ATTACHMENTS: Budget Assumptions 2020 – 2021

SUBJECT: Budget Assumptions in Preparation for Developing the FY 2020 – 2021 Budget 1st Reading

---

BACKGROUND:

Each year a set of Budget Assumptions is adopted by the Board of Education. These assumptions include cost estimated for the next fiscal year's budget and priorities in the development of the budget. The Superintendent is presenting proposed budget assumptions for consideration by the Board.

RECOMMENDATION:

That the Board of Education accept for a 1st Reading the Budget Assumptions for FY 2020 – 2021.

Agenda Item # 6e

Budget Assumptions for 2020-2021

1. **Enrollment:** Each year the Windsor School District commissions the New England School Development Council (NESDEC) to conduct an enrollment projection study. NESDEC uses the cohort survival technique as well as current town-specific information into the generation of the enrollment forecasts for preparing Windsor's enrollment forecasts.

   District Wide enrollment has had a steady increase over the past few years. In 15/16 and 16/17, enrollment remained stable at 3,187 and 3,186. In 17/18 enrollment increased to 3,250 and then increased again for 18/19 to 3,269. The October 1st 2019 enrollment was 3,308 students. ***This is an increase of 122 students over the past three years.*** The projected enrollment for 20/21 shows a continued increase as proven by the last three years and predicted by the DRA Study.

2. **Staffing & Programs:** Based on the likelihood that the approved budget will be lean, any requests for staffing increase will be highly scrutinized and should be made with the realization that they may not survive the budget process. Decisions around staffing and program redesign or development will be driven by their potential impact on raising student achievement while honoring the commitment to be fiscally responsible.

3. **Health Insurance:** If we continue to have low claim trends as we've been experiencing the past few years, the cost for health care is projected to remain flat.

4. **State & Federal Funding/Grants:** ECS Funding & Excess Cost Funding for Windsor is expected to remain stable for 20/21. Historical data is encouraging for WPS entitlement grants. Over the past 5 years, Title grants have increased an average of 2.76% each year and IDEA grants have increased an average of 1.68% each year.

5. **ECS Alliance Grant:** Funding reliability of the Alliance Grant (most recently referred to as ECS Alliance Grant) has varied over the past 7 years. 19/20 is year 7 of the grant. Funding for 20/21 is highly likely to remain consistent with the 19/20 funding level.

6. **Energy:** All schools are now utilizing gas instead of oil for energy. This is a yearly savings for the district. Locking in a rate sooner rather than later is important. Cost-saving measures within the facility and operations area are a must.

7. **Facilities:** All capital needs are presented to George Greco. The need to maintain our buildings is also a priority and we did an LED Upgrade at each of our elementary schools and at Windsor High School over the past two years. The savings from this upgrade was $138,864 and was anticipated in the 19/20 budget.

8. **Transportation:** The contractual increase for Datto Transportation is 3.9% or $205,877 for 20/21. The increase for special education transportation for 20/21 is projected to be $85,000.

9. **Diesel Fuel**: Diesel fuel has been on a slight increase over the past two years. We anticipate a moderate increase moving forward. The lock in price in 18/19 was $2.05/gallon and in 19/20 it is $2.18. The projected rate for 20/21 is $2.50/gallon. This is a projected increase of $39,360. This will be monitored in the coming months by the Town.

Subject: Proposed 2020-2021 School Calendar, 1st Reading

Background:

Each year the calendar for the next school year is brought to the Board of Education for approval. Input is sought from PTO Presidents, the Windsor Education Association (WEA) and administrators. Principals, Cabinet members and the Superintendent review the input and make appropriate changes.

The calendar for 2020-2021 is being recommended. The teacher work year would begin on August 24th with opening day. The student school year would begin on August 31st. The last day of school would be tentatively scheduled for June 10th and would include 8 potential snow days. There would be no February vacation. There would be an April vacation, which would be the same week as CREC region schools.

The calendar includes 187 teacher work days and 181 instructional days. The calendar also includes 7 student early release days for the purpose of conducting teacher professional activities. The calendar also includes the traditional vacations and holidays.

SUBJECT: Student Enrollment as of December 1, 2019

BACKGROUND:

Attached are the enrollment figures as of December 1, 2019. Mrs. Batchelder will answer any questions.

STATUS:

In prior BOE enrollment reports, the enrollment report grouped all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning in September 2016, the Out Placement/Private Placement (SPED) line was separated into two categories:

1. *Out of District Placement-Special Education students*
2. *Private Placement Special Education students*

Out of District - Special Education: Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

Private Placement - Special Education: Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).

Attachments: Food Service Financial Report

Subject: Cafeteria Operations – November 2019

Background: The Windsor School Food Service participates in the National School Lunch Program at each of our school facilities, at St. Gabriel's and CREC's Academy of Aerospace and Engineering. We also participate in the National School Breakfast Program at our four elementary schools, Sage Park Middle School, Windsor High School and CREC AAE. We operate the After School Snack Program for our Treehouse Program in Windsor. We operated our Summer Food Service Program of lunch and snack at Deerfield Apartment Complex, Goslee Pool, Wilson Library, and added Poquonock Elementary School location during summer break. We are complying with the Healthy Food Certification again this year to send a consistent message to our students in keeping with our wellness policies.

Our annual goal is to operate with a small reserve account to offset unanticipated needs and to increase participation from students and staff in all our programs.

A monthly financial report is presented to the Board of Education. This report includes sales and financial information for the current period.

Status: Financial Report for November 2019
