**WINDSOR BOARD OF EDUCATION**

**AGENDA ITEM**

**For Consideration by the Board of Education at the Meeting of:** December 16, 2025

**PREPARED BY:** Jen Clarke,  
Registration Coordinator

**PRESENTED BY:** Danielle Batchelder,  
Chief of Operations

**ATTACHMENTS:** Student Enrollment Report & Recap

**SUBJECT:** Student Enrollment as of December 1, 2025

---

**BACKGROUND:**

Attached are the enrollment figures as of December 1, 2025. Mrs. Batchelder will answer any questions.

**STATUS:**

In prior BOE enrollment reports, the enrollment report grouped all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning in September 2016, the Out Placement/Private Placement (SPED) line was separated into two categories:

1. *Out of District Placement-Special Education students*
2. *Private Placement Special Education students*

**Out of District - Special Education:** Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

**Private Placement - Special Education:** Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).

AGENDA ITEM**

**For Consideration by the Board of Education at the Meeting of:** Tuesday, December 16, 2025

**Prepared By:** Patricia Patton

**Presented By:** Danielle Batchelder

**Attachments:** Cafeteria Operations – November 2025

**Subject:** Food Service Financial Report

---

**Background:** The Windsor School Food Service participates in the National School Lunch Program at each of our school facilities. We also participate in the National School Breakfast Program at our four elementary schools, Sage Park Middle School and Windsor High School. We operated our Summer Food Service Program at John Fitch Park and Sharshon Park during summer break serving lunch. We are complying with the Healthy Food Certification again this year to send a consistent message to our students in keeping with our wellness policies.

Our annual goal is to operate with a small reserve account to offset unanticipated needs and to increase participation from students and staff in all our programs.

A monthly financial report is presented to the Board of Education. This report includes sales and financial information for the current period.

**Agenda Item #** 8.a.

To: Dr. Noha Abdel Hady, Superintendent of Schools  
From: Kelvan Kears, Security and Residency  
Date: December 12, 2025  
Subject: Residency Investigations - August 2025 - December 12, 2025

Below is a list of the completed investigations thus far during the Fall of 2025. As in previous years, this list does not include several self-initiated investigations in which the parent/guardian removed his/her student due to a phone call or visit, without a written letter from the district. The total number of investigations is thirty (30). We have removed six (6) families with nine (9) kids.

Multiple families have moved from the District and enrolled their kids in the school after a phone call or visit, even though they initially intended to keep their children in Windsor. This year, I have found more families willing to give up legal guardianship to keep their children in the Windsor Public Schools.

The number of students currently enrolled under the McKinney-Vento Act is 23, a high number, which is actually down four (4), because a mother with four (4) children recently returned to Texas. Several of the families on McKinney-Vento were discovered to be homeless during my initial residency investigation.

The number of families with children attending school on Certificates of Residency (COR) is also up this year.

Five (5) of my open investigations involve families on CORs.

Windsor High School - 149  
Sage Park - 155  
John F. Kennedy - 66  
Clover - 43  
Poquonock - 46  
Oliver Ellsworth - 39

Total number of CORs - 498.

The Residency investigations are ongoing, and I expect to find more students who do not reside in Windsor as we approach the Holiday break.

# DRAFT Budget Assumptions for 2026-2027

## 2<sup>nd</sup> Reading

1. **Enrollment:** Each year the Windsor School District commissions the New England School Development Council (NESDEC) to conduct an enrollment projection study. NESDEC uses the cohort survival technique as well as current town-specific information into the generation of the enrollment forecasts for preparing Windsor's enrollment forecasts.

District Wide enrollment had a steady increase between 2014 – 2019. The highest enrollment was in 2019/2020 at 3,308. The district enrollment began to decrease during the 2020/2021 and 2021/2022 school years to a low of 3,242. We were back up to the 19/20 levels in 23/24 however, we had a slow decline since. Enrollment as of 10/1/2025 was 3,195.

2. **Staffing & Programs:** Based on the likelihood that the approved budget will be lean, any requests for staffing increase will be highly scrutinized and should be made with the realization that they may not survive the budget process. Decisions around staffing and program redesign or development will be driven by their potential impact on raising student achievement while honoring the commitment to be fiscally responsible.
3. **Health Insurance:** Claims have increased significantly over the past few years. Since FY22/23, claims have increased by over 2.4 million dollars. Prior to 2021, the district had a good running streak with extremely low claims which allowed us to remain relatively flat for over 10 years. We have experienced considerable increases in the number of "High Claimants." We are anticipating needing to add funds to the insurance fund for 2026/2027.
4. **State & Federal Funding/Grants:** ECS Funding & Excess Cost Funding for Windsor is expected to remain stable for 26/27. At this point, federal funding is uncertain due to the current budget disputes for public schools nationwide. Funding reliability of the Alliance Grant has varied over the past 13 years. 25/26 is year 13 of the grant. Funding for 26/27 is highly likely to remain consistent with the 25/26 funding level.
5. **Energy:** All schools are now utilizing gas instead of oil for energy and all buildings have been upgraded to LED. Locking in a rate sooner rather than later is important. Cost-saving measures within the facility and operations area are a must.
6. **Facilities:** All capital needs are presented to the Physical Plant Manager. The need to maintain our buildings is a priority.
7. **Transportation:** Windsor and Dattco will begin contract negotiations for another 5-year contract (current contract expires on 6/30/2026). Windsor's yard became unionized by the Teamsters in the Fall of 2020 which played a major factor in negotiations for term 2 of the contract. The Teamsters are now negotiating fringe benefits into their current contracts in surrounding towns. This will play a major role in the contract prices if Dattco begins offering fringe benefits to their drivers in the Windsor yard.
8. **Diesel Fuel/Gas:** Fuel has leveled off over the past year. We anticipate a small increase to both Diesel and Regular Gas. The lock in price for Diesel in 25/26 is \$2.47/gallon. The lock in price for Gas in 2025 is \$2.30/gallon. The projected rate for Diesel in 26/27 is \$2.50 and for Gas in 2026 is \$2.37. This is an overall increase of \$6,050.
