ATTACHMENTS: Student Enrollment Report & Recap

SUBJECT: Student Enrollment as of March 1, 2022

BACKGROUND:

Attached are the enrollment figures as of March 1, 2022. Mrs. Batchelder will answer any questions.

STATUS:

In prior BOE enrollment reports, the enrollment report grouped all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning in September 2016, the Out Placement/Private Placement (SPED) line was separated into two categories:

1. *Out of District Placement-Special Education students*
2. *Private Placement Special Education students*

Out of District - Special Education: Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

Private Placement - Special Education: Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).

b) Recognition -- Makhi Ettienne-Modeste, Connecticut's Kid Governor 2022

Dr. Hill invited JFK School Principal Jen Michno to introduce Kid Governor 2022 Makhi Ettienne-Modeste.

3) Audience to Visitors

Sirena Raymond, 31 Bent Road - She spoke about an issue in a WHS class in which another student disparaged her for "not being black enough to celebrate all of Black History Month" including a diagram on the white board explaining her opinion and how the teacher did nothing to intervene, telling another student that there should be no evidence the incident occurred. Ms. Raymond stated that the solution she was given, to feel safe at school, was to move her classes or reschedule her to stay away from the other student and not the other way around. She wanted to draw attention to this as a safety issue at the school.

James Madison, 8 Fitzmaurice Circle - He began by speaking in support of the previous speaker, saying that she was well-spoken and brave and that he is sick of racism. He said that it is a perfect example of racism flipping due to Critical Race Theory and he cautioned against divisiveness. He spoke in favor of the mask mandate ending.

Dr. Sarah Olchanowski, 36 Strawberry Hill - She asked the board to look at data that proves that lockdowns and masks do more harm than good when making any decisions about the mask mandates.

Jennifer Madison, 8 Fitzmaurice Circle - She requested that the mask mandate be lifted and stated that we need to learn how to live with what Covid is morphing into.

Will Pelkey, 133 Portman Street - He spoke in favor of the elimination of masks or making them optional. He thanked the board for sending the request for more CTE instruction to the Long-term Planning Committee for discussion. He thanked the first speaker for speaking out about the racism she experienced.

Di Van Houten, 31 Bent Road - She spoke as a school nurse, stating her understanding of the complaints about masks, but stating that the flu season is ongoing and urged the board to consider ending the mask mandate no earlier than the end of March.

c) Finance Committee's Recommendation regarding the 2022-2023 Financial Plan and Adoption of the 2022-2023 Financial Plan (Anticipated Action)

The motion was amended to reflect the decrease from 3.05% to 2.85% as discussed and agreed upon by the board and Dr. Hill.

The decrease to 2.85% from the original 3.05% budget increase reflected cuts of $156,075, primarily from Site 76 (Technology), bringing the new total budget amount to $76,478,361.

Move the Board of Education accept the proposed 2022-2023 budget submitted to the Board by Superintendent Dr. Terrell Hill with a 2.85% increase over the current year's budget. This motion, made by Ms. Maryam Khan and seconded by Mr. Nathan Wolliston, Passed

Mr. Panos proposed an additional cut to the Site 80 (Transportation) budget to deduct $50,000 due to service issues for the 2021-2022 school year.

Mr. Lockhart said that while there have been issues with transportation, this is a negotiated contract and if DATTCO does not willingly take a cut, those $50,000 would need to be recovered from other budget line items.

Ms. Canter stated that transportation service this year has been an issue with buses coming late, or not at all, and sometimes with no communication.

Ms. Taylor agreed with transportation having issues but said that Ms. Batchelder is a great negotiator and if there is money to get from DATTCO, she will find a way.

Mr. Halek asked if DATTCO had been approached this calendar year regarding a refund.

8) Superintendent's Report

Dr. Hill began by thanking the board for the work they had done on the budget. He also announced that all future board meetings would be held in the Board Room at LP Wilson. The next Coffee Talk will be on Tuesday, February 28 at 6:00 PM in the Senior Center at LP Wilson. Contact Gianna Gill at ggill@windsorct.org to RSVP.

At this time, Dr. Hill introduced Safety and Security Officer Kelvan Kearse to address the catalytic converter thefts.

Mr. Kearse explained that these thefts are not a recent issue, the thefts have dated back decades. It is an ongoing problem around the state. Increased patrols have been occurring to dissuade the culprits.

Dr. Hill addressed the updates to the mask mandate. Legislators have voted to end the mandate and the Governor will most likely sign this order effective February 28. If the Connecticut Department of Health and Connecticut State Department of Education choose, they can extend the mandate until June 30, but no decision has been made by them in the matter. The Board of Education may also vote to extend the mandate if they choose. There is no need to vote to uphold the repeal of the mandate. The Town of Windsor is a separate entity and may repeal or extend the mandate as they see fit, but their choice does not affect the school buildings. Regardless of the decisions, students who use school transportation would still be required to wear masks onboard. There has been no statement from CIAC regarding sports.

Next Monday is President's Day. That day and the next there will be no school.
