Intervention Team meetings are conducted to review program eligibility, instructional needs and program requirements.
- e. Every 6-week period, data is reviewed by the Success Academy team, high school PEIMS and administration, and District PEIMS and administrators. Both 42400 and 42401 records are reviewed to identify any student reported simultaneously. The District and HS PEIMS staff ensure student minutes are accurate (180 – Traditional Days Present x 240).
 - i. Data reviewed include:
 1. Beginning and ending dates of reporting period, including the year
 2. Total number of days of instruction in the reporting period
 3. Instructional track
 4. Student’s original entry date and any subsequent withdrawal and reentry dates. (Both 42400 and 42401 series records are created – this ensures if status of enrollment changed from traditional to OFSDP)
 5. Student grade level code
 6. Average daily attendance
 7. Special education instructional setting code
 8. Career and technical education code
 9. ESL program type code
 10. Gifted/talented indicator code
 11. Pregnancy-related services code
 12. Absences by date and total for reporting period
 13. Total eligible days present and total eligible minutes present for OFSDP by 6-week reporting period.
 14. Total ineligible days present (less than 45 minutes of instruction) and total ineligible minutes present for the OFSDP.
 15. Attendance data total for all students, by grade
 16. Signature page signed by persons recording data (Success Academy PEIMS clerk) and approving data (Success Academy Lead Teacher).
